Dear Parents / Caregivers

**Friday 16 October 2020  
Pink Shirt Day  
Gold Coin Donation**

A programme called Pink Shirt Day is being held on Friday 16 October 2020 to promote anti-bullying. In order to support this cause Papakura High School is allowing students to wear items of pink clothing to raise funds for this.

All money raised during the day will be donated to the Mental Health Foundation.

Students are asked to wear a pink shirt although they may wear something pink to support the programme on Friday. Alternatively, students will wear full school uniform. We look forward to your support.

Kind Regards

John Rohs
