

## Papakura High School Panui December 2019

2019 has been an amazing year in our school's journey and as the year comes to an end I wish to acknowledge the many individuals and organisations who have supported our school in many ways. Your interest and engagement with us is deeply appreciated.

Our new Board of Trustees has taken on the challenges of providing direction for our school and is proving to be a multi-talented and forward thinking group of individuals. We look forward to the partnership of our Board, staff and wider community over the next three years.

Congratulations to all our senior and junior prize winners in academic, cultural and sporting awards. These events have been wonderful celebrations of our students' achievements over the year. We held our first ever year 10 graduation event on Thursday 5 December, which was a wonderful event.

The formation of the Papakura Kahui Ako, our educational community consisting of Edmund Hillary School, Kelvin Road School, Redhill School, Papakura Intermediate, Kereru Park Campus, our Early Childhood Centres and ourselves has been a very important and exciting development for us in 2019. We look forward to the further development of the Kahui Ako and the possibility of further schools joining us as well.

Very best wishes for a safe and blessed Christmas and holiday season.

Kia Rangatira!

# Papakura High School - Board of Trustees

## Board Corner December 2019 - from the Trustees

In October we welcomed new student trustee Logan Lepua, elected in this years student trustee election. We look forward to working with him over the next 12 months, and already his commitment and understanding of his role with the Board is great to see. It was pleasing to see the interest in this years student election and we acknowledge the other candidates for putting their names forward. We thank our previous student trustee Elijah Olano for his excellent input into the work of the Board of Trustees and wish him well for the future.

The Board are very pleased with the response we received to our community survey and have found the feedback useful in our planning for our future strategic direction. We had a Saturday morning hui to draw up ideas for our goals for the next three years. This is a very important process as it sets the priorities for the school as we continue on our journey of 'Continuous Transformation for Student Success'. We are also still waiting for the final report from the recent Education Review Office (ERO) visit, and will be incorporating recommendations that they have into our strategic plans. So there is still some work to do on this Strategic Plan (Charter) before we can share it with our community early next year.

We were very pleased to hear from the Heads of Departments (HOD's) of the school over a series of two meetings. Each was able to update us on the progress being made by students and the areas of development they are working on, and to share their thoughts for next steps to keep improving learning outcomes for their students. We sincerely appreciate the efforts of all the staff at the school and particularly acknowledge these HOD's for the work they put into their presentations and the time involved. It is exciting for us as members of the Board of Trustees to see the growing collaboration and emphasis on the needs of each individual student.

We would also like to take this opportunity to thank Principal John Rohs and his senior leadership team of Paul Van Etten, Lisa Mortimer and Troy England for their work and commitment to the students and staff of this school. They are a team who work well together and who always have at the forefront of their thinking, the educational needs of our students, the well-being of all, and the desire to make this the best school for our community. We look forward to Kelly Peterson returning to the team after her year of upskilling in Te reo Maori.

This is the time of the year where we as members of the Board get to share in the celebration of student success with the various 'prize givings' - the Sports Awards, the senior Prizegiving, the Hotaka Piri Kura graduation, the Year 10 Te Tohu Rangatira graduation and prizegiving and Year 9 Prizegiving. It is such a privilege to attend these events and witness and participate in the joy and pride of our tamariki and whanau as students receive these well deserved awards and recognition for their efforts and achievement. These events are such great occasions of celebration and whanaungatanga, and a fitting close to the year. Our warmest congratulations go to all those students recognised at these events. And our best wishes go with all those who are leaving the school this year and we trust that you continue to find success in your future endeavours.

In closing for 2019 we would like to wish you all a happy and safe festive season. Enjoy this special family time together, and find opportunities to relax, refresh and reconnect.

## Year 8 Open Day - Thursday 28 November

## Year 8 Transition Day

This year, for the first time, as well as the regular Open Day for Year 8 students and their whānau and families which was held on Thursday 28 November, we also hosted Year 8 students for “An Introduction to High School”

This was an opportunity for students who will be coming to our school next year to experience what it is like to move around the school to different classes and teachers. For many of the students who come to us in Year 9, this is the first time they have done this, and it provided an opportunity for the students to gain confidence in the process before starting here next year.

Classes offered to the students were Food Technology, Maths, Science and English.

Approximately 115 Year 8 students took part in this event, providing more than half of 2020 Year 9 students a valuable insight in to what High School will look like next year.

## Papakura High School Charitable Trust

The Papakura High School Charitable Trust has been in existence for over two years now, with members Jo Clegg, Claire Fogarty and Michael Talbot (all of whom are ex-students of the school) and Rosalie Freeman (from the Board of Trustees). In September we held our second AGM and it was very pleasing to have the support of members of the Papakura Rotary Club and the Papakura Local Board who attended this event.

The purpose of the Trust is to further the education and welfare of students, through financial assistance, clothing, books, equipment, use of facilities, counselling, scholarships, outdoor education and other appropriate assistance.

To this end we have recently contributed, along with Papakura Rotary, to a student's attendance at the National Science and Technology Forum to be held in January 2020. We have also been happy to be the agent for scholarships provided by the Hugo Charitable Trust to two students for their future university studies. Congratulations to the students involved.

Earlier this year we were able to provide funding for sports tracksuits for the school and we would like to be able to add to this uniform pool. Do you own a business in Papakura or do you work for a business in Papakura who you think might be interested in sponsoring further tracksuits? The business logo would go on the back of the tracksuits, providing ongoing advertising for your/their generosity. Please contact us by email at [trustboard@phsalumni.school.nz](mailto:trustboard@phsalumni.school.nz) if you are interested in supporting us in this endeavour.

Further information about the Trust can be found on the school website [www.papakurahigh.school.nz/charitable-trust](http://www.papakurahigh.school.nz/charitable-trust).

# Ngāti Tamaoho

On Tuesday 22 October representatives of our school were invited to participate in the opening of the new headquarters of the Ngāti Tamaoho at Hingaia. Each school present was donated a tree. Theresa Kirkwood is seen here planting the Rewarewa in the vicinity of our school whare.

## Thanks to all our supporters

We would like to say a huge thank you to all those who support our school: The Hugo Charitable Trust; The Rotary Club of Papakura; The Rising Foundation; Kootuitui ki Papakura; The Trillian Trust; Tu Kotahi - the Key to Life Charitable Trust; The Graham Dingle Foundation and the Papakura High School Charitable Trust.
