

## COLENZO SOCIETY

The Society is a group that operates within the school and studies the ecology, geography and history of certain areas. Our learning experiences are most enjoyable. They include camping, tramping and swimming and they help us attain knowledge of our surroundings. But most of all on our trips we all have FUN!!!

The first get together of the Colenso Society this year was a barbecue at Totara Park. Here we got to meet the teachers and other Colenso members.

The next trip was a weekend trip to Kauaeranga Valley. On our tramps we learnt many interesting facts, even when we stopped for lunch (like how cold the water in the streams is when you are totally submerged). This was soon followed by a day trip to the Waitakere Ranges. We stopped to note different or unusual trees along the way. (in other words - have a rest!).

The most exciting trip of the year was in Senior elective week when we went overseas to Great Barrier Island. We had to walk 10 km from the airport (a grass field) to Kaiarara Hut at Port Fitzroy which was where we stayed for the week. It was interesting testing the compulsory Colenso porridge. You had to turn the plate upside down and if it stayed there it was alright to eat. We did a lot of tramping, cooking and learning in that week.

The second term consisted of two trips and a dinner. We went on a day trip to Rangitoto Island and a weekend trip to Awhitu Environmental Camp. On the 4th of August we had the annual dinner and lecture. Our talker was Associate Professor Phillipa Black, who gave a very interesting talk on the Geology of the Papakura District.

The last thing of importance is the teachers. Thanks to them the Colenso Society had a wonderful year and without them the Society wouldn't have functioned as smoothly as it did. Next year we are planning to go to Doubtless Bay in Northland.

#### GYMNASTIC CLUB

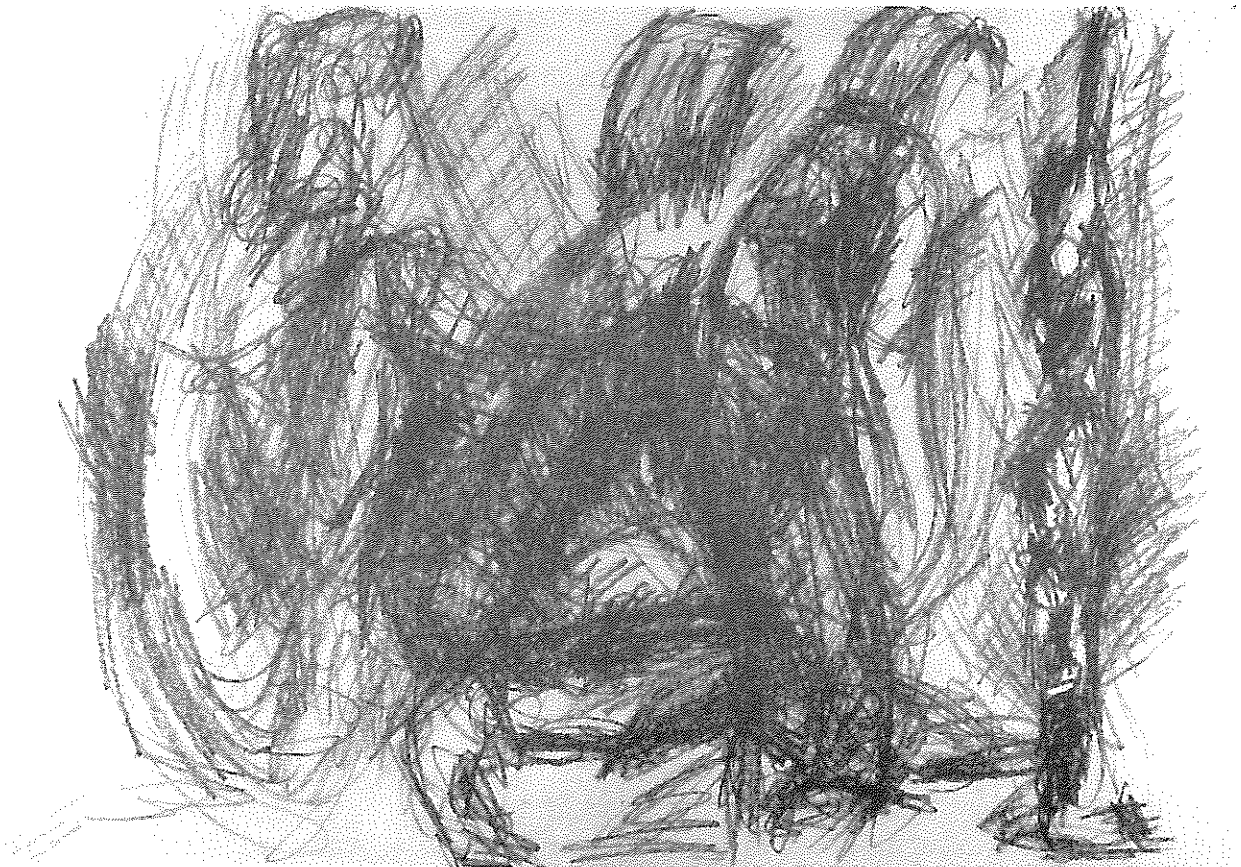

This year's gym club got off to a bad start, as for the first few weeks rain prohibited us from getting over to the YMCA. As the year progressed, we found out that rain wasn't the only problem that had to be dealt with in an understanding way.

Once we actually got started we were in top form and there was no way anyone could stop us from winning the first competition we entered. But alas, as we soon found out, there was just one way. We were all so busy preparing for it, we didn't realize the mix-up in dates. Thus, our first competition was missed.

The gymnasts quickly bounced back after that let-down and would have practised faithfully every week. However due to the winter sports, and the cross country and other similar interruptions, we hardly got any practice at all done.

The year was fun anyway and we are looking forward to building up the number of both boys and girls in 1986.

The club would like to thank Mrs Goldsworthy and Mrs Wallace for organizing and managing the club and we would all like to thank Mr Jack Hari from the YMCA for giving up his Thursday lunch hours to help us.

## RUGBY LEAGUE

Rugby league was started at Papakura very belatedly in Term 2 1985. Auckland Rugby League Association approached the school asking it to enter a team into the form 3 and 4 competition on a Wednesday afternoon.

Interest from the students initially ran high with approximately 60 boys asking to play. A squad was selected for the first game against James Cook High School. The team played well and ran out eventual winners 28-4. Prospects for the future looked good.

It was during the second and third games, versus Otahuhu College and Tangaroa College, that we discovered just how big 3rd and 4th form boys grew. The team was hopelessly outweighed causing interest to dwindle rapidly. Needless to say, the team was defeated by large margins in these two matches.

The boys also participated in a tournament during the August holidays, where they competed well, winning one game and losing two.

There appears to be a lot of interest in teams for 1986, however the Auckland Rugby League Association will need to ensure that the grades they choose are carefully graded by weight as well as age. It is important that this is done otherwise they will find few students willing to play in grades in which they are hopelessly outweighed. This aside prospects for 1986 are good, with many students looking forward to a complete season.

L Bishop  
Coach

## NETBALL

All teams competed in the Manukau Secondary Schools Competition on a Tuesday afternoon.

The Senior A team started the season well with 3 wins and 1 draw from the first four games. However the loss of our GA -Luana, and with Jeanette sustaining a bad ankle injury the re-organised team lost its court cohesion and not until the final games did it begin to work together again. Aria switched from W A to G A and developed very well here, her lack of height not proving a disadvantage as she and Marie worked the ball in the goal area. Jeanette was the strength of the centre court, working tirelessly in all games, and taking some very fine intercepts. Her injury was a major setback as the team had to once again re-organise itself. Paula at G K improved with each game. She has developed very good defensive skills, watching the ball well and rebounding well. Individually both Paula and Jeanette gained representative honours this season - Paula as an Under 16 Counties rep. and Jeanette an Under 16 Pukekohe rep. Of the 10 games played, the team won 2 and drew 1.

### NETBALL SENIOR A

Luana Tetai Paula Blindell Lisa Warbrick Miss Horgan  
Aria Hudson Marie Williamson (Capt) Jeanette Matheson  
ABSENT Cathy Essex

Senior B Team: This team had a very good season. With a stable unit of players the team combined well, and as a team, their court play became very positive. After the first round of games, with 3 wins and 1 draw they had won the Senior A grade, so went up into the Open grade for the second round. Here they faced much harder opposition, winning 1 out of 5 games but as a team improved with each game. Debra Cotter ably filled the gap of G A when Sharon left school. She and Megan worked well in the shooting circle. The mid-court players Paula, Joanne, and Karen combined very well, using the court well to bring the ball down the court. At G K Wendy's game went from strength to strength. Her steadiness proved to be a real asset to the team.

The final against Hillary 2 proved to be a highly exciting game. Papakura were up 13-7 at half time, playing very well. But in the second half, they lost their momentum and let Hillary take control. At the final whistle the score was 22-22. Extra time of 4 minutes resulted in Papakura winning 24-23.

Of the 10 games the team played they won 4 and drew 1. Thanks to Miss Horgan the team coach.

Team Members: Megan Munro, Debra Cotter, Sharon Benn, Paula Williamson, Joanne Craig, Karen Smyth, Janine Painter, Wendy Matheson

### Senior C Team

The Netball season began with some very keen girls - in fact there were three reserves for the first week. However interest waned and the team was left with the minimum of seven. Sheridan De La Rue from Australia played centre for the season showing the New Zealanders how they play Netball in Aussie. Erica Hayes as Goal Defence, Michelle Tolson as Wing Defence, Lisa Saul as Goal-Keep, Carmen Hodgson and Marie Tuahine alternated as Goal Attack or Goal Shoot, all played extremely well as a team. Pimia Hokianga started as Wing Attack but was later replaced in the season by Wendy Cunningham. Several training sessions were run by New Zealand Rep. players and practices were endured each Thursday. The girls played competitively each Tuesday afternoon enjoying two wins out of 12 games. During the term we participated in the Coca Cola Tournament winning one out of three games. Although we did not win every game - the friendliness and competitiveness was enjoyed throughout the term by all. The team would like to thank Wendy Cunningham and Louise Underwood for playing throughout the term when we were short of players.

### NETBALL 3A

The team played well together winning a total of seven games out of the eleven played. Notably the losses occurred most often when there was a high absence rate of team members a comment perhaps on the need to maintain a stable unit for a successful season. Particularly commendable were the

Tini/Maylene combination in the shooting circle, and the Tracey/Jessie combination in the defense circle, combined with the energy and (reluctant) leadership of Priscilla.

TEAM MEMBERS: Priscilla Te Kane, Tina Ngapo, Tini Marshall, Maylene Hapeta, Jessie Kingi, Tracey Duder, Shelley Woodney, Raylene Kirikau.

COACH: Mrs Hamar

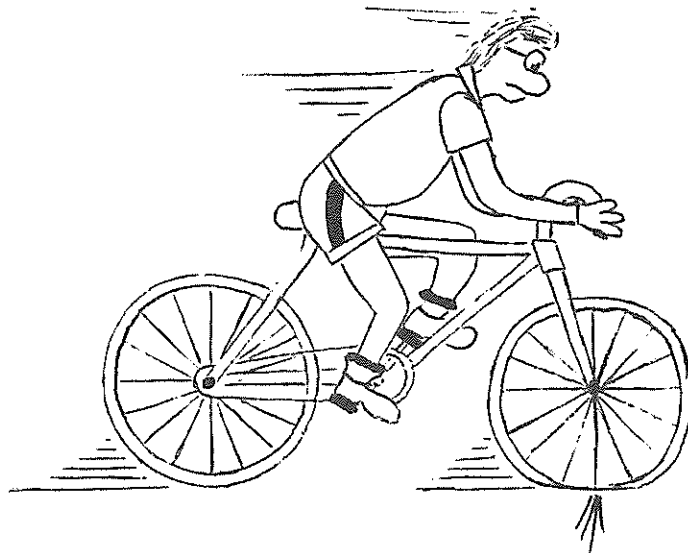

#### NETBALL 3B

This team is a co-operative team which showed good spirit and potential. Of the nine games played, four were won and five lost. Once again high absence rate affected results especially when players were borrowed for the 3A team. The most improved player was Christine Seiler - a new player to netball. This is also a reflection of the help and encouragement given by the majority of team members. Ringi captained the team willingly and competently, and this time special comment goes to mainly the central players - Erika, Rebecca, Michelle Johnson who played very energetically. Also Carol for defence in the goal circle.

TEAM MEMBERS: Ringi Heteraka, Erika Hudson, Rebecca Brown, Carol Butler, Sonya Panapa, Michelle Johnson, Michelle Burney, Christine Seiler, Natasha Tolson, Joanne Bremner.

COACH: Mrs. Hamer

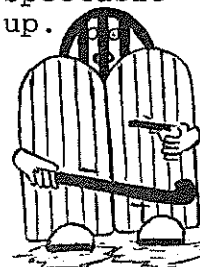

#### SCHOOL BIATHLON

A new event was added to the school sporting calendar during the third term. In keeping with the upsurge in popularity of biathlons and triathlons, the school held a cycle-run biathlon, which drew nearly 50 entries.

The cycle section involved a 10 km ride, taking in two laps of the roads around the school. A large group of spectators cheered the first cyclists into the transition area with David McCalman being closely pursued by Darren Skeet. David showed his allround strength in the 3 km run which followed and finished a comfortable winner ahead of Zane Ata, with Warren Tucker in third place and also first intermediate boy. The first junior boy was Philip Pulman in sixth place overall.

The girls section was won by Kristine Reid in a respectable sixteenth place overall, with Leanne Mason runner-up.

#### GIRLS HOCKEY

Both girls teams have trained very hard and conscientiously during the long season and have maintained their enthusiasm. Skills and team play have improved. Both teams have shown good sportsmanship on the field and have always kept trying hard, even in games in which they were beaten.

The 'A' Team, very ably led by Adrienne Glaysher and Leanna Herewini, has played extremely well throughout this season developing a skilled penetrating attack in many games. Defence has always been sound. Of the ten games the team played, they won six and drew one.

Team members: Adrienne Glaysher (Captain), Leanna Herewini (Vice Captain), Traceyanne Herewini, Katrina Hansch, Dale Matheson, Crystal Epps, Justine Troy, Michelle Ross, Karen White, Rachel Christopher, Ann Bell.

The 'B' team has been remarkable for its enthusiasm and good sportsmanship throughout the season. It contains many keen, skilful players and augers well for the future of hockey in the school. Of the 8 games played, the team won 3 and drew 1. In addition, the 'B' team played extremely well in the 7-aside closing tournament to be runners-up, failing to gain the winning place by one penalty corner. Dale Matheson and Angela Keen were selected for the Counties Under 15 representative team.

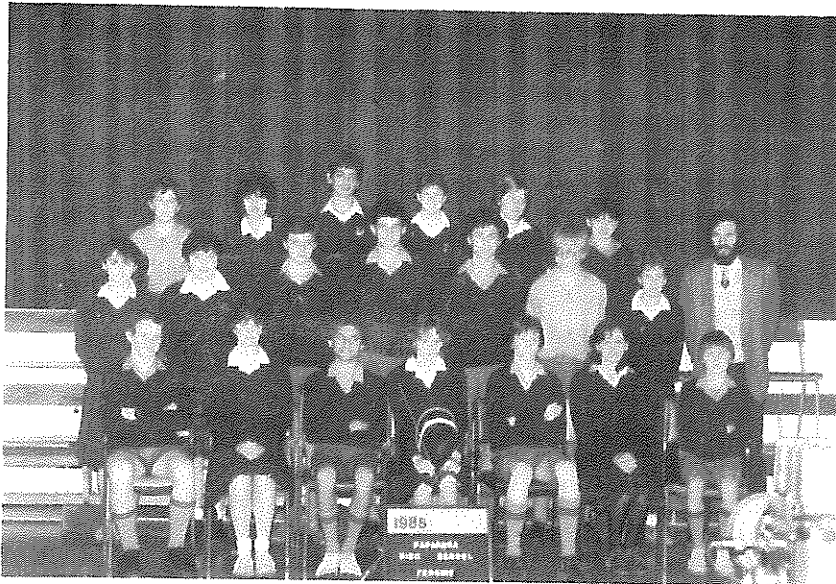

Team Members: Erin Westerkamp (Capt), Rachel Pederson (Vice Capt), Angela Keen, Dana Stacey, Tralee Harris, Cherie Clendon, Sarah Turley, Ferila Tuilapa, Andrea Birse, Rachel Cox, Kim Elliott, Kirsten Street

## FENCING

In the recent Auckland Secondary Schools Fencing Association competition Papakura High School students won both the boys and girls team events. Andrea Lagan, a fourth former, won the Auckland Junior title, and also gained first place in the girls division of the Auckland Secondary Schools Open Championship. Chris Webster, a sixth former, also came first in the boys open championship. In the same competition, fencers from Papakura High School club gained second, third, fourth and fifth places in the plate event for first year fencers.

Fencing has been a sport at Papakura High School for many years, with the present coach, Mr Derek Boston, having learnt the sport as a student at the school. Known as the Papakura High School Fencing Club, the club is open to the whole community. Two types of fencing are taught at the club, foil and epee, in which Derek Boston is ranked thirteenth and seventh respectively in New Zealand.

## FENCING

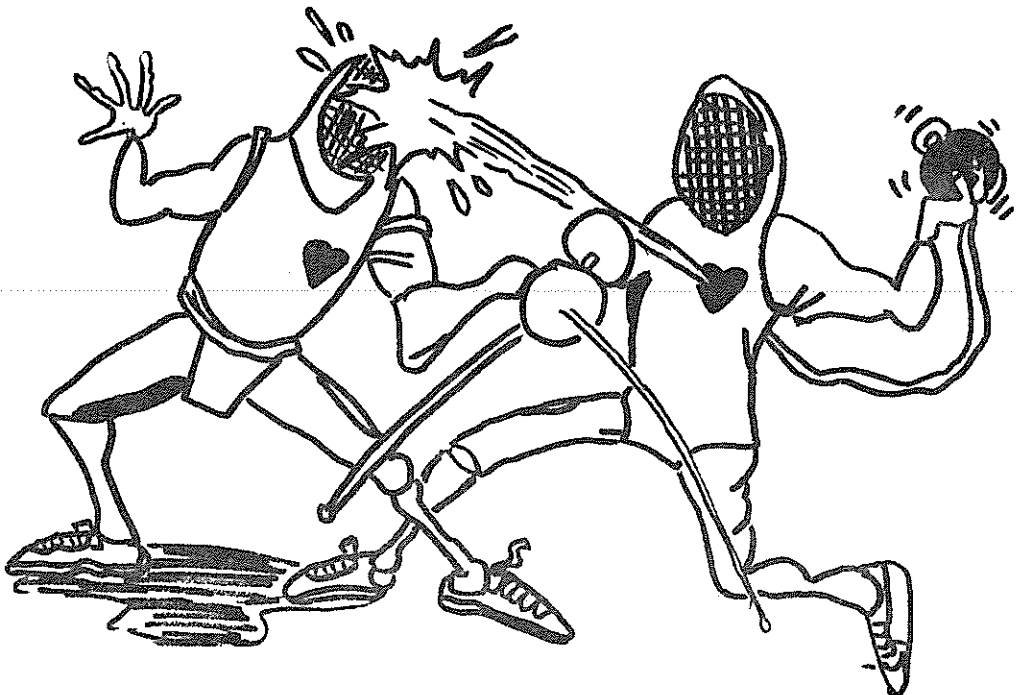

BACK ROW (L to R) Andrew Colson Kiran Deoki Mark Deoki  
Kathy Peddie Sandy Hogan Derek Reid  
MIDDLE ROW (L to R) Maria Smith Lynette Syme Matthew Bilton  
Robert Malpas Reid Robinson Ben Smith Andrea Birse  
Mr Boston  
BOTTOM ROW (L to R) Simon Cose Justin Gamble Bradley Kaka  
Andrea Lagan Colin Beard Rochelle Brown Aaron Treloar

Interest in the club was high this year with a record number of beginning members. However half of those new members dropped out within a few months due largely to the demands of the sport. A high level of fitness and stamina is required, as well as good co-ordination, patience and dedication. A fencer must be able to concentrate on his footwork, weapon and think about tactics, all at the same time. There is still an element of risk in fencing. Derek knows of some fencers who have been pierced in the stomach and neck by broken foils.

Bouts only last six minutes and the aim is to beat your opponent by making five 'good hits' to their body, while preventing yourself from being hit. Clothing for fencers is expensive with layers of garments to protect the body and a mask to protect the head.

Fencing is proving to be equally popular with both boys and girls, and is a sport in which both sexes can achieve, as experience and skill count.

During the August holidays, the NZ Secondary Schools Fencing Championships were held in Auckland. Chris Webster came fourth in the foil competition and Andrea Lagan, who is only a second-year fencer, came third in the women's foil competition and also won a trophy for being the youngest finalist.

## 1ST XI SOCCER REPORT

The team this year was capably led by Russell Hall. The standard of sportsmanship was high with opposition coaches commenting favourably on the team's attitude. This was a young team including a 3rd former and two 4th formers. The best performance was against Tauranga when every member excelled himself and the worst performance was the default to Manurewa. The team finished in the middle of the table with top goalscorers being Kim Eng and Andrew Leonard. The team played 14 games, of which it won 2 and drew 5.

## 2nd XI SOCCER

In our final preliminary game we beat Pukekohe High for the right to play in the B-Grade Competition. We struggled all season in this grade. The captain, Stephen Tremewan, vice captain John Holly and team members are to be congratulated on remaining competitive in this grade.

Our worst defeat was 0-6 to a Wesley team in the first round. We gradually improved, losing 0-1 to Wesley in the second round. Our only point of the season came with a 2-2 draw in the final game against St. Stephens. We defeated Tauranga Boys 3rd and 4th form team 6-2 in June. Thank-you parents for your support.

M Howlett (Coach)

## GIRLS SOCCER

Although the Girls didn't win a game they had a successful season as they improved on last years results. Their best game was against Ngaruwhahia where they lost 4-3. They were extremely unlucky to lost their other games. The following players received these prestigious awards.

Best Player: 20 Brownie Points - Dashing Debbie Guildford

Most Improved Player: 15 Brownie Points - Averill (Duncan Dole) McNeil

Merit Awards: 5 Brownie Points each - Tough tofu, Racy Raewyn, Baggie, Fiilla and Bossy Paulette.

5 Brownie points to Dianne (moaner) Bartley for selection for the Counties rep. team.

Worst Supporters: 10 Cub points: Helen, Jenny, Shelley, Caryn and the Form 6 Eco class.

10 Cub points go to Denise for not knowing her way home.

50 Brownie points to Smilie Smurf for her brilliant driving skills.

### 3RD XI SOCCER

This year the 3rd XI had a good season deserving more wins than they actually achieved.

The first game of the season against Rosehill resulted in a win for our boys. On the second occasion our team faced up to Rosehill we could only field 9 players and after a tough game in which our team showed superior skills they managed to keep the result to a nil all draw.

Practices were well attended and it is hoped the enthusiasm of some of our third form players will continue in next years soccer season.

Team Members were: Andrew McDonald, Troy Bishop, Neil Pellowe, David Harvery (goalkeeper), Wayne Campbell, Arron Bennett, Matthew Bilton, John Spain (Captain), Kim Eng, John Harrison, Peter Doherty, B Eastman, K Standing, R Rairaiu

### BADMINTON

This year, as usual, the School had four teams entered in the Counties Secondary School Competition - Junior and Senior boys and Junior and Senior girls.

The most successful team was the Junior boys, which defeated Pukekohe High School 6-2, Rosehill 5-3, Pukekohe Red 7-1, and James Cook 8-0. In the final round they met the other undefeated team in the competition, Manurewa High School, and were narrowly beaten 3-5. They were thus runners up in the competition. Team members were John MacNaughtan (Capt), Brydon Banks, Andrew Hill, Stephen Cooper, Kevin Hill.

The Junior girls team of Nicola Gasson (Capt), Nicola Hack, Sharyn Morgan, Wendy Coutts was a good reliable team. They finished the season with a good win against Pukekohe High School 7-1.

The Senior boys had some keen players. Although not very successful, they had some good close matches. Team members were Kim Eng (Capt), Darrin Webley, John Coopman, James Tairakena and Vaughan Te Kani.

The Senior girls are to be commended for their attitude, turn out and reliability. They won only one game (5-3 against Pukekohe High School) but as the team had some new and inexperienced players they really did quite well on the whole. Helen MacNaughtan was the captain and the other team members were Sandra Cooper, Suzanne Brown, Claire Valter, Catherine Whalen, Elizabeth Holliday and Alix Coutts.

In the Counties Play off of the National Secondary Schools tournament our girls' team of Lynn Steedman, Helen MacNaughtan, Donna Hellyer, Bessie Nui, with reserve Tracey Caldwell did very well to reach the finals. They drew 4-4 with Manurewa in an exciting final match, but on a countback of points, were narrowly defeated, 108-106.

The school badminton champs began late in Term 2 and were completed at the beginning of Term 3. The Papakura High School Badminton Champions for 1985 are:

Girls' Open: Helen MacNaughtan  
Runner up: Donna Hellyer

Boys' Open: John MacNaughtan  
Runner up: Andrew Hill

Junior Girls: Tracey Caldwell  
Runner up: Nicola Gasson

Junior Boys: Brydon Banks  
Runner up: John MacNaughtan

With thanks to the Staff involved: Miss V Smytheman, Mr P Flannery, Mrs R Brook, Miss K Johns

#### SENIOR GIRLS

Back Catherine Whalen, Miss. V. Smytheman, Suzanne Brown.  
Front Claire Valter, Sandra Cooper, Helen Macnaughtan  
Elizabeth Holliday, Alix Coutts.

### 3RD XI CRICKET

Invited to write about the 3rd XI, Captain Gary Franklin begins:

"This year coached by Mr Sanders, members turned out some very sound performances..."

But hold on Gary, always a gentleman I know, but "coached by Mr Sanders" surely this is laying it on too thickly? "Managed" (with pleasure) yes. Even though the attempt was made, in this fast track world of indoor cricket and instant play-back "coached", hardly?!

Gary continues: "Some of the outstanding performances were a half century by a barefooted Eric Smith and 45 runs from Stephen Collecute." Eric's somewhat erratic appearances were always memorable whirlwind performances both with the bat and the ball. A mighty pillar of the team, Stephen could always be relied upon. A real professional."

Hold on Gary, aren't you forgetting Steven Gregan that laid back maestro of the pitch and Richard Bilton, always the joker but a "natural" and worth at least two catches an innings. And what about that genial giant Michael Foley? Feared by all we met as an opening bowler and an inspiration with his bat!

"The year's best figures were against the school's 5th XI" Dare we call them "Blake's Bombers", Gary? Certainly a mighty victory. The day of Eric's half century but also the day when our talented opening line up failed and the tail wagged: Russel Hall, that quietly spoken performer, 14 runs; Jamie Cooper, that smooth, long suffering boundary fieldsman, 16 and Mac Hodge, that find of the season, 10.

Russell adds: "Team spirit throughout the season was of a high standard and for everyone involved with the team it was a very enjoyable season". The manager - or was it "coach"? - couldn't agree more!

But Russell you don't mention Jeffrey Martin. No one contributed more to team spirit than that cheerful trier. What about David Coulam, who (usually) managed to contain his language from behind the wicket and Chris Lane who (usually) fielded the flack in good spirit - and who on one memorable occasion encouraged by fielding success at Short (very) Mid Off collected the ball itself and retired to the medical centre at Pukekohe for stitches?

What remains for the manager/coach to add but his thanks to the ever enthusiastic captain Gary Franklin. Well led Gary!

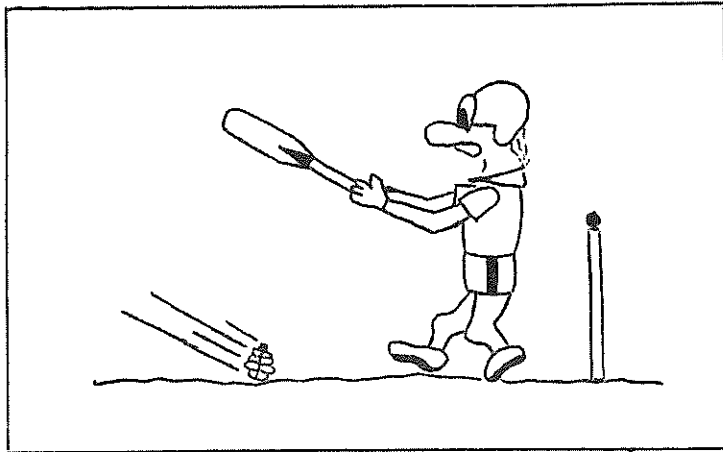

G M Sanders

### 7th GRADE CRICKET

The 7th Grade Cricket team had a disappointing season although with a few ring ins to make up a team we surprised Manurewa and beat them on our second encounter. Some games were close, especially the one against Rosehill College. The four girls in the team proved that "girls can do anything".

Team members: Grant Nicholson, Kim-Suor Eng, Song Khov, Iain Bilton, Suzanne Clews, Donald Newman, Paul Collecut, Chris McGuigan, Tracey Eagleton, Leanne Hanley, Jennie McKenzie,

Coach: Mr Findlay

### 2ND XI CRICKET

The Papakura High School 2nd Cricket XI had a moderately successful year winning 5 of their games.

Although the team lacked team spirit, and often looked like a group of 11 individuals the team showed immense potential. The team played surprisingly well considering the definite lack of organised practise and coaching.

Players to shine through, in an all around improved side were: the fast but erratic "new ball" bowler Keith Inwood, who only found out he was an inswing bowler late in the season because he believed you couldn't swing a ball which is five games old. Keith worked on the West Indian method of firstly scaring opponents and then bowling them out. The skipper and wicket-keeper Luke Keedwell showed promise with both bat and keepers gloves and often looked good on "pitches" of variable pace and bounce. Others deserving mention include Shand Enright, Robert Bennett, Robert Spice and Dean Bellingham. Adrian Jonkers regularly fielded with enthusiasm.

All in all, an enjoyable season, and the team showed that all is "not yet" lost in the cricket scene at Papakura High.

Patrick Cole

### SQUASH

In the last two years squash has developed into one of the more successful sports at Papakura High School. Of the four teams entered in this year's Auckland Secondary Schools Squash Competition, two not only won their zones and their playoffs, but finished second and third in the finals.

The Junior Boys Team of Paul Collecute, Adrian Maidment, Ival Brownlee, Christian Solley, Ian Jonkers and Michael Turner lost to St Peters in the finals. In their playoff against Waitakere College, the boys gained third place in the competition, after a drawn game score resulted in a countback to points.

The Senior Boys squad of Barry Collecute, Andrew Harrison, Mark Turley, Stephen Collecute, Rodney Pilbrow, Mark Deoki, Simon Whitfield, Dean Langley, David Maskery and Peter Morgan was divided into two teams. The team led by Rodney made it through the Eastern zone at the top, while the other team was beaten by Kings and Rosehill Colleges.

However in the playoffs the two squads were combined, and the top four players defeated MacLeans and Kings Colleges to make the semi-final. After defeating Sacred Heart 4-1, the boys faced St Peters in the final. The boys performed well in the final, but lost to St Peters who had the added bonus of a number of very vocal supporters.

With the fine coaching provided by Mr Raffills, the support shown by parents and the Papakura Squash Club, squash should grow even stronger at Papakura High School.

Girls Squash did not fair as well this year as last, but all girls enjoyed their training and games and look forward to a successful year in 1986 after this season's consolidation.

### RUGBY

A "topsy-turvy year" would best describe 1985.

We started the year with four teams: 1st XV, 2nd XV, U16 Restricted and U14 Restricted. Again we had problems sustaining our U14 grade because of those few unreliable boys who did not fulfill their commitment. This team consequently dissolved in mid-season, disappointing many people who had spent a lot of time organising draws, venues, and transport. Apologies to those parents who turned up on a Saturday only

to find those 'unreliables' not fronting, and the game having to be defaulted. Come on boys; last minute defaults were not good for the school's good name in sport. If you can't keep up your commitment, don't commit yourself to start with.

Well done those boys who persevered again. Although the firsts and seconds didn't figure in the championship results, many games were closely contested and spirit, sportsmanship, and behaviour were always of a high standard. These aspects always make it a pleasure to coach such teams. Keep it up boys.

The team of the season would have to be the U16, U61 kilo restricted team. They came third in a tough competition of 14 teams, some of which were strong club teams. An excellent result boys. Hope to see you all again next season.

Mr Foster (Master-in-Charge Rugby)

### 1ST XV

As stated in the pre-amble our team did not figure very highly in the championship stakes. Not trying to make excuse, there were quite basic reasons. Lack of experience was a big handicap. Captain Wiremu Waretini; loosies Michael Baskett and Geoff Ross; prop Darren Tutauha; and wing Zane Ata were the only returns from last season's squad. There were, however, valuable gains in the forwards. Jason Higgott, an excellent tight/loose forward, returned to top rugby and new arrival Tony Kennedy filled the important hooker's berth extremely well. New rules did not affect our forwards, as with the core of 'old heads' they proved a good tight unit. In fact, they were only outplayed by Pukekohe, which had a far superior weight advantage, and this told in rucks and mauls.

Our main problem was that looser set play, with the availability of roving loose forwards in opposition teams, literally knocked the confidence out of a very young and inexperienced backline. This good backline found the jump from 4th grade last year to the rough and tumble of 1st XV level a formidable one and, although promising much, were not allowed the latitude to flourish. This was a pity as obvious talents of backs such as Benson TeAo, Zane Ata, Joseph Ngapo, Erin Webb, and Spencer Hudson could not be utilized fully. However, hopefully, next year will see the return of more of these players. A season of experience wiser, I'm sure they will find playing in this level of competition less daunting.

RESULTS: Though losing some games by large scores (strangely enough to weaker opposition) there were many close games.

HIGHLIGHTS:

- 1 Drawing 3-3 with Rosehill in the first championship round after crossing their line twice!
- 2 Losing only 3-12 to eventual championship winners St Stephen's 2nds - for want of a kicker. One penalty converted from seven kickable attempts! Oh dear!

Wiremu was again chosen for the Counties Secondary Schools team.

FINALLY to those boys whose names not mentioned. Don't feel left out. THANK YOU!!! After all. Rugby is a team game. Thanks to our manager Mr Baskett.

Mr Foster

ABSENT C Blank

## 2ND XV

A good season in that there was a good size squad and the team held together all season showing good spirit. This was a credit to the boys and especially to one of our parents Mr Max Stewart, who responded to the call for coaching assistance. On behalf of the school I thank Max very much.

The team was ably led by Captain Vikash Singh, and, with players like Adam Kake, Tony Stephens, Jeff Martin, Brett Crompton, Shaun Stewart, Shane Solley, Michael Foley and Mark Hunter forming a good solid core, it proved worthy competitors against other 2nd fifteens.

However, in their grade, four schools entered their 1st XV's and, although giving a good account of themselves, our team found these games very tough.

It was also good of the team to allow players to fill in when the firsts were short. Thanks boys and parents for all the support.

Mr Foster

## 3RD XV RUGBY

The schools 3rd XV or Under 16 team started the season slowly with two pre-season defeats in practice games. However, this only made the team more determined. With practice their self confidence improved and they quickly developed into a team that impressed supporters with their attractive running style of rugby which saw them score 35 tries during the season. Highlights of the season were a determined win against previously undefeated Ardmore and a convincing win over one of the competition leaders, Rosehill.

The team ended the season with an 8 win, 4 loss record to finish in a creditable third place out of 12 teams.

Team members were: J Wind (Capt), C Dougherty (V Capt), T Smith, S Bray, W Taito, P Ross, M Axtens, G Smith, J Prujean, W Tucker, D Bellingham, G Brookes, D Taewa, C Underwood, M Teirney, J Whiu, M Salu, S Salu, K Lorenzon, R Young, A Malaesilia.

## ORIENTEERING

Orienteering is outside, up and down, through and over, and exhausting. Orienteering is observing, finding, orienting, and arriving. It is the sport most pupils at Papakura High School experience and enjoy at Waharau.

The sport requires only a map, a compass and the will to find check points hidden in the countryside. The course at Waharau is not too demanding and ideal for beginners.

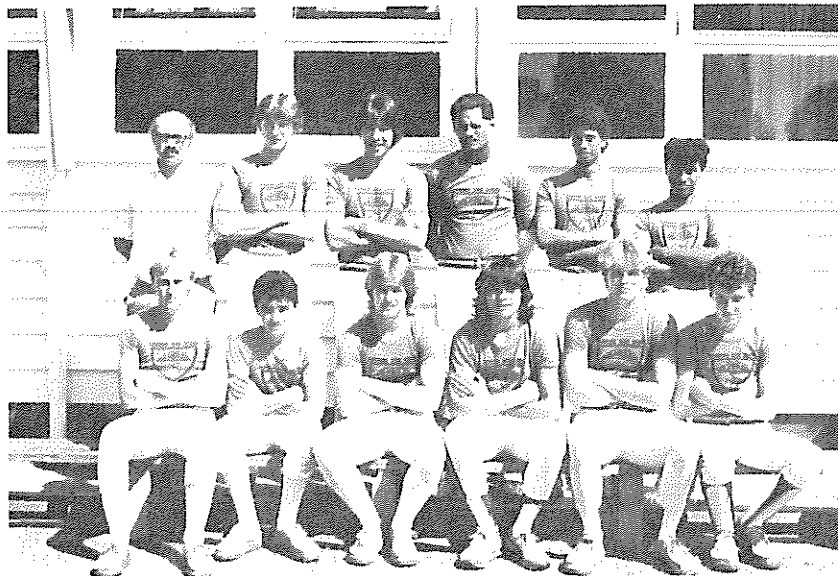

Some pupils take the sport quite seriously, and go to events held by the South Auckland Orienteers. This year Deanne Elliott, Marie Williamson, Sharon Riley, Carol Kay, Jenny McKenzie, Brian Gasson, Michael Gasson, Jeffrey Reid, Ian Mercer, Justin Deery and Bruce Judkins went to the Auckland Secondary Schools Orienteering Championships at Redoubt Road.

The girls' team came sixth in a field of 33. The five team members ran different courses all about 2.3 km long. The boys' team was fifth in a field of 37. Michael Gasson ran his course of 2.64 km in 23.50 minutes which was the best time on the day for that course.

In 1977 Orienteering was officially recognised as an Olympic sport, and in Sweden an annual five day orienteering competition attracts over 18 000 competitors. However orienteering is also pursued without any thought of competition. For many Papakura High School students, Waharau will continue to be the introduction to a sport they can take up seriously or just continue to enjoy as a challenging way to explore God's creation.

Mr R Bagrie

#### BOYS SOFTBALL

On Wednesday, February 27, the Manukau Counties Secondary Softball Tournament was held at Prince Edward Park, Papakura.

The boys' competition was in two sections. A section included teams from James Cook, De La Salle, Tangaroa and Aorere. With the withdrawal of Pukekohe, Section B included Papakura, Hillary College and Manurewa.

To make the semifinals, Papakura High School had to make the first two places of its section.

This the team did with good batting and fielding, defeating Hillary, 5-1, and Manurewa, 19-0 (a flattering score as Manurewa was a very young team by comparison).

The semi-final proved harder but, with Brendon Easton pitching well and the infield backing him up, Papakura took the game. This game saw three of the teams' five errors in four games which resulted in James Cook scoring a home run from three overthrows in a row.

The team has been fortunate to have a pitcher of Brendon Easton's class who did very little wrong and took 16 strike outs - and a catcher equal to the task in Cameron Bell.

By the time of the final round against Melville, 5.30 pm, both teams were tired but still managed to fight out an exciting game. Papakura won, 4-1.

The major feature here was that the Papakura team played an error-free game: fitting finish for a team of boys who had played so well.

On Sunday March 3, Papakura High School participated in the Central Zone Secondary Schools' Softball Tournament at Whakatane.

Tokoroa, like Papakura, was unbeaten and fielded a very sharp fielding team and excellent batting lineup.

Papakura lost a very tense, exciting game which gathered the largest spectator group of the day by 2-5.

#### SENIOR BOYS BASKETBALL

The Senior boys basketball started the season full of enthusiasm, if lacking somewhat in shooting skills. They struggled throughout the season against taller and fitter teams but never lost their enthusiasm. What they lacked in skill, they almost made up for in spirit. The team showed that even in defeat a sport can be enjoyed and that participation, not necessarily winning, is what sport is all about.

Team Members were: John Coopman (Capt), S Guildford, D Tutauha, J Bird, J Ngapo, S Hudson, P Ross, H Tonga, R Grace, M Te Puni.

#### SENIOR GIRLS BASKETBALL TEAM

The Senior A Girls' Basketball began the season as a new team and quickly developed into a close working unit. The defence of the team, Marie, Teresa and Leeana, was its strength with Teresa proving indispensable in the key both on attack and defence. It was a blow to the team to lose our captain Josie, halfway through the first round with a knee injury as she was a safe ball carrier and set up play well. Michelle developed as the season went on into a very good forward, able to read the game well. Her passing was an asset to the team. Both Vicki and Carmen also improved with each game, with Vicki, Marie and Teresa being our top scorers. These girls were able substituted by our bench players Charmaine, Fiona, Tania and Megan. Megan, having her first season developed well into a guard. The team played 12 games, of which it won 8.

Team Members: Josie Thompson (Capt), Leeana Herewini, Marie Sun, Michelle Papa, Teresa Busby, Vicki Cunningham, Carmen Hodgson, Fiona Street, Charmaine Prime, Tania Jacobs, Megan Munro.

## TENNIS

The 1985 Papakura High School Tennis Championships were played over two days. The first day resulted in the elimination of all players, except the finalists, and the finals were played on the second day. The most notable game was Karl Blank's 9/7 win over Jonathon Mariet in the semi-finals and the Intermediate and Senior boys finals were both close games. In the Intermediate Girls semifinal Rachel Christopher narrowly defeated Wendy Cunningham 9/8.

The final results were:

Senior Girls; Luana Tetai beat Jeannette Matheson 6/7 6/2 7/5

Intermediate Girls; Rachel Christopher beat Dale Matheson  
6/0 6/4

Junior Girls; Dana Stacey beat Leanne Hanley 6/7 6/1 6/1

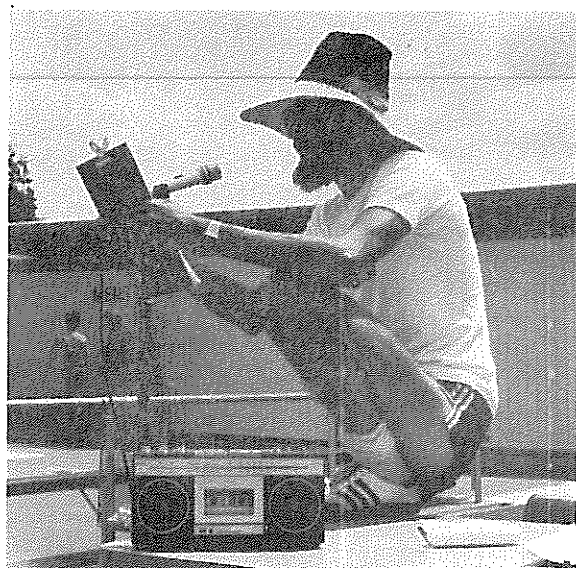

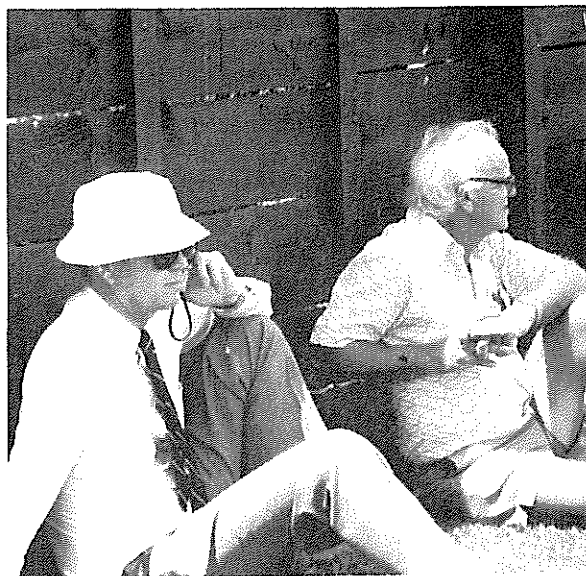

Senior Boys; Robert Inman beat Mark Hunter 3/6 6/1 6/3

Intermediate Boys; Darrin Webley beat Dean Wiles 6/4 5/7 6/1

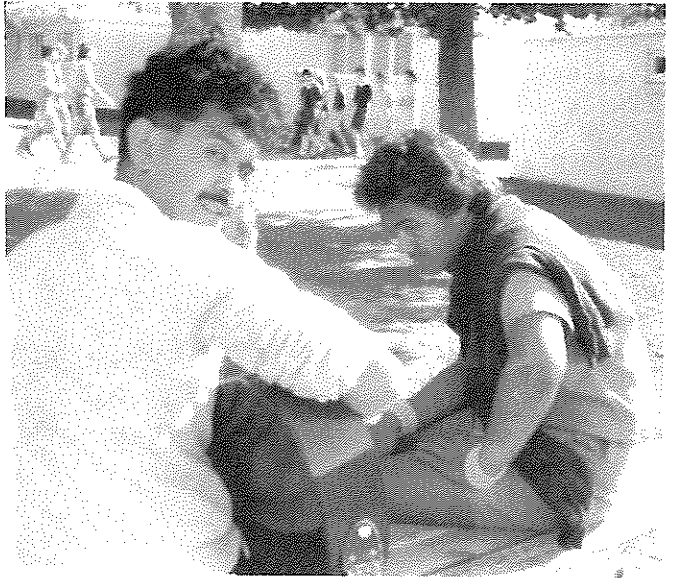

Junior Boys; Steven Cooper beat Karl Blank 6/1 6/4

All of the games in the championship were played in excellent spirit.

MR PUN VERSE!!!

Is it a bird, is it a plane?  
 No it's daddy-long-legs striking again!  
 A strange masked man streaking down W Wing halls,  
 His sleek, slender body presented strong and tall.  
 Raven black locks bouncing carelessly,  
 Along with his beard, jutting out fearlessly,  
 In his hands is clasped a secret bag,  
 Even equipped with a "Flower Power" flag.  
 In the class he was unmasked and revealed  
 "Oh no!" gasp the class, "Snoopy save us" they squealed.

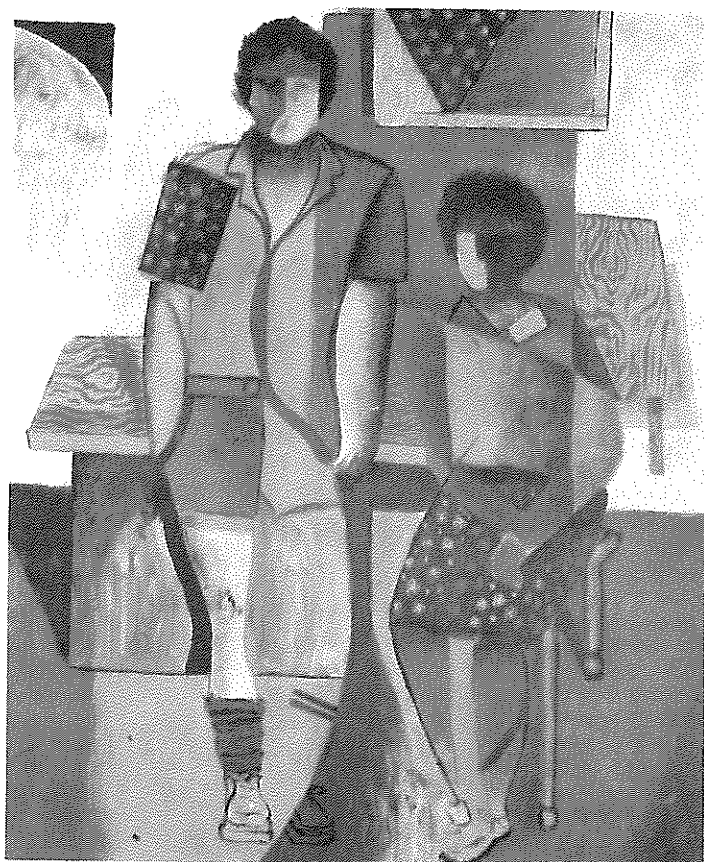

Q What goes bounce, prick and shhhhh?  
 A An idiot playing basketball with a fencing pole.

No seriously folks, he's not that bad. In fact  
 he is a treasure to our school. He has trained  
 some of the country's finest shish kebapers, oops  
 I mean fencers.

(PS I was paid to write that compliment!)

*"As a sixth former you are able to use the sixth form year for your own ends. Gone is the rushing off to class the moment the bell rings, now you sit back to watch the rest of the school rush then casually wander off to class. "What about the teacher?" you say. "Surely he's going to have a fit." But no, he's soon reconciled with a brief excuse - "I had to see so-and-so" or "I was just getting my homework from s-and-so".*

### MISS GRAYSON

*Here she comes, science-bunny of the decade - yes that's what our bespectacled lab-ferret means to us. After all, who would be filled with such optimistic enthusiasm when faced with a blank sixth form class? She has the gracefulness of a ballerina, jumping high to reach the blackboard, twisting circles round us with her very original theories and deserving a standing ovation for her bizarre chemical reactions when in certain moods. All this is not accomplished easily for the pocket-sized netball coach. However her detailed sex-education classes fulfill a pupil's wildest dreams of high school science.*

*So next time you visit Miss Grayson's lair, and she asks you to "kindly remove that chewing-gum" while squinting at your neighbour, remember the harder social-life she has at home and be easy on her for just 45 minutes longer, or you may be clutching a bucket around the school at 3.30.*

## A TEENAGE SUICIDE?

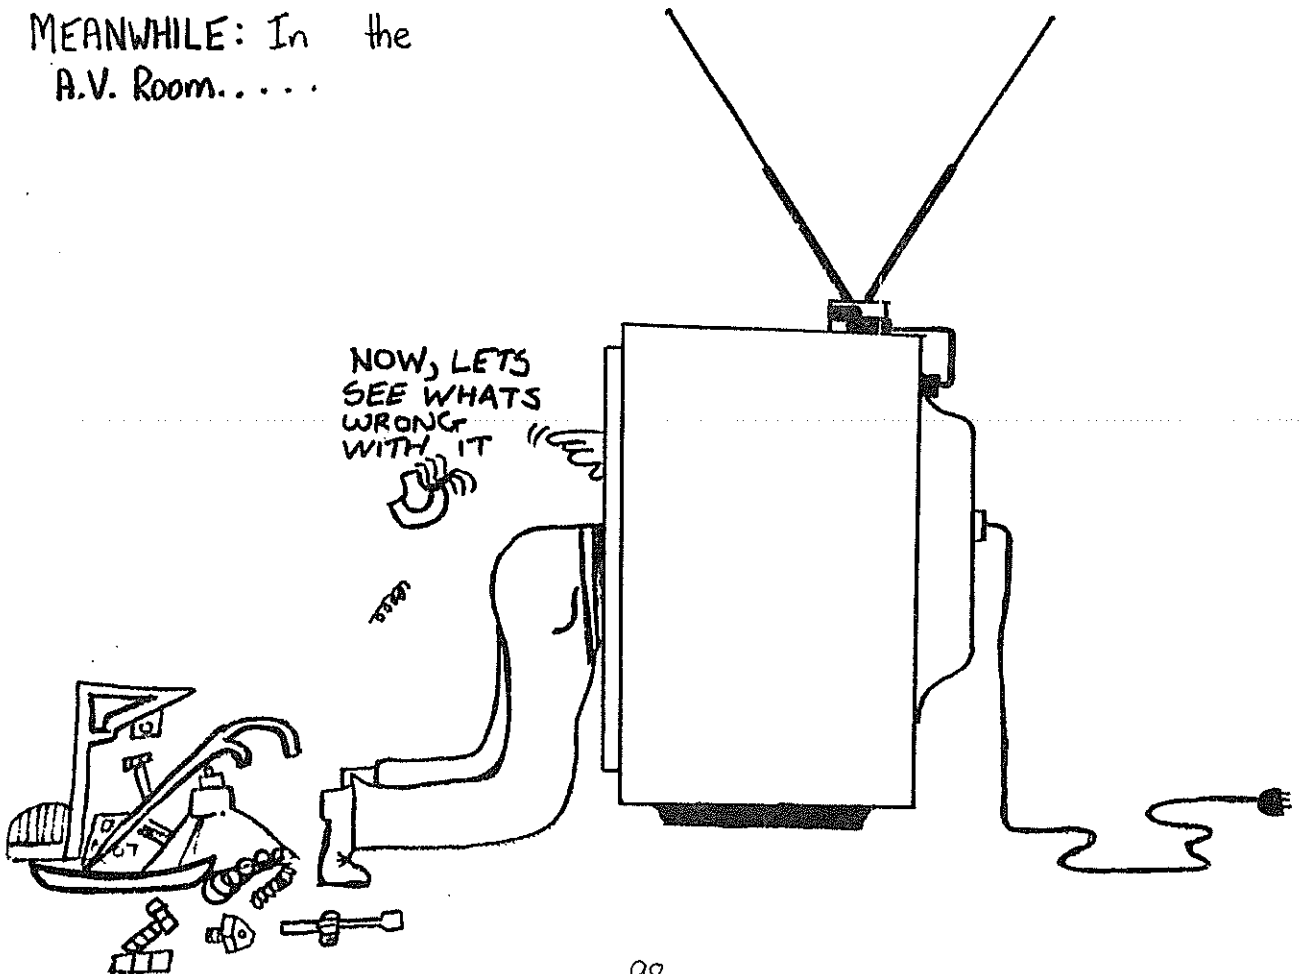

The stresses and strains of adolescent problems forced young Reed Robinson to seek attention from his peers, and attempt to take his life, in a way so drastic that only Michael Jackson can tell of the results.

For Reed, a healthy-minded, curly-haired heart throb, challenged fate one desolate day. He had no hope left! This act committed on his birthday (believe it or not). When the bunsen he lit, Reed's animal magnetism enticed the flame to plow through his forest of innocent curls. Friends watching in awe rushed to thrash out the flames leaping across his scorching skull while Reed screamed in agony. Reed's illuminated head was glowing with embarrassment as the dauntless Mr Donald (the teacher present) scolded Reed for his suicide attempt.

To add to Reed's adolescent complications, his lush velveteen pencil case also fell victim to the perils of the lighted gas.

Reed's birthday candle had been extinguished!

MEANWHILE: In the  
A.V. Room.....

A WORD OF  
ENCOURAGEMENT  
FROM OUR MATHS DPT

GOODBYE MY LITTLE  
SMURFS AND REMEMBER  
TWO X TWO = FIVE  
HEH HEH HEH

ATTENTION

... step right up and witness this forgettable dazed example of human error. For Theodore Mullinder is the only walking tooth-brush at Papakura High. However his tremendous sense of humour is only matched by his barber's bill.

Mr Mullinder has performed two major achievements in his life:

a he reached his art class before the bell did (one Saturday morning)

b he made sense while narrating a slide documentary.

Fortunately Theo is a reasonably behaved teacher (house trained) and would make an excellent family art teacher.

PS Dark sunglasses are included in his luggage - please ensure he wears them as his pupils are dazzling.

OH NO, NOT MATHS!

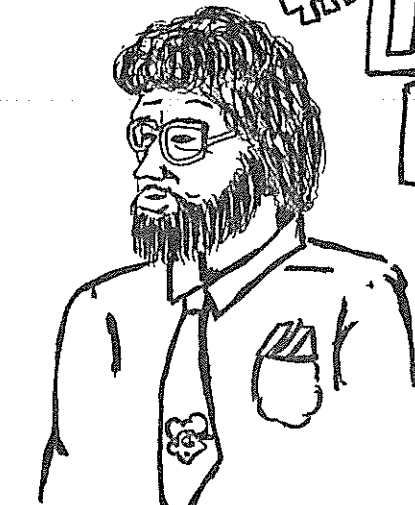

"What have we got next?"  
"Not three quarters of an hour of a boring test?"  
"I'm afraid so and it's algebra too!"  
"How will I survive, what will I do?"  
Brrringg .... thats the bell, oh and how could  
I forget  
An Algebra Test, I won't pass that I'll bet.  
I slumped down in my seat  
There it was the dreaded sheet.  
I sat there face to face with the enemy  
It was winning that was plain to see  
One look at it and I nearly died  
Every example no matter how hard, I tried  
I looked around to find everyone finished  
Staring at a ghostly me, something I hadn't  
wished.  
"Swap books for marking people and with  
no noise".  
I tried to do this with some poise  
Every answer I'm sure was wrong  
I sat there trying to be very strong  
Then my book was placed back under my nose  
I looked and I saw all of those ... those  
I wanted to shrink, I wanted to leave  
Good marks, I did not receive  
Bbrrringg ... oh the baell at last  
Out of that class I went very fast  
I ran down the stairs and out of the door  
Into my next class to start period four.

# MY YEAR

Sixth form 1985 has been most enjoyable. I have experienced new friends, and learned a lot from my mistakes. When I attended sixth form at the beginning of the year I said to myself "What a drag! All my friends have left and I am the only old warrior left to combat these young people around me. It's time to buckle down and do some hard, keen work." That's a laugh.

Honestly, the teachers are great, ;and humorous at times. Playing rugby for the Second Fifteen meant a lot to me. I wanted to be a champion like the first fifteen and lose all my games. (Hold on sorry Mr Foster that was just a joke.) All in all, the seconds played an outstanding game with one win and eight losses in , the competition games.

The school work in sixth form is arduous, but if you do it then the work won't pile up. However getting at least four to five assignments a week takes the icing off the cake. How is a student supposed to do at least ninety percent of work given and study at the same time? And I thought going out, and getting a job was hard.

Recently I met up with one of my past friends who left school from the sixth form during the first term of this year. He came up to me and told me that working was a drag. He felt bored, lonely and insecure. I told him that school is not boring, it's what you make it out to be.

After talking to my friend I realise how lucky I am to attend school, meet new friends and learn more. For you cannot stop learning.

I am enjoying school life and want to get more out of it before I leave, because personally I would've just felt a bit unsettled if I left school at an early stage.

I will always remember my sixth form year to be one of the best years of my life. Because students are friendlier the atmosphere is warm, and I love having my socks down when Mr Raffills walks by. It feels kind of exciting. Personally I have accepted the fact that accrediting is just a minor setback for those who are not accredited. I am prepared to sit the external examinations at the end of the year, because I know that I haven't pledged my full one hundred percent to my work.

When my mother asked if I was going to sit the external examinations, I said "Yes, of course you didn't pay the fee for the subjects for nothing."

Sixth form is great.

by John Maifea
