

## COLENZO SOCIETY 1994

Being our first year without the guiding hand of Mr. Robinson, the Colenso Society this year got off to a slow start. Start it did, though through the efforts of Mrs. Garthwaite with a social trip to Muriwai Heads to see the Gannets and get to know new members. Mr. Robinson's bus driving skills were sorely missed (!) but Ms. George lived up to the Colenso tradition and the day was enjoyed by all.

The Colenso dinner held in term two also attended by past members, Mr. Robinson and a guest speaker from the Royal Forest and Bird Society made for an entertaining and informative evening. The meal catered by the 7th form Food Technology class topped off the occasion. Thanks go to Mrs. Smith for organising this.

The most successful field trip to date would have to be the weekend trip to Tiritiri Matangi Open Sanctuary in the Hauraki Gulf. Those who ruffed it out were rewarded by seeing rare wildlife and knowing they had contributed to the amount of flax bushes providing food and shelter for the birds.

Our greatly anticipated annual trip to Goat Island Marina Reserve at the beginning of April disappointingly had to be postponed due to appalling weather conditions. This was instead held in October and it was a great finish to the year.

This has been a year of change for Colenso and all in all, a very successful one. We wish Colenso all the best in the future. Our special thanks go to Mrs. Garthwaite and Ms. George for their on-going support and encouragement. Thanks also to all others who have helped this year.

# NETBALL'S BIG SEASON

Netball made a big comeback this year, with our school entering six teams in the Secondary schools mid week competition at Browns Road.

We had two Senior, Intermediate, and Junior teams which all held some very skilled and energetic players.

Tabitha Beaumont (nee Lees) accepted the job of coaching the two senior teams at the beginning of the season. Throughout the year she not only taught the skills of the game, but also became a friend to all the girls. The senior teams contained players with natural talent who had some excellent skills, and hopefully next year both teams will have a solid base of committed players, including the up and coming junior teams. In the game of netball there is always going to be injuries, and special credit has to be given to the players who fill in these positions in a moments notice. The girls in the Junior and Intermediate teams filled in whenever they were needed, and not only helped the team out, but gained valuable experience by playing with the senior players. Both the Open A and Senior A teams finished third in their grades. Koren Pickard was awarded the senior Fairplay Award for this school and Open A M.V.P, with Missy Rangiaho getting the Senior A M.V.P.

The Intermediate teams were supportive of each other and both teams by the end of the season really started to gel together and play some great netball. Trish Collett, as coach, helped these teams along the way with Jan Bishop as the manageress. The Intermediate A team had some very talented and dedicated players, and finished 4th in their grade. The Intermediate B team stayed together through thick and thin and even drew in more players as the season progressed until they had

about 10 regular players each Wednesday. Marilyn Mangu, captain of the Intermediate B, was given the junior Fairplay Award for this school.

Throughout the season our two junior teams remained committed to their two trainings a week, and Wednesday afternoon games. They produced some excellent netball, not only in the mid-week competition, but also in the three tournaments they entered in. The Coach and Manager of the side, Veronica Bree, said they were a pleasure to watch each Wednesday. Both teams tried very hard and as the season progressed skills developed and their team play improved. Both junior teams finished fourth in their respective grades.

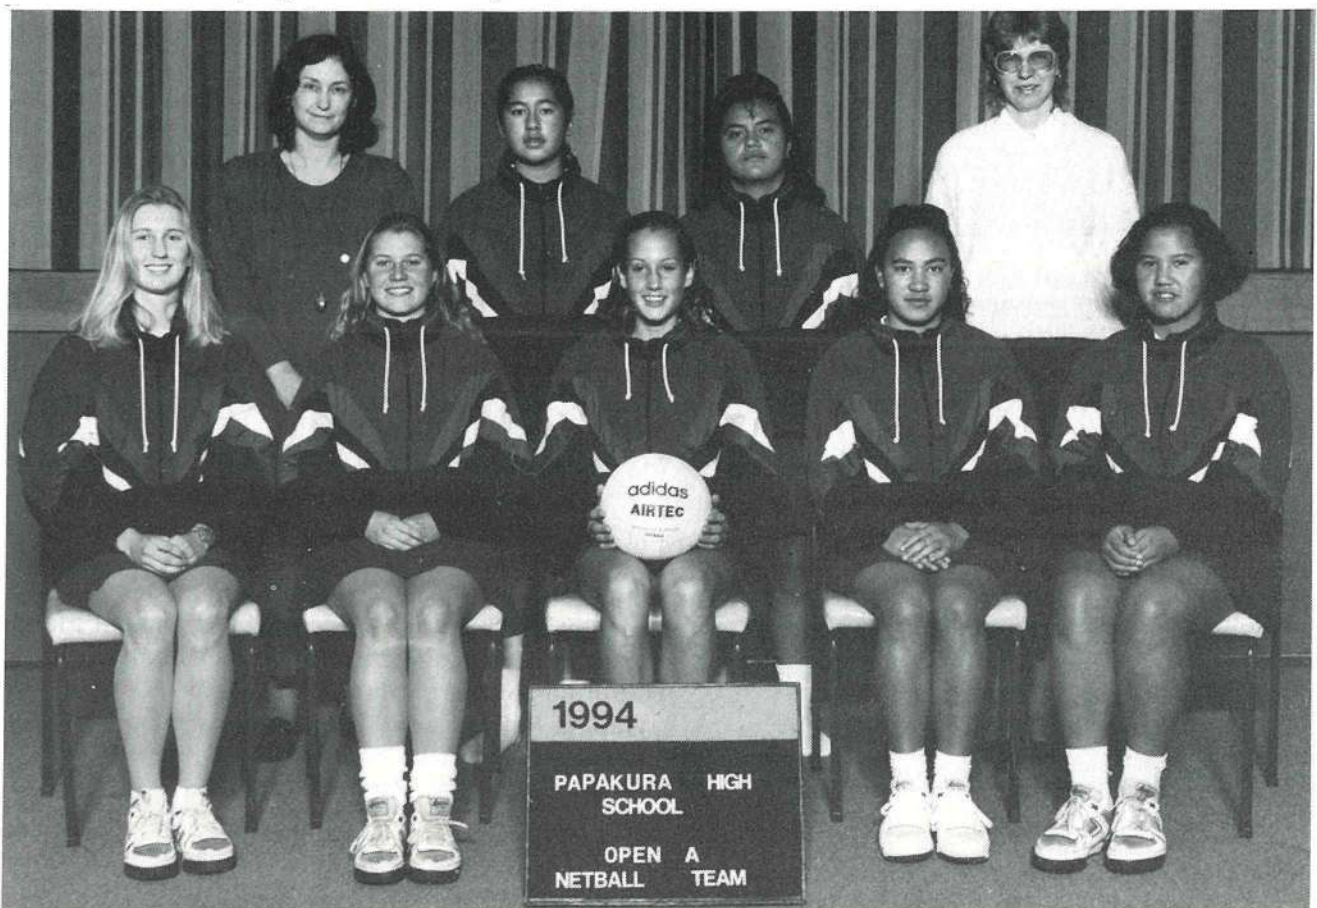

Our school entered five tournaments throughout the year, and enabled our teams to play some of the best netball sides in Auckland. This built up a good team image and provided the girls with a look at a wider range of netball skills. At all times our students were well behaved and displayed good sportsmanship both on and off the court.

This year we were very fortunate to have three excellent, qualified umpires who helped out each Wednesday and at the tournaments. We also had three student umpires who assisted each Wednesday afternoon.

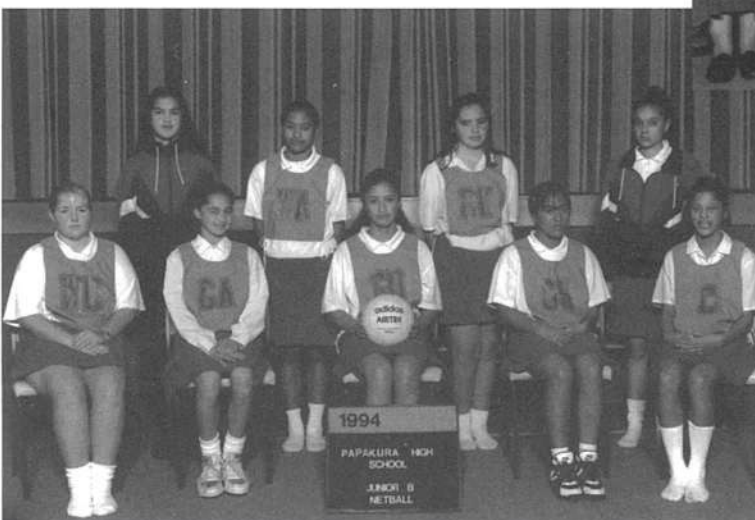

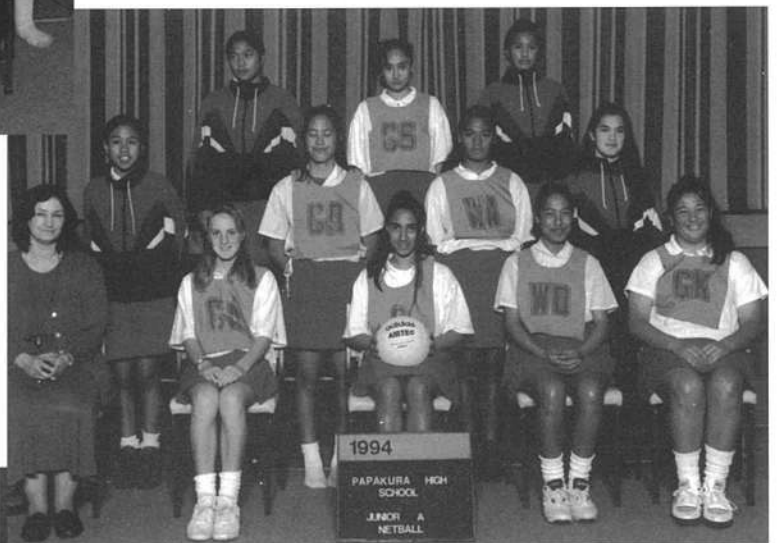

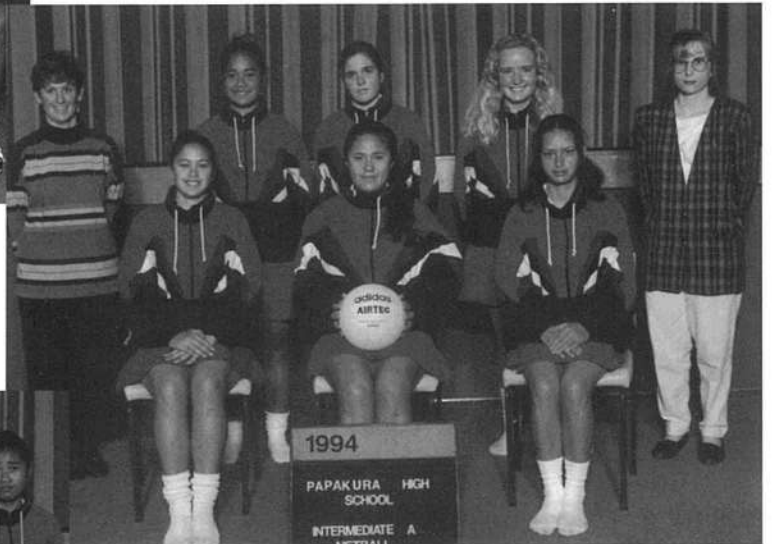

So now the school has established a good base for next years netball season, and hopefully we can improve on the number of teams entered in the mid-week competition.

Overall this years netball season went really well. Thanks to all staff members who helped out, coaching and managing the sides. Also thanks to all the students who participated and made the netball season a great one.

## SQUASH TEAMS

The 1994 squash season started off in a very interesting way with the Papakura High School team unfortunately battled out of a mixed touch/squash tournament at the Papatoetoe recreation center. However both the boys and girls became keener to play interclub for the interschool competition

The school entered three teams in the interschool competition made up of a Senior Boys Team, Junior Boys Team and a Mixed Level Girls Team. Results were mixed with both boys teams having to default some games due to illness, while the girls played extremely well winning the Southern Zone Competition

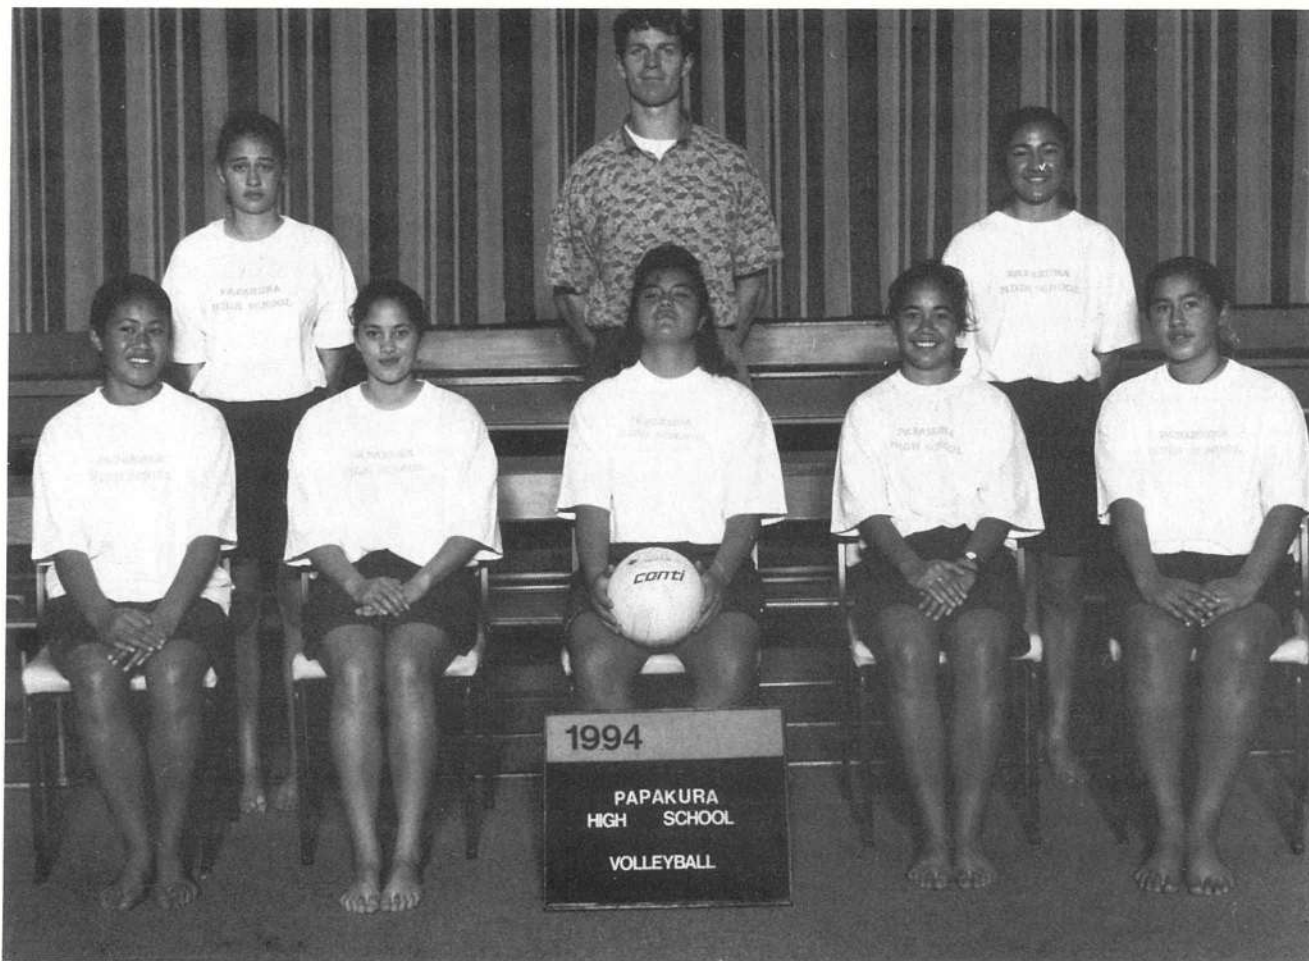

School Championships were held at the end of term 2 with Nikki Cunningham retaining her girls championship and Deanna Cossey runner up. The boys championship was very close with a battle closely won by Ben Burney over Thomas Troy, while the junior boys champion was won by Michael Johnson with Carl Burtendyke runner up

Thanks must go out to Haley Campell, Deanna Cossey, Ben Burney and Lawrence Proffit for their organisational skills

*Miss Mien.*

## VOLLEY BALL REPORT

Term one saw both Senior girls and boys teams entered into the Counties competition held at Franklin Rec Centre on Thursday nights.

The boys showed a lot of promise, many having been in a strong Junior team the year before. Sadly however, commitment was lacking and half way the competition a number of boys pulled out due to pre-season rugby training. A very disappointed coach had to withdraw the team from the competition.

The girls team, although less skilled, were more enthusiastic and committed and ended the season in 4th place after the final pally offs.

Wendy Siakisini and Suzanne Alatupe showed good skills that developed after three seasons of involvement in this sport. Charlotte Martin was the outstanding new player and Natasha Cairns emphasized her allround ability with strong performances when available.

*Mr T. Van der Lan.*

## Basketball Senior A

The Senior A team started the season strongly and looked like they were going to be very competitive. However as the season progressed a lack of commitment to training and team scrimmages, meant that the team were not able to perform to their optimum level.

## Basketball Junior Boys

The popularity of Basketball is very evident as the trials for the Junior A team attracted 40 boys. This number was very encouraging and I hope this trend continues. However the Junior A only required 14 players and after 4 different trials a strong team was assembled. This team started with a bang and it was immediately apparent that we had a chance of winning the southern zone.

Some good wins and a couple of overtime wins put us into the semi-finals but unfortunately we were unable to convert this opportunity. At the completion of the season our final placing was 3rd overall.

Excellent performances were given by Timoti Reihana (Capt.) Kaino Kaino, Nick Taylor and Carl Siakisini.

*Mr Fisher*

Honourable mentions must go to there team captain Mauuga Tuilaepa as well as the small group of dedicated players who tried their hardest no matter what the odds. A special group mention also of Ben Huh who unfortunately was injured before the season even began but still came to almost every game and helped the score bench.

*Mr. Fisher*

## 1994 Dragon boat

After the 1993 tragic second placing to Rutherford High School it was once again time to bring out the secret forces of Papakura High. With only a few changes made to the team, that touch of Kura power still remained.

Under the same guidance of Wayne "I've never been in a capsized boat" Rangihuna, Papakura high's 1994 Dragon boat team set out on their revenge.

Using our special force tactics we didn't train on Lake Pupuke with the other commoners but had our own special pad at Westhaven (yuppie) rowing club.

Our first taste of competition came at Oraki Basin where we were known by all as "Birdcage juniors". Only one thing can be said for that day and that is "at least we didn't fall in" aye Hunes.

As the great day arrived, hearts beat faster and finally minds started to focus. Word had it that three schools were in the running for the top title (Papakura High, Northcote Nitwits and Kawerau Koons). The first two races were won by our team and yes, Northcote and Kawerau were joining us.

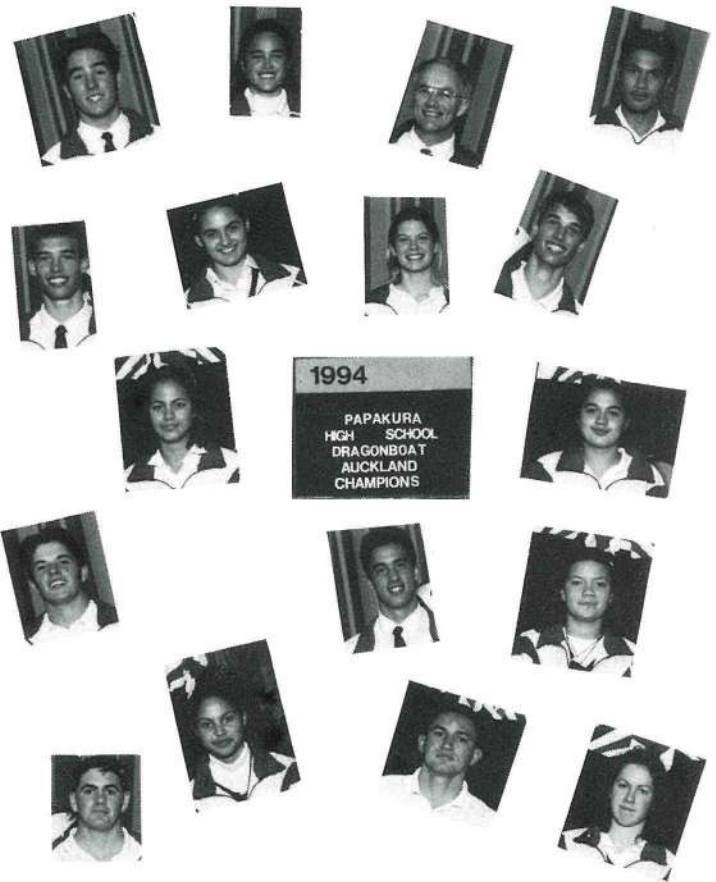

As the finals drew near the team that had grown together as a family had their last team talk. Messages of luck and encouragement were passed on as we slowly marched off into no mans land.

Nobody can know the thoughts and feelings of that final race except those who paddled it. With only metres left it was three schools fighting it out. Edging away from Northcote only Kawerau stood in our way of victory. With one stroke in it Kawerau passed the line first.

A flush of sadness and anger swept through the Papakura boat. People silently wept inside as Kawerau took their victory lap. All was not lost though as the depressed Papakura team lifted their spirits by jumping in the (polluted) viaduct.

A special thanks to Hunes for putting up with us for another year and also not forgetting about our taxi man, Mr. Ross.

To the 1995 Dragon boat team, keep the faith and determination going and bring back the gold next year.

## ORIENTEERING TEAM 1994

On a cold, wet, wintery Tuesday in the middle of June, the 21st to be precise, 8 seventh form girls and 3 guys represented our school at the Auckland Secondary School Orienteering Championships in the Woodhill Forest.

Mr Wilson drove with the same level of expertise that we displayed whilst orienteering.

Shane Hindman, Thomas Troy (Bushman Pat) thought they were so awesome having finished before the rest of the group but later learned they'd missed one control out and consequently were disqualified. Andrea Cummerfield and Beth Woodroffe were the leaders for the girls but ran through the finish line the wrong way. Next were Shane Johnston and Isabel Holmes, the happy couple, grass stained and exhausted, then came the only 2 P.H.S. representatives, Shona Arnet and Helen Kerr, who actually finished, a phenomenal 80 minutes behind the winner. Sarah Perrott, the inexperienced one, who lost her map, cruised in next.

Bringing up the rear were the group photographers, Debbie Brewerton and Lisa Young, who didn't feel so bad as there was ONE competitor after them still trying to find the finish line.

The team of '94' hopes that next years team competes with the same level of enthusiasm, dedication, devotion, motivation, and single-minded drive to win.

# TENNIS

1994 saw an extremely successful year for the sport of tennis throughout Papakura High School. The season kicked off with the School Championships which were played over several days with over eighty entrants. The final results were: Senior Boys Champ - Dean Molander, Intermediate Boys Champ - Michael Ross, Junior Boys Champ - Michael Boston, Senior Girls Champ - Natasha Cairns, Intermediate Girls Champ Catherine Parnell, Junior Girls Champ Haley Arnet.

The school champs were followed by the Manukau Tennis Championships which held 22 representatives from Papakura High School and provided some brilliant results. Dean Molander won the Senior Boys Singles Champs, Natasha Cairns was runner up in the Senior Girls Singles Champs and Lebron Tetai and Tanya Mokoraka won the Intermediate Girls Doubles Plate.

The success continued into the Champion of Champions which is a big Auckland competition for top players in the greater Auckland schools. Many students in this comp are nationally ranked and we can be very proud of the efforts from our students at this level. 11 of our players competed and all of them played very well with Natasha Cairns getting to the semi - finals of the Senior Girls Singles, Catering Panel getting to the quarter finals of the Intermediate Girls Singles and Dean Molander making the quarter finals of the Senior Boys Singles.

An interschool competition was also held on Saturday mornings with a good number of 6 teams entered from Papakura High School.

Junior girls coached by Mr Boston/Miss Bishop, captained by Renee Davis/Kelly Robertson. Intermediate girls 1 coached by Miss Michaels, captained by Catherine Parnell. Intermediate girls 2 coached by Mr Ross/Mrs Smith and captained by Tina Helm. Junior boys coached by Mr Teevale and captained by Sefton Banks/Rishay Naidu. Intermediate boys coached by Mr Fergusson/Mr Ross and captained by Michael Johnson. Senior boys coached by Mr Thorp and captained by Stephen Parnell.

A great team effort was shown by the mixed team that competed in the B.P Secondary Schools Tennis Teams Comp. Dean Molander, Stephen Parnell, Natasha Cairns and Catherine Parnell all played extremely well beating Rosehill 4-2 to reach the final of the Auckland Zone. There they met Kings College and lost by a close 2-4.

As the results prove tennis had a very busy season this year and some excellent results were achieved by all of the players. Thanks must be given to parents and coaches who helped with both supervision and transport. Many thanks also to captains for their time and organisational skills.

*Mrs Parnell.*

## 1st XI Boys Soccer

The 1st XI soccer team were recently promoted to division A of the South Auckland competition. The season was a mixed one with some very close results. Fitness levels and skills were greatly improved by coach Mr. McCoskrie.

The highlight of our season was our tour to Whangarei, where we played Kamo high School and Whangarei Boys Highs. We lost both games but the boys played with great spirit and commitment.

My thanks go to Mr. McCoskrie and Mr. Fergusson, who helped greatly on our trip. I also thank Matthew Frear, the vice-captain and M.V.P. for his help on the field making decisions and keeping team morale high.

*Neal Naidoo (Capt)*

**BACK ROW:** Belinda Collins, Jane Porter, Meagen Lyle, Christine Randell, Felicity Holehan-Duncan, Mary-Anne O'Neil, Divya Nathu  
**COACH:** Miss Chima  
**FRONT ROW:** Karen Gane, Frances Schoevers, Laura Munro, Josephone Munro, Petina Baker, Kartina Evans.

## GIRLS SOCCER 1st XI

The girls A Soccer team had an extremely successful year, winning 9 out of our 12 games and finishing top of the A grade competition for the first time. We were also selected for the Auckland knock-out competition, but didn't quite make it past the first round. The team had some amazing all-round skills and we always played fair and enjoyed all of the games.

Several members were also selected for Counties and Auckland age group rep teams and competed in various Northern region tournaments. Some players who did especially well were Kelly Robertson, who was the top goal scorer in the team, Gwyn Lewis [the captain], and the goalie Natasha Muru, who only let in two goals throughout the year. Thanks to Mr. Foster for his awesome coaching skills, and to friends and parents who supported us.

## Junior Boys Soccer

The Junior boys soccer team underwent a huge restructuring this year as none of last year's winning team returned to play in 1994. So we had a brand new squad of mostly 3rd form boys.

The team played in a division especially for 3rd and 4th formers and at the end of the first round we found ourselves at the top of the points table, which was a very outstanding effort in a close competition.

The competition was then split into two groups of 4 teams for the remainder of the season. Unfortunately the team went winless for the last three games.

There was a good team spirit and attitude, Kenton McCarrison was the top goal scorer for the season. Good things are expected for '95'.

## Cycling/Multisport

A group of enthusiastic boys assembled in March with the intention of entering Triathlon events. The team soon were training five days a week. Both Multisport events and cycling events, were entered in.

One of the best results was in the New Zealand secondary schools Multisport championship. In the junior boys section Papakura high school got these placings:

- 1st Barry Payne
- 2nd Clinton Hall
- 3rd Ben Jackson
- 4th Terry Hall
- 5th Gavin Gardner

and in the senior event

- 6th Stephen Zyza
- 7th Matthew O'Donnell

Other results for the season were the 100km fun ride: 1st secondary school team, Stephen Zyza won 5 Auckland and 2 New Zealand track cycling titles. He was also selected in the New Zealand under 16 team which raced in Australia during the August holidays. Clinton Hall finished 2nd in the National track cycling champs held at Manfield racing circuit in Fielding.

Mention must also go to the financial sponsors of the team, particularly Stirling Sports, Pitstop Exhausts and the Thoroughbred Tavern.

*Mr. Thorpe.*

## GIRLS BADMINTON

This year there were two Girls Badminton teams, the Blue team and the Red team. Both teams were coached by Ms Michaels and were of mixed age and ability. Ms Michaels provided moral support and kept everything organized and running smoothly.

There are four girls in each team. We each played one singles game and two doubles games. We also took turns in umpiring each others games.

The schools we played against were - Rosehill College, James Cook, Pukekohe and Manurewa High School. We enjoyed our successful wins but when we knew that winning was impossible we made the other team work hard for every point they got.

At the end of the season the top six players from our school played in a tournament against the same schools as before. We played with great sportsmanship, had lots of fun and a day off school but unfortunately the competition was tough and we had no wins.

The season went well and hopefully next year there will be more people interested in playing for the school.

*Sharon Ward*

## GYMNASTICS.

The 1994 Auckland Secondary Schools Artistic Championships took place on the 3rd of August at the North Shore Stadium with some pleasing results from Papakura High Schools competitors. The Girls Novice B Team consisting of Linda Goddin, Jenny Oram, Dawn Clark and Myfi Tranor preformed extremley well winning their grade of the competition. The Girls Novice A team also preformed well, Angela Kingi, Haley piggot, Amanda Garland and Marie Gribben took out 3rd place behind 2 teams from Auckland Girls Grammer School.

Boys taems also preformed to a very high level of achievement with the Senior Boys Team consisting of Derek Pickard, Michael Boston, Stephen Lewis, Jamie Anderson and Bryce Toe Toe winning the senior competition. Individually the boys also did well, Derek Pickard took out 2nd place, Michael Boston took out 3rd place, Stephen Lewis and Jamie Anderson were both tied on 5th place while Byce Toe Toe gained 7th place.

The Auckland Secondary Schools Tumbling Competition held at the A.S.B Stadium in September also saw some excellent preformances by our school gymnasts. The Girls Novice B Team of Margaret Johnson, Dawn Clark, Aimee Grimmer and Natasha Platten won their competition with Margaret Johnson also coming first in the individual placings.

The Boys B Grade Team also earned first place in their teams competition. The team was Derek Pickard, who also won 1st individual placing, Steven Lewis, Bryce Toetoe, Jamie Anderson and Michael Boston.

*Mrs Deoki.*

## SENIOR SPORTS AWARDS DINNER

On September 19th the second annual Sports Awards Dinner was held in our school hall. The sports committee organised the hall to seat around 80 students, coaches, teachers and guest speakers. Some students decided they preferred cross dressing, and the 1st XV took the attire of the Girls Hockey 1st XI, and vice versa.

The night promised to be a success with Briar Smurthwaite and Marie Gribben performing their aerobics routine first up. The first guest speaker was Aaron Tucker. Aaron, although a little nervous, spoke really well. He gave us pointers on how to succeed in sport, and is qualified to do so as he's the current Waikato Cougars Halfback, and has recently been named the Lion Red Cup Halfback of the Year. The next speaker to enlighten us on her life achievements and the joys of sport, was Sandra Edge. She, as we all know, is the current Silver Ferns captain, and also spoke incredibly well. The night progressed with dinner and awards and everyone thoroughly enjoyed themselves.

# NORTH ISLAND CHAMPIONSHIP

This was the next step for those athletes who excelled in their events at the Manukau Champs. The competition was held at Massey Park over a Saturday and Sunday during Term One.

All students performed to their highest potential and were great ambassadors for the school. Gwyn Lewis, Hayley Arnet, and Chris Munro represented our school in two or more events. Gwyn Lewis performed exceptionally well and got placings in three of her events.

Daniel Arbon, Stephen Zyza, June Doolan, Elke Powell, Celia Parks, Philippa Kidd, Daphne Faliu, and Mary-Anne Bloomfield competed in one event.

Although these athletes didn't get in the top three placings of their events, they all had a great two days of athletics, and represented Manukau in fine style.

*Koren Pickard*

## 1st XI HOCKEY

The 1st XI has had a good year this year and has benefited well from it.

Although the team lost most of their games, they enjoyed the season immensely.

Though the success was not there, the team spirit was, and this showed throughout all the games with excellent sportsmanship and fairplay.

The team would like to thank Mr. Hocking for an enjoyable season and for his time and commitment to the team. We would also like to thank teachers and parents that helped out with transport.

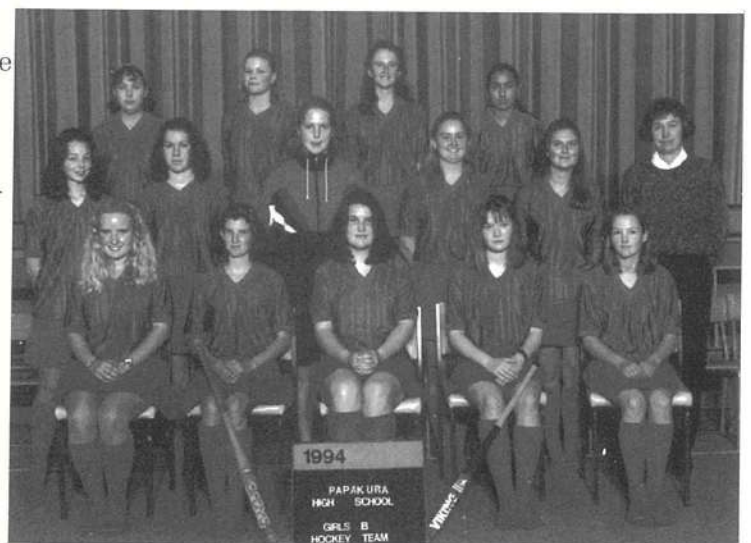

## GIRLS HOCKEY

Girls hockey had an extremely successful year this year with both the 1st and 2nd IX teams winning their graded competitions.

The 1st IX coached by Miss Chima and captained by Laura Munro achieved a great result winning the open C division of the Secondary School Girls Hockey Championships. Their team attitude saw them achieve some outstanding results throughout the competition beating James Cook High School 6-0 and Epsom Girls Grammar 10-0.

The 2nd IX also played to an extremely high standard. With the help of coach Mrs Bush and captain Cherie McDonald the team blitzed the field winning the Counties Secondary School B division Girls Hockey Championships.

So it is obviously seen by these stunning results that the sport of hockey was very strong within Papakura High School this year and played with a very high level of ability and sportsmanship.

## GIRLS NEW IMAGE

New Image Rugby is increasing in popularity and this year we were able to enter 2 teams in the Counties Secondary Schools Girls New Image Tournament. This was held at the Counties Stadium in Pukekohe during the 2nd term. Schools involved included Rosehill College, Pukekohe High School and Waiuku College.

The girls started well winning their first games under wet and muddy conditions and throughout the day played well enough for team 1 to move on to the semifinals. This was a close tough, game that proved to much for team 1 who finished the tournament in 3rd place overall, with team 2 coming in 5th place.

At the beginning of Term 3 two players, Angeline Rangiaho and Celia Parks were selected to play for the Counties Secondary Schools Girls New Image Rugby team which played the Auckland Girls team as the curtain raiser for the Auckland/Counties first division game. This was a draw 11-11.

The girls would like to thank Gareth Thomas for the coaching time he offered and Mr. Wilson for taking them during the Wednesday sports activities and for driving the bus to the tournament.

## SENIOR GIRLS SOFTBALL

### 1994

This year our team had 14 players from 4th - 7th form. Their playing backgrounds ranged from novice to representative level. Our experienced players were invaluable in providing a foundation for building a very good team over the next 2 - 3 years as well as support for the new players. The less experienced players were keen to learn and showed commitment to training, and enthusiasm which gave good team spirit.

We were also fortunate to have as assistant coach Miss Aroha Haretuku who is a Premier Softball player, Auckland representative and N Z Academy development Squad member. The girls appreciated her input and expertise at trainings, games and tournaments.

This team won the Counties Secondary Schools Tournament which was decided on run ratio after a three way tie.

To top off the Season we entered the Auckland Secondary Schools Tournament and were placed first in division two. An outstanding achievement and great way to finish off an extremely successful season of Softball.

Our Fairplay Award goes to Malaea Aitu, and our Most Valuable Player award to Renee Mocaraka.

## SENIOR BOYS SOFTBALL -

### 1994

This team enjoyed a very successful season. They competed in the regular Wednesday competition winning four of their seven games. They finished 3rd in the counties regional tournament. In the Auckland tournament they had good wins over Rangitoto College and Aorere College.

## SPECIAL OLYMPICS REPORT

Since our last report a year ago, the XA Unit olympians have competed at National level at Hamilton. Every Papakura High School entrant i.e. Becky Tauranga, Jay Jay Douglas, Shaun Duffy, Cecelia English and Kenneth Lloyd-Fitt won medals at this event. Of particular mention are Jay Jay Douglas who won three medals and Cecelia English who won the 100 metre sprint.

A ribbon day was held at Papakura's Massey Park with most students competing. The team was successful in most events, with Kenneth Lloyd-Fitt showing good all-round excellence. Jay Jay Douglas won the 1500m in fine style, while Shaun Duffy and Becky Tauranga who did very well in the walking races.

At the moment some of the Special Olympians are preparing for the cross-country event to be held at Drury on November 26th. A team is also competing at the Rosehill School cross-country which will be held at the Botanical Gardens on November 17th.
