Dear Parents / Caregivers

Auckland moving to Alert Level 2

As of Thursday 18th February we have moved into COVID-19 Alert Level 2. The huge volume of tests completed in the last few days has given confidence that if any further cases arise, they will likely be closely linked to these existing cases.

It has been a great effort from our school and wider community, health workers, scientists, and technicians and the thousands of people who have been tested across New Zealand.

We therefore look forward to welcoming all of you back onsite and want to reassure you that our school will be a safe place for students to attend.

Alert Level 2 still has some restrictions for our school with the main one being that children should not be breathing on or touching each other, as much as practicable. At all times, please continue to scan QR codes and monitor closely for illness within your whānau.

Our focus as always will be to support the learning, safety and wellbeing of our rangatahi and tamariki and we continue to be here to support you as well.

Please do not hesitate to contact your child's kaitohutohu or kaiārahi, if there is something you need assistance with.

Ngā mihi

Simon Craggs
Tumuaki / Principal
