Dear Parents / Caregivers

Year 9 BBQ and Chromebook Launch Monday 13 February 4.30pm-6.00pm

We would like to invite our Year 9 students and whānau to a BBQ on Monday 13 February at 4.30pm to be held by the marae and wharekai at school.

At this event we will also be launching our chromebook programme with our Yr9 students. In order for students to receive these you will need to have completed the purchase agreement.

We will begin our digital learning programme early this term and our students will need to have their devices ready for this. Our staff are excited to begin lessons with students using their Chromebooks.

Chromebooks can be purchased for \$533 from school or you may wish to use the payment option which allows for payments over a period of up to three years. This option requires a \$40 deposit with payments from as little as \$3.55 per week. You will need to bring your Bank Account details should you wish to make payment through Direct Debit or Automatic Payment. This Chromebook package is a great deal that includes insurance, set-up costs and applications that will be required by Papakura High School students.

If you have not ordered your Chromebook, please contact Shona Muir at school to make an appointment to come in and pay the deposit and complete the sign up paperwork.

Once again thank you for your support with this step on your child's learning.

Kind Regards
