Anti-harassment

In 2007, the school again trained a large number of Year 12 and Year 13 students who were keen to become Anti-Harassment Contacts. The group recognised that bullying could be a real issue to younger students at school and they wanted to make a difference towards making the school a safer and happier place. They also wanted to help to influence people to choose non-violent methods to solve their problems.

Training by an outside trainer took place in February. The trainer was a person with much experience with the Human Rights Commission. Students were made aware of the legal aspects of harassment and the ways in which they could help.

Students made themselves available for students to approach and wore their badges with pride. A Request for help Box was placed in the Student reception area so students could request help. Work was done with individuals, both students asking for help in dealing with harassment and with students who were harassing other students.

 First Row: Kate Neels, Simon Ah-Sam, Alison White, Lafo Tamali-Siau, Harahito Ikematsu, Jordon Buckwell, Sepi Mailata, Sara Olago

This group will be trained every year. It is the wish of the group that no student should feel alone if they are bullied. They want to ensure that students can always find another person to help.

Peer Support 2007

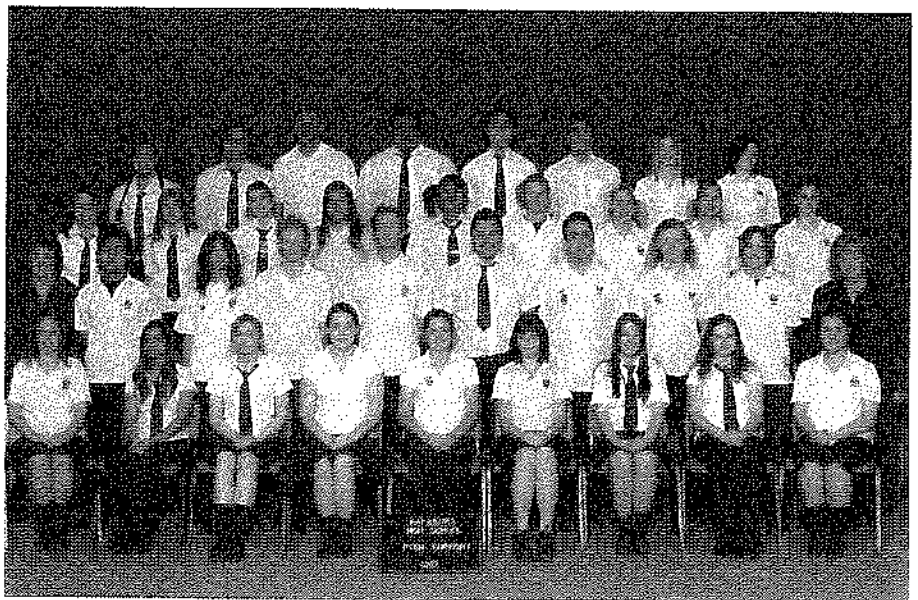

Training for the Peer Support Group was held at the end of 2006, after the Senior School had left. These students made the commitment to attend the training in their own time. They worked through the tasks set in the National Peer Support Manual.

On the first Year 9 day in February, this group of Year 13 students again came in a day early to work with their Year 9 Tutor Groups and Tutors. They spent an hour a week with their group, running the Peer Support Programme for the rest of Term 1.

For the rest of the year, they became "Buddies" for their Tutor Group and helpers for the Tutor.

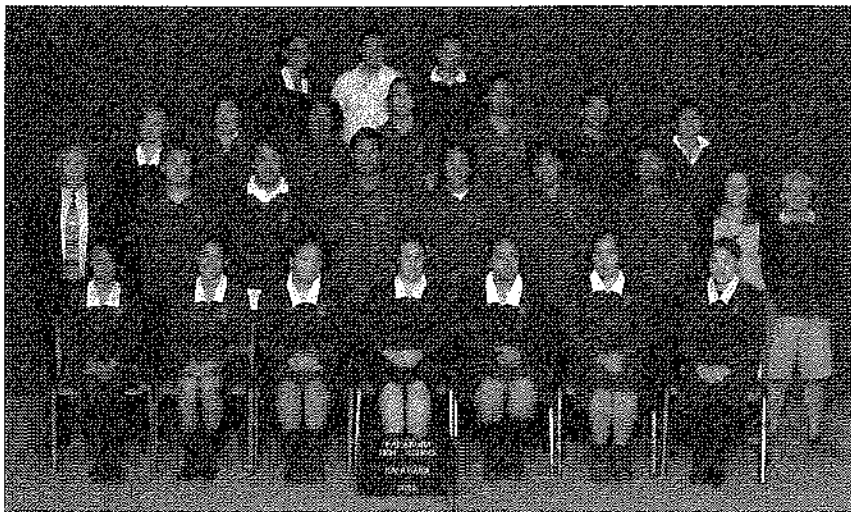

Their efforts and time were much appreciated by their Year 9 students and tutors.

Sports Academy 2007

This year saw more changes within the Sports Academy. The year began with the teamwork challenge with 9SA pitted against 10SA. A great day was had by all with many students working together for the first time and producing some good results. 10SA were the victors on the day for a second year running.

Later in the year there was a change to the Waharau camp where instead of going out for the day we made it into an overnight camp. This allowed the students to have more time on the ropes course and also gave them a unique opportunity to camp out at a great facility. It also allowed the junior students to observe the ropes course our senior PE class complete and gives them an idea of what is required of them when they get to Year 13. Again the students worked well together and had a lot of fun, and perhaps the hot pools being the most popular part of the camp.

In Term 3 we were lucky enough to have 4 members of the Counties Steelers rugby team Jame Maher, Simon Lemalu, Siale Piutau and Niva Ta'auso who came into school to chat to 10SA about what it is like to be a professional rugby player and the commitment that is needed to get there. It was an insightful lesson where the students were given the opportunity to ask questions to the players concerning their professional sporting career. Later in the term we also had Auckland, Blues and All Black Jerome Kaino, who was a past student of Papakura, come in to speak to both 9 and 10SA. Again sharing his path of how he achieved his personal goal of becoming a professional rugby player and ultimately becoming an All Black. The students had some great questions for Jerome and got a huge insight into what is expected of someone who wants to achieve their goals and how hard they have to train to do so. Also a valuable point they all raised was the importance of continuing in education for as long as possible as when their rugby career finishes or if they suffered a career

ending injury they need to have something to fall back on.

Also the students in both 9SA and 10SA have been active all year taking part in all the different sports the school provides. Many of the students have not only helped the teams in numbers but also raised the level of talent allowing more and more of our teams to be successful in their competitions.

This year was a great success and the Sports Academy is going from strength to strength. With more additions to the course over the next few years the Sports Academy will continue to be a sought after class to be part of at Papakura High School.

Badminton

The badminton year has been highly successful in 2007. The season consisted of six Papakura teams playing in the Counties Manukau League. The teams have shown that Papakura has in depth badminton talent. Other schools struggled to provide enough teams at the equivalent standard as us and all six teams ended up being the ones to beat in their respective pools. The players played every week in one singles game and one doubles game for terms 2 and 3. All showed excellent commitment to each other and the school.

Our A team ended the season as runners-up in the top grade and it was very tense watching them towards the season's end. They lost out on the top spot by only the narrowest of margins. After the final match of the season they were equal on games won with Rosehill but lost due to a lower points tally. Of note was captain Daniel Foster who was unbeaten all season which was a total of 26 games, some record. Also with an almost perfect season was Kieran Appleby. Kieran, last year's most improved player, has certainly made the step up into senior badminton with ease. Darcy Cook also made the leap into top flight badminton and showed he has plenty of talent and he improved all the way through the season winning plenty of games to support Daniel and Kieran. Promoted from the girls team, Renee Sharp was the final A team member. Renee seems to be able to turn her hand to any sport she plays and badminton seems to be just another one of her sporting talents. Well done Renee!

The A team also played in the Manukau zone day, a one off knock out tournament over one day. The team played a total of 3 matches eventually making it to the final and winning. Fitness was key and the boys dug in and played awesomely. Daniel in particular showed resilience in a 3 set thriller against the Rosehill number 1. In addition, Darcy Cook almost pulled off an upset against a rep player from Rosehill.

The B team played well but found maintaining a high placing in the league difficult due to being let down by a few individuals. Zeke Tipene and Jessie Lowe were committed right through the season

and were helped along by Todd Cossey. The team eventually finished outside the play offs which was unfortunate due to the teams talent. C team found themselves in the same grade as B team so were often playing against other teams that were ranked higher. However, Cullen Pegrum and Sam Hale proved to be highly motivated and committed training hard every Thursday and playing games even when they were not scheduled. Despite losing a couple of players, Sam and Cullen played on enjoying their games.

More success came with the D and F team. Both teams managed to win their respective grades. D team consisted of Amrit, Daman, Siddartha and Pranav. All players were committed and played with a desire to win every week. Despite spending far too much time doing their hair and trying to look good for the players of the opposite team (who were often the opposite sex), the boys did the business and had 100% winning record. Well done D team. Last but not least the F team were probably the most popular team. Kurt Bardsley and Tony Jacobson played along with the rest of the team in the D grade. The boys played with enthusiasm and were very competitive. It was difficult for them at times playing at Rosehill away from the intense atmosphere of the Badminton Hall.

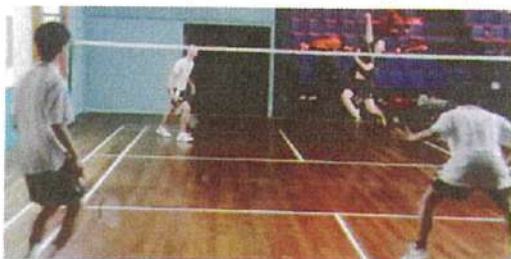

Renee, Daniel and Kieran also went on to play in the Auckland Championships

in Newmarket. The day started with drama at Renee's house in the Auckland traffic but luckily Mr Wood timed the drive to the centre perfectly with plenty of time for warming up on arrival. The day was a giant leap in standard but Kieran and Daniel held their own against the eventual winners but going out in the pool stages and Renee Sharp played against a finalist in her pool but finished just shy of the qualifying two.

Under 17 Boys Basketball: Counties Manukau Champions

Congratulations boys and thank you to all your parents. Thank you Mike and thank you Tim. I learnt a great deal about the game of Basketball and appreciate and respect all the work all of you have put in. Also, thank you Carlin for the entire organisation you did for this team.

This team was rife with talent that, with all due respect, far surpassed all the opposition. But, the team often played with much humility. And, when they were pushed, they displayed great composure to re-group and play the superior Basketball of which they were all capable.

The team was led by five senior students and supported by five keen juniors. It was a great mix. The older boys developed a mentoring role and the younger boys have gained invaluable experience to defend their title in the years to come.

Tyrone was a great captain, showing a very personable and mature personality, able to communicate to all the boys and carry out many managerial tasks. The team was led up front by the big beast Jason, scoring many physical, hard fought points. The high flyer Callum dazzled players and crowds; the trickster Corey confused defenders and the ever-faithful Dennis tidied up and finished faultlessly.

Thank you very much boys, I totally enjoyed getting to know you all and I wish you all the best for next year.

Senior Boys Cricket (1st XI)

This year, the glory days of winning the Counties Manukau Secondary School competition of 2005 were repeated, turning around last years rebuilding year of coming last for the Papakura High School Senior Boys Cricket team.

The season started in disappointing fashion with a heavy defeat to Manurewa High in the 1st round of the Gillette Cup Knockout competition. This was the wake-up call for the boys who needed to ensure they started playing to the best of their ability for the 8 a side 20/20 competition.

The side played superb cricket in the 20/20 competition winning 5 out of 6 games and the other match being a rain interrupted draw versus Rosehill College. Results included heavy victories over both James Cook teams and a hard fought win over Strathallan in gale force conditions. The season came down to a game vs. arch enemies Rosehill College which would have been the final and deciding match to see who was the crowned winner. This match became a non-event as Rosehill College were up in Whangarei for a rescheduled Gillette Cup match. This meant Papakura High won by default. This was a sad way to finish off the season, as all the boys were geared up for this match.

The side had a number of standout performers this year. Captain Vaughn Futter was in immaculate form with the bat this year, scoring a total of 221 runs. His captaincy also has developed over the last year, where he is an innovative captain. Chris Ashworth and Daniel Foster also contribute with the bat and both show potential as versatile all-round cricketers. Daniel was very useful as he could bat, take crucial wickets when bowling and was our team's first choice wicketkeeper. In the bowling department the De Vreede brothers (Jordan and Carne) and South African tearaway fast bowler Jason Smith were the chief destroyers. Jordan took 11 wickets and Jason took 7 wickets. Carne as a Year 9 student chipped in with valuable wickets at crucial times bowling much older opposition out.

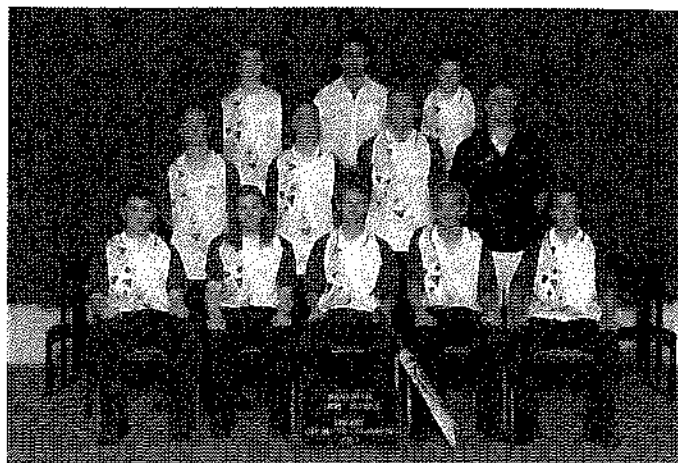

A special mention goes to Ben Laughton who has been identified as a potential Northern Districts representative player for his leg spin bowling.

The side would like to thank Mr. Braunton who helped out coaching the side while Mr. Crossan was away at the Secondary Schools Softball Nationals.

To all the players that are returning next year I hope you will all be back to defend our title. To the boys who are leaving school I wish you all the best for your cricketing futures.

Golf

For the second straight year, Papakura High School entered a golf team into the Auckland Secondary Schools Intercollegiate Teams competition. This competition was held at the Maungakiekie Golf Club on a beautiful sunny day in early May. Daniel Billot was the only returning member from last year's side, but one of the newcomers happened to be Year 13 student Gary Zank who is on a 5 handicap. These 2 were joined by Michael Latto. There should have been a 4th person but due to family commitments he was unavailable. This meant the 3 boys had to play their best as the competition was for the 3 best scores from each school.

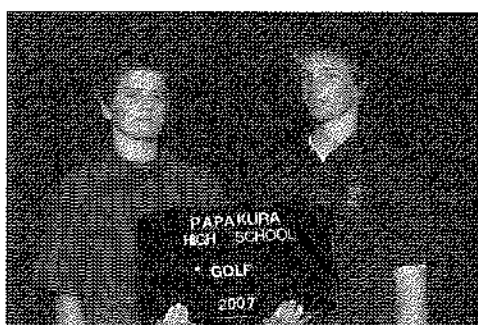

Papakura High ended the day coming 18th of out 25 schools. This is a good effort considering they were up against some of the more traditional golf schools such as Kings College, Auckland Grammar and Mt Albert Grammar.

The final scores were:

· Michael Latto 92 · Daniel Billot 87 · Gary Zank 75

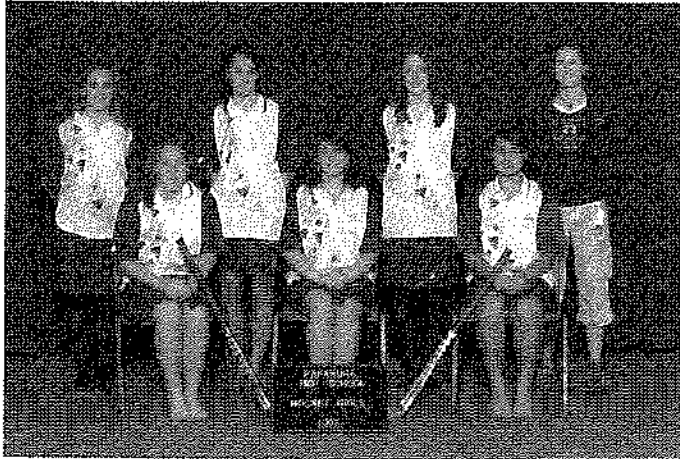

The highlight of the day was Gary's near hole in one effort where he hit the pin on a Par 3. We hope that Papakura High can continue to be in this tournament in the future, so any budding golfers should join a club and start practising.

Lawn Bowls 2007

This year saw a large increase in participants playing lawn bowls at Papakura High School. From only having 7 regular bowlers in 2006, in 2007 there have been 22 students who played in competitions. Most students started off playing the game just for "days off school" but a number enjoyed the game and continued playing.

The lawn bowls season started off with an introductory pairs tournament, with Papakura High School sending 10 pairs to that tournament. Most pairs performed well with the majority winning at least 2 of the 3 games they played. The Laughton brothers of Brad and Ben won their section.

Next up was the boys and girls singles competitions held in May. Once again Papakura High had a large amount of success. In the boys competition Corey Sanford and the Laughtons made the Counties Manukau Boys Singles Top 8, with the Laughtons making the semi-finals. Bradley Laughton ended up making the final and coming second after beating his brother Ben in the semi. The girls competition saw Kerri Duthie and Jasmine Moke make the Counties Manukau Girls Singles semi-finals. Jasmine went on to come second, losing in the final.

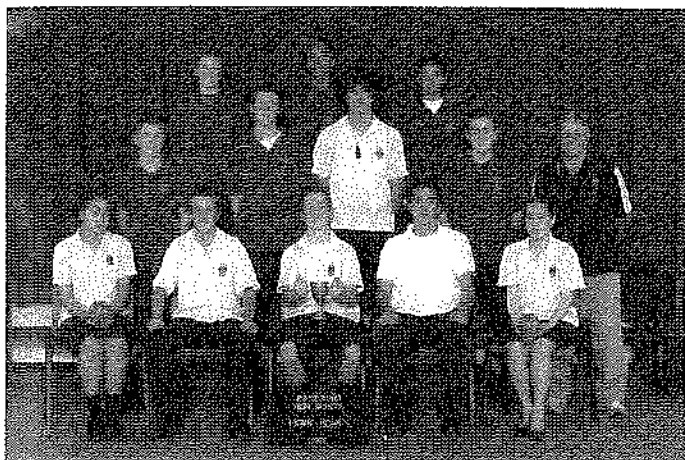

The Counties Manukau pairs competition was held in early August and saw 5 boys pairs perform extremely well. At least each pair won 1 out of their 1st 3 matches. Once it came to the knockout stages; Daniel Billot/Niall Okakpu, Corey Sanford/Eric Deverick and the Laughtons made the top 6. The Laughtons ended up making the final and going on to win the competition.

The Laughtons had 1 win and 2 draws at the Greater Auckland Champs, just missing out on the finals. However, they are still undefeated as a pair (must be brotherly love). Jasmine Moke qualified for the Auckland Champs but came up against more experienced bowlers; however she has

showed potential in this sport.

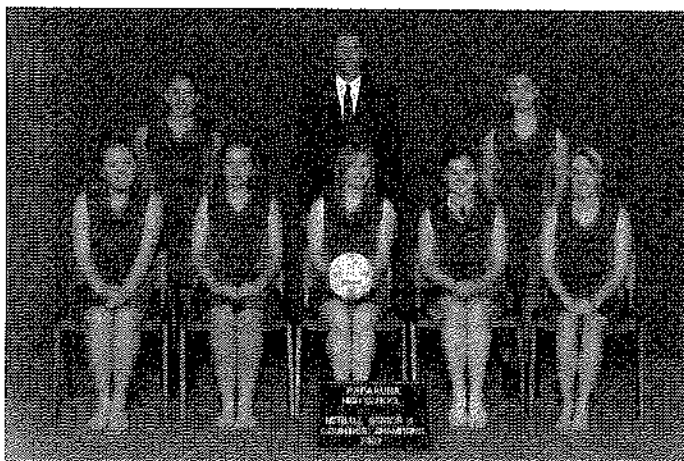

All of the school's bowlers would like to thank the hard work that secondary schools' bowls co-ordinator Graeme Doidge does in coaching the bowlers. Also thanks to the Papakura Bowling Club for allowing the students to use their greens for practices.

1st XV Boys

This year's team had a tough 2007 season at the start of the competition having to play the two powerhouse schools of Counties Manukau secondary school rugby Wesley College 1st XV and Manurewa High School 1st XV Rugby Academy back to back. After convincing losses to both teams, the players turned their focus on the remaining games. Players to stand out were Kirk Olsen, David Hughes, Kalolo Malaki, Sepi Mailata, Pesi Malaeimi and Bradley Pune for the forwards. John Tamalii led by example along with Joseph Hughes, Sam Smith, and Paini Leaaemanu all making valuable contributions. Unfortunately, we were not able to take the opportunities that came our way to secure several wins so ended up last in the competition for 2007. Overall a season the players would rather forget, but the good news is that several of the team are returning next year which gives us a foundation to build a solid team around. Thank you to Sam Thompson (head coach), Reece Napa (asst Coach) and Marcello Cecchi (team manager) who put a lot of time and effort into this season. The players really appreciated the commitment all three members have shown.

Alec Toe

1stXV Rugby

John Tamalii captained the side for the third year and outstanding performances by David Hughes and Kirk Olsen-Thompson's dedication and commitment gave us plenty of go-forward. Joseph Hughes, a very skillful, talented player did not produce his full potential, and struggled with injuries throughout the season.

Thanks to Reece Napa co-coach, Marcello Cecchi Manager,

Sponsors B.Boyce, Shove Electrical, Pizza Hut, Supa Print, and the Rugby Academy for supporting the Team.

Coach Sam Thompson.

1st 15 Rugby Team – Boys

The 1st 15 Rugby Team had a disappointing and often frustrating season. We lost all our games and found it quite hard to field a full 15 players, as a lot of the pre-season rugby players gave up along the way. Credit must be given to the core bunch of players, namely David, John, Joseph, Kirk, Paini, Leo, Sam and Sepi who attended all the practices and games and tried to their best of their ability. I was amazed at the coaches dedication, namely Sam and Reece who stuck with the team throughout the entire season. Their effort and commitment to Papakura rugby must be congratulated and they deserve recognition and praise in their efforts to motivate and keep the 1st 15 Rugby Team going.

A memorable moment for me was when they were playing Wesley college second team and lost by a close margin. I saw in them the fire of determination and courage and realised that every team needs support in order to compete at the highest level. I remember when they were issued with their new rugby tracksuits and how proud they looked. I recall the look on their faces when they had to face up to some of the bigger teams and how they never gave up and always took to the paddock with a slight smile and a sense of "maybe this time we can pull off a win". The highlight of the games were the feasts often sponsored by Sam's efforts and the behaviour and attitude reflected by the Papakura players was of an excellent standard. So we lost all of our games, but we competed to the best of our ability.

U15s Open Grade

As one of the new grades fielded by the school this year with all the players coming back into the secondary school competition from the Papakura Wasps junior club and Ardmore Marist junior club and several new boys to the school. This team was the best performing boy's grade losing twice to Wesley College, drawing once to James Cook and going down to the highly rated Manurewa High School rugby academy team 28-0 in the semi final who had accumulated 800 points for the season, so this was their lowest score to date. The outstanding players for the forwards were Te Hau Anderson, Rickard Takiari, Scott Booth, Hone Taare, Ben Phillips, Saan Tuoro (super boot), Matthew Manu and Seiloni Liavaa (captain). The backline showed what can happen when given plenty of ball, scoring some great tries, players to look out for next season are Blake Popata, Tipene Noble, Paul Emery, Vincent Tupou, Bradley Laughton, Casey Reardon, Chris Sinclair and Tui Tuisavali (Player of the year). Thank you to Alec Toe (coach), Jane Dunbar (asst coach), Lavinia Manoa and Jaclyn Lauaki (managers).

U14 Open Grade

Another new grade fielded by the school this year with all players coming from Papakura Wasp and Ardmore Marist and a group of first time players. This team showed plenty of promise early in the season with some excellent skills and commitment, with only 7 teams in the competition the season was a short one. There were several players that looked very good this year, Clark Olsen, Samuel Thompson, Jordon Moke, Trinitee Russell, Star Ah Leong, Kristopher

Smithson and Michael Latto. Overall this team has the potential to develop next year into a good team with the core group of players to build the foundation around. To the coaches Sam Thompson (head coach), Mita Tupaea (asst coach) and Beverley Matamua (manager) thank you for your contribution to this team. The players appreciate the time, effort and commitment you have put into helping them develop and grow as teammates and as individuals. Congratulations also to Clark Olsen and Kristopher Smithson for making the Counties Manukau U14s rep team for 2007.

U14 Open Rugby

Very slow start to the season but as the season progressed the team showed that it is capable of being competitive, which gives us a good foundation to develop for the future.

Captain Samuel Thompson led by example while Kris Smithson, Star Ah leong, Trinitee Russell and Pou Rongo created havoc to opposing back lines.

Forwards Jacob Mathews, Jordon Moke, Clark Olsen, Mathew Thorburn and Robert Waru's contributions were magnificent.

The Highlight of the season was beating Rosehill 27-5 and having the pleasure to give players like Jordan Tuauraki and opportunity to compete at this level.

Congratulations to Kris Smithson and Clark Olsen for making the CMRU U14 rep team and special thanks to Mita Tupaea co coach, Beverly Matamua manager,

Under 56 kg Restricted Rugby

In 2007 Restricted Grade Rugby was brought back to Papakura High School. An Under 56 kg Team was formed for the boys who were too light for any of the open grades. The season turned out to be a disappointment with the side having to withdraw from the competition with 3 games remaining in the season. This was due to a lack of commitment from a number of players not showing up to trainings and games.

The season started off as promising with an 80-0 win over Rosehill Blue. The side completely blew the opposition away in both the forwards and the backs. Arthur Potter managed to cross for 4 tries in that match. From that point the team unfortunately, went backwards vs. much more stronger opposition such as Pukekohe High, Waiuku College and Rosehill Black. Our team's lack of rugby experience started to show and we got exposed at times particularly on defence.

The team had some standout players. In the forwards, captain Rueben Anderson and flanker Dylan Shaw were always dynamic and worked hard to ensure there was clean ball for our backs. In the backs Wiremu Mehana and Daniel Billot were standouts with their ability to make line breaks with the ball in hand.

There was a keen group of players who will hopefully continue their rugby at Papakura High School and develop into more of a competitive team for next year. The side would like to thank Rob Potter, John and Kahu Anderson for their assistance in coaching throughout the year.

Girls Rugby 2007

This year's rugby season will probably only be remembered for one game, the final in which we lost to Manurewa by a single point. However, the 2007 season was a great success with the girls going unbeaten through the season until 'that game'.

The girls really progressed this year with a lot of the girls now in their senior years having gone from strength to strength. In the forwards Jarrah Tuoro lead by example as this year's team captain, a role she took seriously and was a true leader throughout the season and was ably helped by the rest of the pack. Stand out performances by our two props Paris Naden and Bene Tupou who both found their feet this year and made some barn storming runs making life difficult for the opposition. Between them Chantelle Enesa was another player who has developed into a great player. Her partnership with Jarrah in the line out meant that we won over 90% of our line out ball which in the past has been a lottery. In the back row Iriana Huriawai-Sasulu continued her good work as an impact player and was part of a very mobile trio with Briar Brown and Kelly Tupaea always looking for the ball and creating chances around the park.

Papakura has always been known for their back line and this year was no different. Jonsal Tautari was moved into half back this season, a position she made her own as she controlled the forwards and linked well with the back line. She was also a strong runner from the base of rucks and mauls which again gave the team go forward ball. At out half Roxette Mura returned after having broken her leg last year and aided the back line with good quick ball and good strong running. Billy-Jean Ale returned to Kura in 2007 and was again an explosive strong runner which resulted in her scoring countless tries throughout the season. She also linked well with her outside backs and was an invaluable member of the team. The baby backs of Lisa Rua and Terri-Anne Paea may not have a lot of size but they never backed out of tackles and even when hit in tackles that would leave others looking for the sideline they simply picked themselves up and got back into the game. At full back Karley Te Kawa had another great season running in tries from all round the park.

The team could not have been complete without the help and support of the following players who also took part this season and with their effort helped the team get to the final: Victoria

King, Sharmayne Kairau, Vaoleti Pesa, Iringa Paikea, Bonita Watarawi, Tangisi Nau and Jessie Maaka all of who have contributed positively to the team this year. I hope they continue to develop as players and become even more instrumental to the team's success next year.

Under 15, 9-A-Side Rugby League: Auckland Champions

Congratulations to all you boys and a big thank you to all your parents. On behalf of the team, thank you Alec, for supporting the boys in both codes and thank you Carlin, for adding the team to the sport's role. Also, thank you to Mr Foster and all the teachers who allowed us to leave a little early at times.

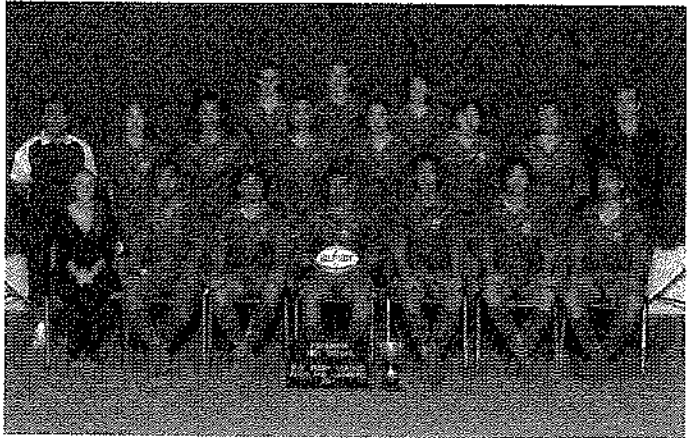

There was great talent within this team but, the winning factor, I believe, was the confidence they had in each other. From day one, they believed they were going to win. Every week that followed, their confidence grew. They were always confronted by bigger and more experienced players. They always stepped up. Their courage never wavering. They hit some bumps along the way but learnt from these, as good teams should, and took out the title: 2007 Auckland Champions.

Other than the Final at Ericson Stadium, the highlight of the year would be beating New Zealand's League heavyweights St Paul's college, twice. The second being a win-from-behind semi-final, played at St Paul's.

Special mention must go to; Tui for his leadership and display of determination; Seiloni for leading in defence and Dion for his experience shining through when it counted. Also, to Bobby Farrow, a real player for the future.

To all you boys, thank you very much for a great experience. Also thank you Mr Stirling, Mr Pomana and Ms Chrystie for helping out with the team.

Absent: Dion Stevens, Royce Frank, Mr Stirling (Coach)

This year may not be measured by winning the final; however, it can be seen as a huge success as we had no less than 6 players making the 2007 Counties squad, who beat all other regions to win their regional championships. The players were Chantelle Enesa, Iriana Huriwai Sasulu, Jarrah Tuoro, Jonsai Tautari, Billy-Jean Ale and Karley Te Kawa.

Some other players were unlucky not to make the squad but many will have more opportunities in years to come.

Finally, on a personal note I would like to thank this year's squad and all the girls in have coached over the years. This was my last year coaching the girls and I look forward to supporting the girls in years to come and see them go one better than they did this year. Also many thanks to Simon Mura who is also stepping down this year. He has been a great coach for the girls and has always got the best out of a very talented back line.

Good luck to those girls leaving us this year and I hope they continue to play rugby as they have shown they are more than capable of matching it against anyone else on a rugby field.

Junior Boys Soccer team

Papakura Jr. Boys displayed heart, skill, and determination throughout the 07 soccer season. Early in the season it was realized that many on the team had little to no soccer experience, but that worry would soon diminish. Our season opener ended up being a 13-0 victory that would give us a glimpse of the victories yet to come!

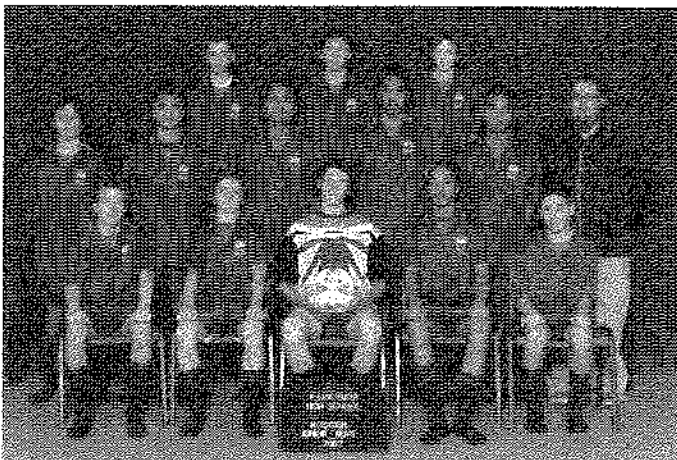

Regular season play went very well! We had some stand out players who were already active in club teams, but the multi-tasking rugby guys proved themselves on the soccer field. Overall we finished the regular season undefeated with a record of 6-0-1, scored 34 goals and only allowed 3 goals to be scored against us the entire season...something to be quite proud of!

Off to the Championship Grade! We would face some new teams in the championship round as well as some teams we had already played. Our first game got off to a rocky start and we ended up with our first ever loss as a team, we were defeated 1-0. Keeping our heads up high the championship grade did not go as planned, but we still had proven ourselves as a team. We placed third overall with a championship record of 3-3-1, scored 11 goals and only 4 scored against us (one of our losses was due to a forfeit that could not be rescheduled).

Looking over the season, 9-3-2 was our final record, we scored 45 goals, and only allowed 7 goals to be scored against us! What a season! Our mid-field and strikers (with the strong back bone from Daniel and Niall) did very well controlling the field and most of the time we were pressuring our opponents. Our defense was literally amazing! Consisting of five new to the game players...Arthur, Peter, Wiremu and Les were a brick wall that only a few ever passed and Saan stood strong in the goal with some marvellous saves!

Proving themselves and playing wonderfully as a team- Papakura Jr. Boys had an amazing season! Way to go guys!

Junior Girls Soccer

It's been an interesting year for the Junior Girls soccer team which promised much after an encouraging beginning.

The season began early with a large number of players attending training sessions. With three weeks to go before the first game, the girls were enthusiastic and committed to improving their skills. Word soon got out about this team and several new girls signed on.

Early season preparation paved the way for three straight victories over Macleans, Edgewater College and Manurewa High. The game at Macleans was played in torrential rain but no one complained and the team came away with a 5-0 victory. Already it was clear to see that the team boasted several diamonds: Grace Kingi was solid in midfield; Ashleigh Lockwood could play in a variety of positions and Amy Jacobson was scoring goals for fun in attack. Zachiyah Ali led the team with responsibility and endeavour.

With only four other teams in the league, hopes were high for a fourth straight victory over Otahuhu College. However, Otahuhu were also undefeated after four games and had scored plenty of goals.

Otahuhu played on a pitch with the sort of slope you might find on a ski field. It was against this slope that the girls had to defend in the first half. To make it worse, a ghastly gale blew into their faces ruining several hairdos in the process. Bad hair days all-round resulted in a crucial loss of concentration and before they knew it, the girls were 3-0 down. They finished the first half on a high with sustained pressure on the Otahuhu goal but couldn't find a way through.

With the elements now in their favour, Papakura set about scoring a few goals themselves. Amy Jacobson scored from close range and Otahuhu had a real fight on their hands. Otahuhu managed another goal before Sharn Pune made it 4-2. Chasing another goal, Otahuhu made it 5-2 at the death with the first half goals proving the difference.

The turning point of the season came with news that Amy had injured herself and would be forced to miss the rest of the season. A 4-0 victory over Macleans kept the girls second in the league but then the goals started to dry up. In fact they failed to score in their final three matches.

A disappointing 0-0 draw then followed at home to the ten girls of Edgewater College and a disappointing loss at home to Manurewa High by a single goal, meant that the girls were out of the championship reckoning.

The final game at Otahuhu proved meaningless and Papakura were comfortably outplayed. Otahuhu proved to be worthy winners and would give most A grade sides a run for their money.

So a season full of promise and development. My hope is that the girls continue to have FUN playing soccer because that is what all sport is about. Certainly I have enjoyed coaching the girls and visiting the various fish and chip shops around Manukau. To you all have a wonderful summer holiday and see you in the New Year!

Ki ora. Mr Braunton.

James Cook were crowned champions the following week and a third/fourth playoff in friendly spirits was enacted in Tuakau and our final position of third was confirmed.

Congratulations to all the players and except for Sarah we will be able to field an unchanged squad for next year. Good luck!

Senior Girls Soccer

What a season the Senior Girls have had. Captain Sarah "the stalwart" Fuller led by example, a seasoned campaigner for Papakura (5 years of dedication to the cause) her usual grit and hard work in midfield will be missed next year.

After forfeiting our first game to Pukekohe, we managed to score 25 goals in our next four games, with comfortable wins over two Waiuku teams, Tuakau and Onewhero, the 4-4-2 system impenetrable with standout defending from Chelsea Bliton. This enabled Melissa the goal machine Moaho free rein to run rings around other teams defenders and bag a hat-trick along with Candice Penny against Waiku.

Our next game, with a thump, James Cook brought us back down to earth. A fine performance from the visitors and a momentary defensive lapse saw JC steal a win from under our noses, top the table and force the girls to go to Pukekohe in need of a win to guarantee a place in the semis.

The strength of a team or individual is evident when things don't go well, so the crucial away fixture in the onion capital tested the resolve of the team almost instantly. Behind to a sloppy goal no more than five minutes into the fixture, a slope and poor weather to contend with, how would the girls respond? Back to the wall determination showed character and our superior skill level eventually told. Two goals from the green machine and we were of to the semis, a proud coach and a jubilant team headed north on SH22 that afternoon. No tears for us.

Our heroics gained a return fixture in semi final two, back off to Pukekohe, one win from the final. Again a sloppy start and Papakura are a goal behind, this time only two minutes into the game. We dug in and seemed to almost camp down in the opposition half, cross bars hit, goal mouth scrambles, kicks off the line, a penalty appeal, I ran out of fingers counting the corners in our favour and still no equaliser.

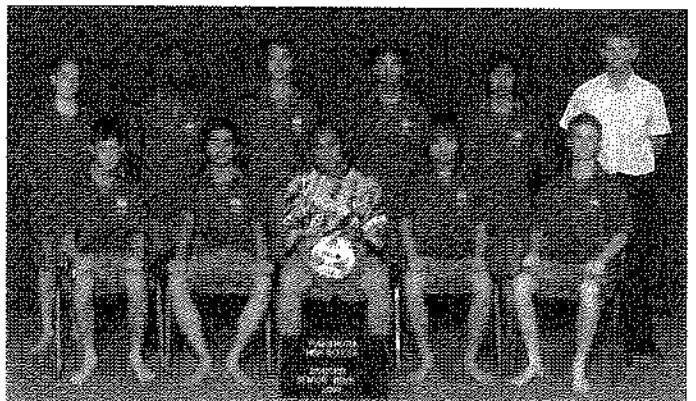

This time the onions had their desired effect and the season came to an end.

1st XI Boys Soccer

A tough year for the team with mainly younger less experienced players and yet still placed in the top grade. The competition was won by Rosehill but Papakura played their best football against them with veteran Kelvin Prasad scoring the best goal of his career. Chris Ashworth proved to be an excellent captain, leading by example not only in sportsmanship but also in skill. Noon Piangklang as goalkeeper gained in confidence and ability as the season progressed as did Henry Mukupe (defender) and Jack Kliangklaio (midfielder attacker). The boys are to be commended for their enthusiasm and good sportsmanship throughout the season.

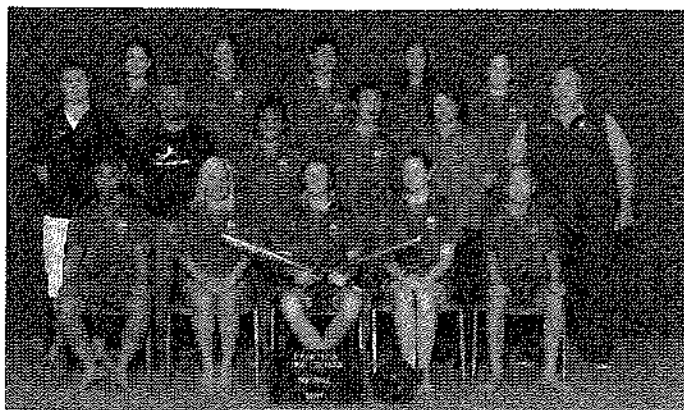

Top goalscorer this season was Jack Kliangklaio.

Swimming

This year Papakura High School had 3 swimmers representing the school at the Counties Manukau Secondary Schools Zone swimming champs.. This was a big improvement in comparison with one student in 2006. They were 2 year 9 students: Freja Nielsen and Amy-Lee Gallagher joined by a year 13 student Kirk Olsen.

All these swimmers were relative beginners compared to the more accomplished swimmers from schools such as Strathallan, St Kents and Macleans College. This meant that getting good results would be tough. The 3 tried their best and gained the following results:

- Freja Nielsen: 12th Junior Girls Backstroke and 20th Junior Girls Freestyle
- Amy-Lee Gallagher: 22nd Junior Girls Breaststroke
- Kirk Olsen: 11th Senior Boys Freestyle

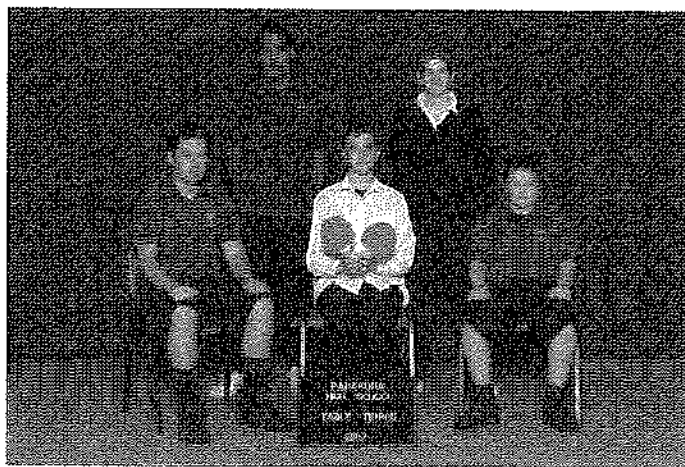

A big thank you goes to Daniel Wall of Year 13, who helped out as an official on the day. Carlin Crossan

Table Tennis

What a successful second competitive year the table tennis team has had! Term 2 saw three teams entered into the tournament with a few new players. After a shaky start the teams were finalised and the games began! After playing the round robin games, Papakura 2 found themselves in the final against Strathallan. Papakura 4 were in the play-off for third or fourth position. After much team work and encouragement amongst the players, both of our teams won their matches, placing us first and third in the C Grade. Then began the singles knockout tournament..... since two of our players had the best unbeaten record in the term, we were anxious that they would meet each other in the final.....and they did. Papakura High finalists Tiwana Tautuhi and Carne De Vreede faced each other nervously in the final. The game was relatively relaxed and after the five games, Tiwana took home the title.

In Term 3 we entered one team of four players. With titles under our belt we went in rather relaxed. At the end of the round robin we were in first position after a tight game against a Papatoetoe team. Then came the final play off. We ended with the same number of points but Papatoetoe beat us on games won. We walked away in second place. The singles tournament is always something the players look forward to but with Carne De Vreede missing on the night we had two players to enter. In the second round they had to face each other.....it was then that Jesse Lowe was knocked out by Tiwana. This left us with Tiwana progressing alone....into the final against a player from Alfriston. Doing us proud again, Tiwana won the match in five games, retaining his singles title for 2007 season. Awesome commitment from Jesse Lowe has shown in his tremendous improvement over the past year. Well done to all the players and I hope that we continue in our success next year.

Senior Girls Touch Team

(5 times National Champs)

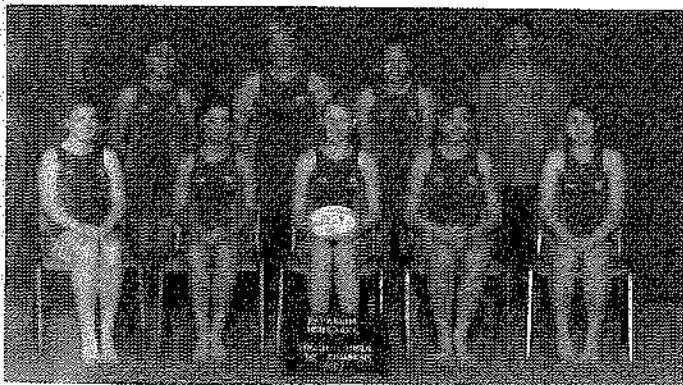

The Papakura High School Senior Girls Touch team has carried on their dominance in the sport at local, regional and national level. The majority of the girls who helped win the national title for the 5th consecutive year in North Harbour last December returned in 2007.

The local Counties competition proved no competition for the girls and they won the competition without breaking a sweat. This meant they qualified for the Auckland Regional Qualifying Tournament. They won this competition after beating Auckland Girls Grammar 5-2. The side will now be going for their 6th consecutive national title in Palmerston North in December.

Congratulations go to Melissa Buchanan and Riane Barton who represented the New Zealand under 19 Girls team in Australia in October. "WELL DONE GIRLS"

All the best for Nationals girls.

Mixed Touch Team

Hi, just to let you know that I am the Manager of the above team and Graham Rogers is the Coach. Last year was our 2nd year competing at the New Zealand Secondary School Touch Nationals and we came Runners Up in 2005. We came back and won it in 2006 in the Mixed Division. This was televised on SKY Television and was regarded as the best final played. Jono Ale was named Valuable Male Mixed Player of the Tournament. Billy Jean Ale, Jordon Rogers-Rhind, Roxette Mura, Tyson Andrews, Jono Ale were also selected for the Tournament Squad which is to get together at the Touch New Zealand Academy Camp to be held in September 22 to 26 in Rotorua. From this camp they will look at players for selection into the Youth World Cup 2009 which is going to be held at the Bruce Pulman Sports

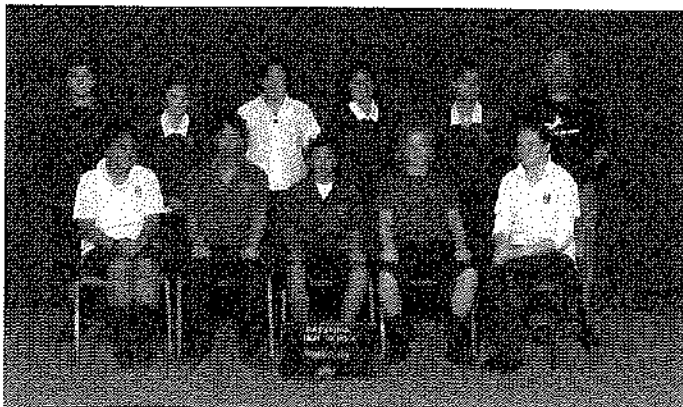

Complex in Papakura. Other players in the team were Michael Underhill, Dion Stevens, Digger Paea, Daniel Wall, La Toya Roberts and Tiana Rogers-Rhind. The team also won the Regional Tournament in March 2007 to qualify for the Nationals again this year from 7 to 9 December which is being held in Palmerston North. The team did an awesome job and we are very proud of them. To follow on from this Graham Rogers went on to be selected as the Asst. Coach for the New Zealand Under 21 Youth Mixed to compete at the World Cup 2009 and Jordon Rogers-Rhind was named Valuable Female Mixed Player at the New Zealand Open Touch Nationals that were held in North Harbour in March 2007. SO THERE ARE SOME VERY TALENTED KIDS IN THIS TEAM THAT ARE GOING TO GO ON TO BETTER THINGS. THANKS TO EVERYONE WHO SUPPORTED THEM AND WE LOOK FORWARD TO THEIR SUPPORT AGAIN THIS YEAR TO DEFEND OUR TITLE!!!!!!!!!!!!!!!!!!!!

House Reports

Bledisloe House

First of all a big thank you to everyone involved in Bledisloe house. Our results for the overall house points competition may not have been as successful as last year's, but let's face it, Freyberg needed a turn at winning anyway! (It's been a while.)

Athletics:

As usual, Bledisloe house arrived loud and proud. We may not have won the competition, but our house spirit and enjoyment of the day was great. Our senior students all put in 110%, and our junior students were a little shy at first, but were right in there doing their thing by the end of the day. It was great to see all of the enthusiasm from potential house captains for future years.

Thanks to all of the participants and teachers for representing Bledisloe and for making it a very enjoyable day!

Sharn Trophy:

Sharn trophy was another enjoyable sports day. It made me proud to be leading a house full of people that were there to represent our name and colours. Special thanks to Uaine and Leo for holding our banner high, and of course, thank you to the penguin. Once again, we did not win the competition, but we didn't let that get us down and we kept on playing and supporting. It was awesome to see everyone getting involved in something that they enjoyed whether it be their favourite sport or using their brains for the quizzes and board games.

Thanks again to all of the participants and teachers in Bledisloe for this fantastic day!

Emma Thorburn and Casey Rook
(House Captains 2007)

Cobham House

Athletics:

It was a great day for Cobham, even though we came in third place we still had a good time. With intense participation to begin with we were actually leading at one point but

unfortunately we didn't pull it off in the end. It was a great turn out and it was awesome to see most of our house wearing red, representing Cobham. We had great team spirit throughout the whole day, yelling and cheering on not only Cobham but the other houses as well. Thanks to everybody that took part in this fun-filled day and hopefully next year Cobham can win it!'

Sharn Trophy:

This was yet another great day for Cobham; coming third for this as well, we still had a good time. Our strongest sport was netball and with Freyberg as our only competition it was good to win it over-all, especially after drawing with them the whole day. So taking the netball out was definitely the highlight of the day. It was good to see such good participation, even for the people who had never played before. Thanks to everyone that made this day fun and a special thanks to the PE teachers that organised it for us!

Fergusson House

Athletics

The start of the year was extremely hot as we prepared for the Athletics Day.

Fergusson house students this year went all out finding something yellow to wear.

As we approached the tracks there was excitement in the air as the Fergusson house team started their chant on the way to the grand stand.

House leaders worked tirelessly encouraging students to participate in as many events as possible. Although we weren't the winners of the day we sure had fun.

Arts Week

A lot of the Fergusson house students were able to showcase their talents in one way or another. We have singers, dancers and don't forget the artists who created our banner. But best performance through the week was from our Krumpers who took out the challenge. Now that was awesome!!!!.

Sharn Trophy

This was another cool event with Fergusson teams running in at 2nd place in a number of the sports. The senior students encouraging the juniors to play hard and play fair.

Over all the day was exciting and very colourful with all houses being represented.

As it is my last year here at Papakura High School it was with great pleasure that I served my house as their leader. I will not forget my time as an honourable member of Fergusson House through all of my days here at PHS. So to all you future Fergusson House students, Go Hard give of your best but above all enjoy every moment.

House Leaders : Missy Buchanan and Rob McLaren

Freyberg House

Sharn Trophy

4 houses attempted to record a crushing victory over their rivals. But as in all competitions, there can be only one winner.

The four competitions for the day were Touch, Soccer, Volleyball and Netball.

A huge turnout from all year groups and some hotly contested games ensued.

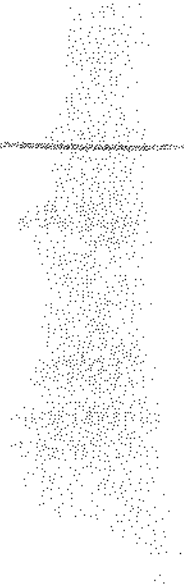

Convincing winners were of course the mighty Freyberg, who consistently racked up the points in all 4 areas. A credit to fair play and dedication to the cause; the Blue Salamander walked over the opposition and a well deserved victor was named at 3.15.

Athletics

We won we won! Yeah! We got 1300 points but it was tough. It was a remarkable turnout and a fabulous day for competing and winning against the other furious houses. There were of course, some highs and lows but at the end of the day we were the winners. And this is what matters most, doesn't it?
