

People went to bed when they felt like it; some about 7.30 p.m exhausted. Everyone else by 11.00. Everyone slept well, - most got up by 8 and began to cook breakfast. Getting the fires started again always took time and breakfast lasted 1-1½ hours. By the time everything was prepared and cleaned up again. On Tuesday we tramped in the other direction along the river. It was another fine day, but cloudy in the morning. A few simple lessons on survival were taught along the way. How to make a stretcher, where to shelter if lost, what action to take if become lost. We had to cross the river (Whirinaki) in pairs and miraculously only got wet up to our thighs. Then we climbed scrub and heather. We saw deer tracks and smoke from the camp in the distance. To have lunch we had to descend, re-cross the river and find a sunny area on the river banks so we could boil a billy, make soup and sleep in the sun.

On Wednesday we went up Stoney Creek again, out alot further than on Tuesday.

On thursday we climbed 'The Mountain' at the back of the camp and met Mr Boston shivering in a bivouac at the top. He had climbed from the other side. At camp in the afternoon people bathed in the freezing river. In the evening we ate what was left of the food, sang, and talked for hours.

On Friday morning a tired, but happy group left Okui camp at eight for the road where we were met by a new N.Z.R. bus. We travelled to Rotorua where we stopped for a few minutes. We read the news of the week - the Pope had been dead for days, and we didn't know; Gary Hurring had been disqualified in the Commonwealth Games. We ate some civilized food - pies, chips, Kentucky Fried Chicken. Then we travelled non stop back to school and arrived just before three o'clock - and looking forward to a bath!

It was a great trip - we made lots of new friends and would love to go again. The teacher-pupil roles and titles were forgotten and the whole camp was marked by a true spirit of friendship. Thanks everyone!!

ALPINE BEAUTY

Overhead the cloudless blue sky.
The snow-clad mountain peaks
Towering majestically over this scene of beauty
And casting grotesque shadows over the surrounding area.
Down below the bright green forsts;
Man-made but beautiful;
Leading down to the edge of the grassy clearing
In the foreground the rippling stream,
Reflecting the beauty of the whole scene.
... All is natural ...

SUNSET

Dimly lit horizon, shadowed by clouds
A blurred array of colours gradually
came out of hiding.

Splashes of gold and red paint the sky
The darkish blues just melt away
Overpowered by the invincible force
Of vivid colours.

Clouds drift apart opening the heavenly
Light to awakening towns.

FREEDOM

The wild stallion, with fiery eyes and a
tangled mane.
Leading the pack wildly, carefree, across
the evergreen plains.
The thrilling sound of pounding hooves, as
they break the still cold water.
With ecstatic frenzy they rush by with
great speed.
The quick blur of their movement as they
go through the deep green forest.
Soft whinnies of mares and the dominant
snort of stallions.
As they travel on their endless run.
Their great but graceful strides form as
the pack gallops into oblivion.

SCHOOL - ANYTHING GOES!

What's the place where anything goes,
Where life can be easy,
And life can be hard,
Where they can make it hell,
Or Paradise,
It's up to you if you survive.

Maybe not the place,
Where anything goes,
They keep strict rules,
And try to keep order,
But whether they work,
Is different,
Because of the disorder.

Because of these lines,
You'll get the impression,
That school's a pretty bad place,
But, that would be wrong,
As you will see,
Life's not that bad,
In fact it hasn't changed since dad.

SCHOOL

School;
Mixed feelings of dread and enthusiasm
Tests and assignments come pouring in
Homework done with great distaste.

School;
People answering to the shrill of a bell
Muttering absently about the night before,
the kid over there, the friend of a friend.

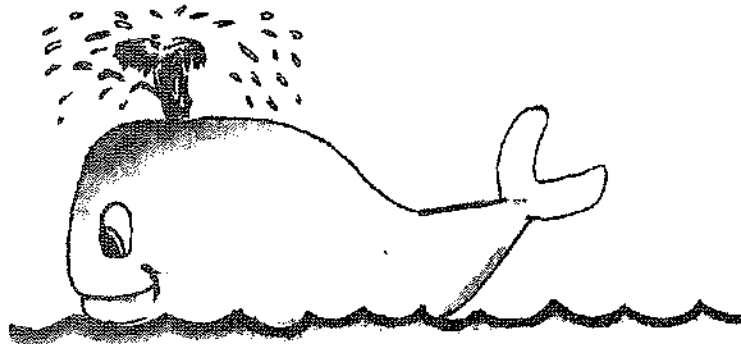

School;
Probably the most important part in a life
Why does it seem to drag by?
When dreams of a holiday spent come seeping in.

WHALES AND MAN

There they are
Frolicking, so natural and beautiful
And yet man is their deadly foe
His life obsessed with killing and destruction
He murders all beauty that surrounds us
Even his own kind
We are such ungrateful creatures
We should not possess so much power
We do not belong on this world of goodness
We only make the real owners suffer
The whales, the dolphins, the pure animal life
We are only visitors
We will not last long
And then earth will belong to its true inhabitants
Like it should be
For we will be gone
Gone
Gone

THE TREE

Its broad leaves,
Spreading like a rainbow of green.
Shading and sheltering;
Offering protection.

The trunk,
It holds the power,
The stupendous energy,
Of the wild beauty of nature.

And the branches,
Offerings to the leaves.
A spectrum of beautiful, but tireless slaves.

This, behold, is the tree;
A stranger, who stands alone;
Offering a display of never ceasing beauty.

DUST TO DOOM

While whizzing past galactic Mars
We eventually burst through surrounding stars
Aboard our ship the HMNZGSS Skulls
We had in our possession old Egyptian skulls.

These skulls were of quality rare
Made with real Egyptian flare
Made with the best limestone green
Such quality can no longer be seen.

Suddenly an atomic blast
and soon came the destructive mast
Deathstar 6 went flying by
and from its hatch came super fly.

It zeroed in from the rear
and tore off our destruction flare,
A sudden burst and then a flash
and there he was Tony Whiplash.

With a twist of its rocket booster
the fly let loose a flaming rooster
Suddenly the world went blank
and to the planet below we sank.

I landed with a heck of a clump
and there it was the Chinese bump
To the nearest Empire I quickly went
and to the jail I was suddenly sent.

To court I went very lowly
Where I was sentenced to hang very slowly
Slowly the world went green
and nothing was left where I had been.

A FAMILIAR WAY....

A crowd emerges from nowhere
Drawn towards an unknown force
Gathered together like a congregation

They come in buses and cars
Bicycles and on their own two feet
Where will they all meet

Their destination is afar
But it has to be reached on time
A bell rings out
Stragglers hurry, the crowd disappears

Silence,
School is now in session.

It crackled on the speaker,
The message that the man,

had hoped to hear.

"He's here," it said,
but not in so many words.
And when he strode from the station,
There was a meeting of emotions.

TALL STORY: THE ELF

Under a mushroom stood an elf,
He was trying to shelter himself.
Under a toadstool fast asleep,
The elf spied his cousin Bleep.

The elf, he was not afraid,
He ate his supper undismayed.
Along came Bleep, a hungry thief,
Started to run and slipped on a leaf.

The other creatures began to freeze,
The elf carried on eating the cheese.
On the hill out of his hole,
Sat watching, the wise old mole.

Sang he, "A fair while ago,
The elf he jumped to and fro.
But now I fear,
The elf is trapped in a snare".

TO A MAGPIE

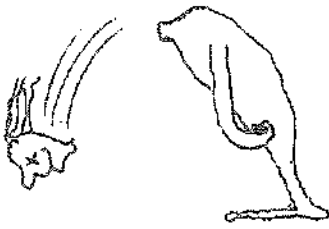

He swooped into our lives,
A flash of black and white.
A flutter of wings passed someones ear,
His raucous whistle sounded shrill and clear-
Proclaiming to all, "I am here, I am here."

Who had lost their beloved pet?
And a trained pet he was,
For he welcomed us home at the end of the day-
With a waddle and a skawk and a "Giddy Mate."

He strutted about the lawn as if he owned the place.
"Caw, caw," he said, with a grave stare upon his face-
Where did he come from?
Where did he go?
Nobody knows, nobody knows.

LOVE

What is love?
Where is love?

It can't be bought
It can't be sold
But is found in both
the young and old.

A feeling of ecstasy
Mingled with mist
A sign of contentment
and his gentle kiss.

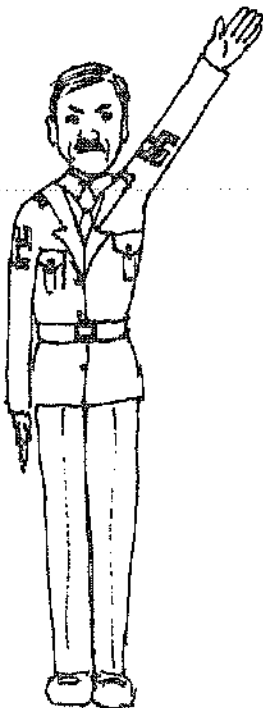

A bird in the sky
As free as the wind
A sign of the love
of nature entwined.

A woman with child
Her joy now fulfilled
Her undivided attention
And her heart with the thrill.

A spirit that floats
In the heart of the mind
And awaits it's awakening
From someone gentle and kind.

What is love?
Where is love?

LONELINESS

Like the sea without the sand,
The sky without the stars,
I am alone without you.

As I sit, the eerie darkness encloses,
not a glimmer of love flickers,
from broken dreams.

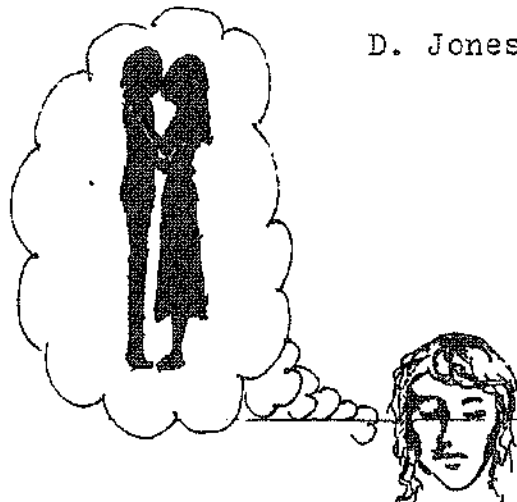

Waves of emptiness, helplessness
pass through me.
Why? Why did you go?

Looking around at Gods creations,
I think of you,
and of you only.

A cool wind touches my face
a pain, a tear,
Knowing you have gone forever more
and I am left.

Alone.

PEACE

The calm white doves of peace
Rise in hurried flight from a troubled world
The symbol of peace flees in the face of war
Chased by violence, greed and hate
A beautiful, shining angel banished
Her place taken by an eagle
The shadow of death.

The eagle, part of another war
A war created by a man they called Hitler
But all wars end, as this one did
The debris rots and from it springs a new world
This one without the fearful killing
The eagle leaves to find another place
And, in time, the doves will return
They bring again a quieter time
The doves of peace.

PROBLEM PAGE

Dear Myrtle,

I have this severe problem. You see I am extremely overweight, but I find that I can't resist the temptations of the school canteen; I go there only to see that tall, dark and handsome seventh former (whose name I will not mention, but I'll give you a hint-his initials are SF, not to be confused with science fiction)

Please help me to solve this crucial problem. I am finding that my clothes don't fit me anymore Please help!

From Mere Male

Dear Mere Male

There is only one solution to your problem and that is for the school to fire the present male seventh former involved with canteen duties. Also you could see a specialist about your weight problem; he will probably advise you to have a work out in the gym with Morrie(alias the balding head of the P.E. dept)

From Myrtle

Dear Myrtle

I do not consider myself attractive, but the male population of the school seem to think I am. Whenever I appear in my sexy short skirt and my halter neck top, I am immediately surrounded by a group of young, frustrated males. Please advise me on what action to take with regard to these nuisances.

From Meek and Mild

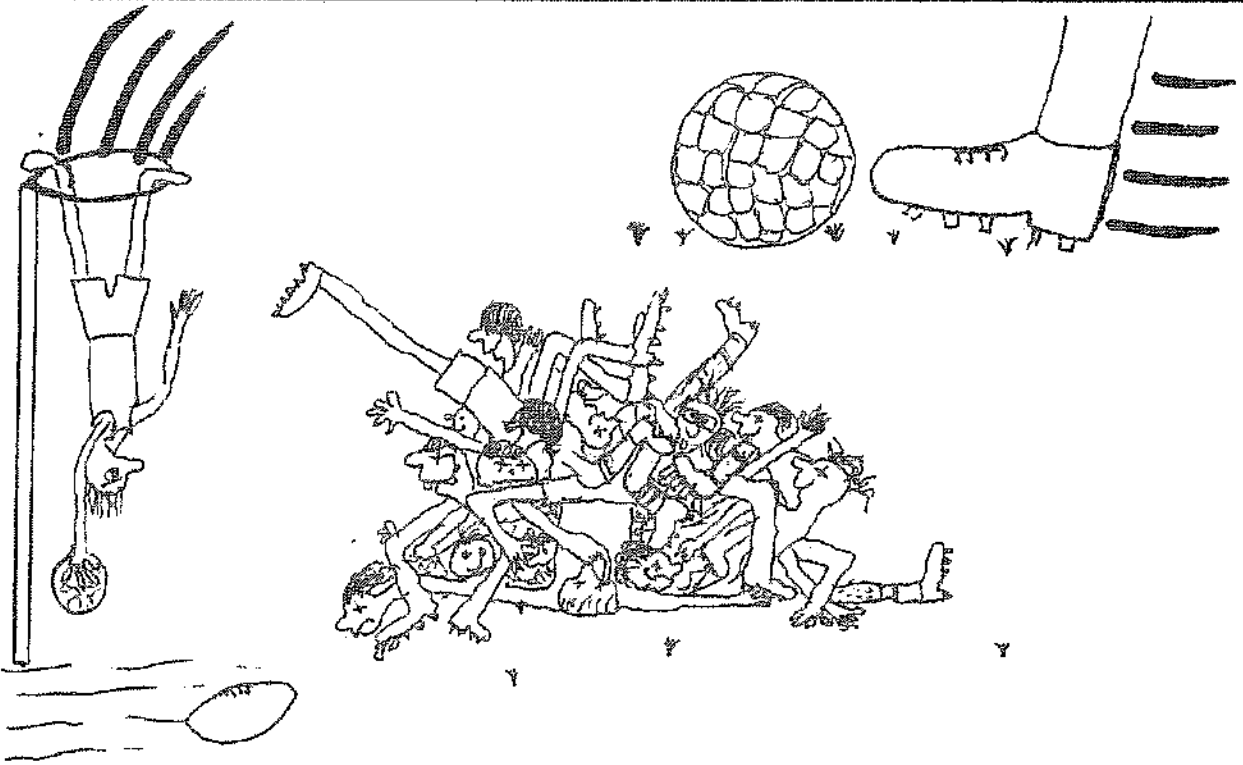

Dear M.M

The only advice I can give you is to tell you what I would do myself..That is...RUN!!! Otherwise you could always get them to ring this number for help....2999970.

GYMNASTICS

GYMNASTIC CHAMPIONSHIPS

This year gymnastic teams did very well in the championships. With much help from their coach Mrs Sherwin they were able to complete first in the South Auckland and then in the Auckland Championships.

Two teams competed in the novice grade and two in the C grade at South Auckland.

Novice Grade:

Team 1: Sara Manu
Taima Hudson
Gayle Schroder
Teena Groshinski

Team 2: Ruth Hatch
Katherine O'Brien
Jenny Waldron
Kim Flavell

Reserves Dawn Moller
Desirae Wharerau

C Grade

Team 1: Lesley Robson
Annette Linkins
Cathy McCulloch
Lynette Crookes

Team 2: Jacqueline Davis
Glenda Farac
Leanne Kite

The Novice Grade Results were:

Individual Placings: 12th K. O'Brien
8th R. Hatch
7th T. Groshinski
2nd= T. Hudson
G. Schroder
1st S. Manu

The number 1 team was placed first and the number 2 team third

The C Grade Results were:

Individual Placings: 12th J. Davis
8th L. Crookes
6th C. McCulloch
4th A. Linkins
1st L. Robson

The number 1 team was placed first.

RESULTS

Two C Grade teams went on to compete in the Auckland Championships at Avondale College on 16th August.

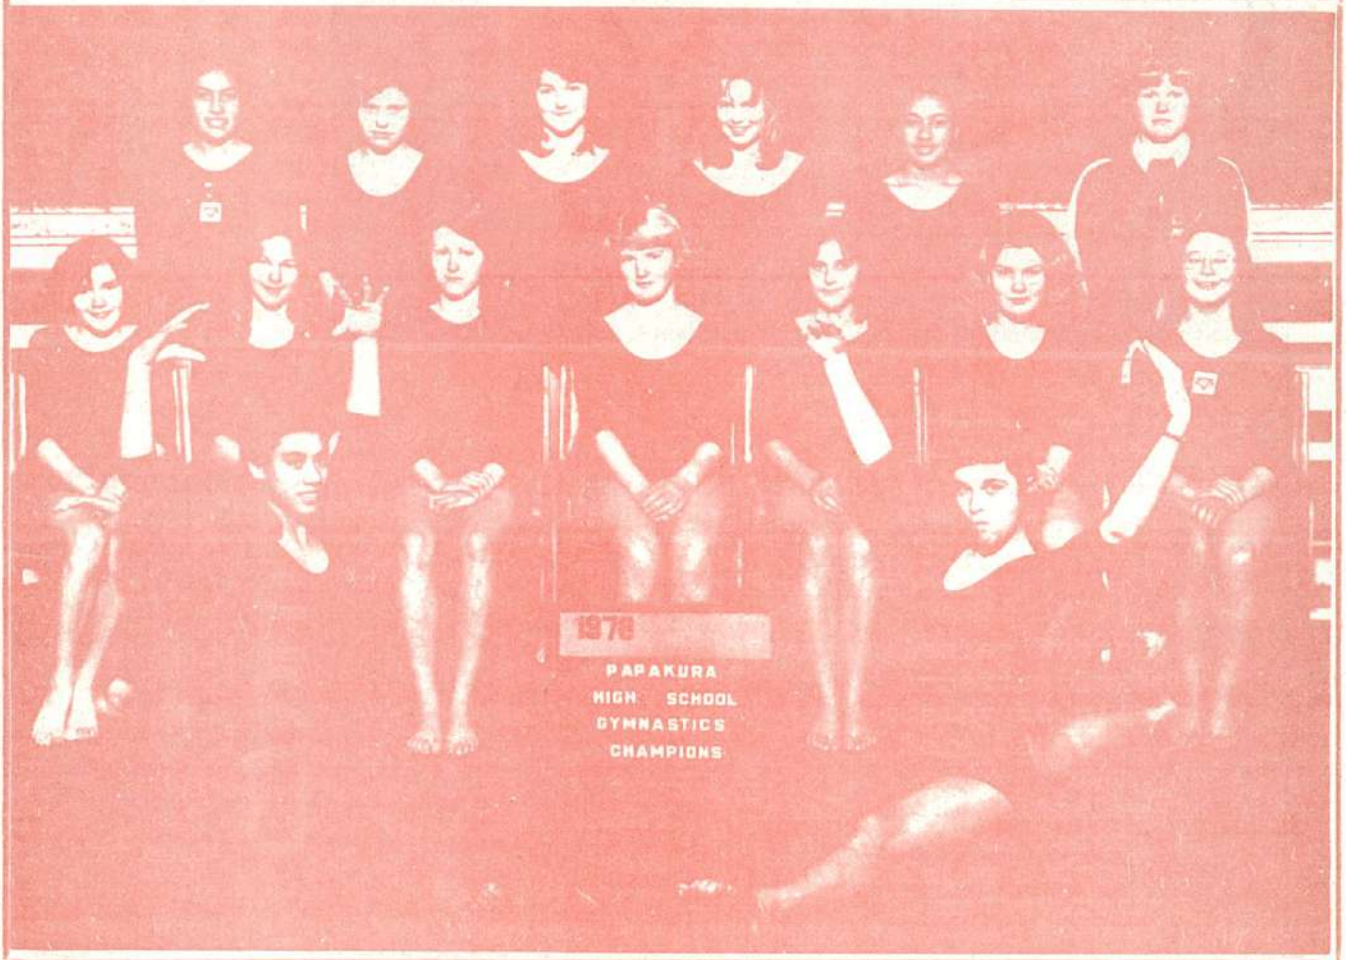

The Team Members:

Team1: Lesley Robson
Annette Linkins
Cathy McCulloch
Sara Manu

Team2: Jacqueline Davis
Glenda Farac
Taima Hudson
Lynette Crookes

Reserves Leanne Kite

The results were very good with the first team placed third, and the second placed fourth. There were 21 teams in the competition. In the individual placings Lesley Robson came, 2nd.

NETBALL

"A" NETBALL TEAM

The A team this year consists solely of pupils ranging from the 5th to the 7th form. The members are:

Linda Gasson (captain)
Keri Williams
Iti Joyce
Lorraine Dunn
Annette Cately
Moana Hudson (vice captain)
Michelle Newman

We have not been as successful in the competition as we were last year but this can be attributed to the fact that because of last year's success we have been put up a grade. The competition is now harder but it gives us many good and close games. We have lost more games than we have won, but this leaves plenty of room for improvement.

COACH: Mrs V P Davis

This team played in the Senior C and although their results weren't fantastic they put up good struggles against older and more experienced teams. Mrs Davis was a good coach who taught the girls well and as the season progressed their play, became more of a team event, with everyone working in well with each other. Again we'd like to thank Mrs Davis for giving up her time, to coach for us.

Mrs Sweetman

Our team plays at Smiths Ave Courts every Saturday in the Senior 5 Group.

During the few months we have been together as a team, we have had a number of successful wins against teams from all around South Auckland.

Our wins are due to great spirit of the girls and the expert coaching of Mrs Sweetman, who is also occupied in a netball team of her own.

If the game spirit keeps up we think we will continue on to have a successful season.

C team is not top on the list in terms of play but is probably tops in spirit. Throughout the season, the spirit has been aided by our devoted coach Sandra Marshall, whose force at practice has paid off for the team. Thank you Sandra. The team lost one of our best players, Daryll Dixon as a result of a netball injury to her foot.

THE 3RD FORM TEAM

The following seven girls make up the team with one reserve.

In the team are:

C = Karen Winzer

WA= Kelly King

WD= Dianne Caldwell

GA= Taina Heka

GD= Kim Flavell

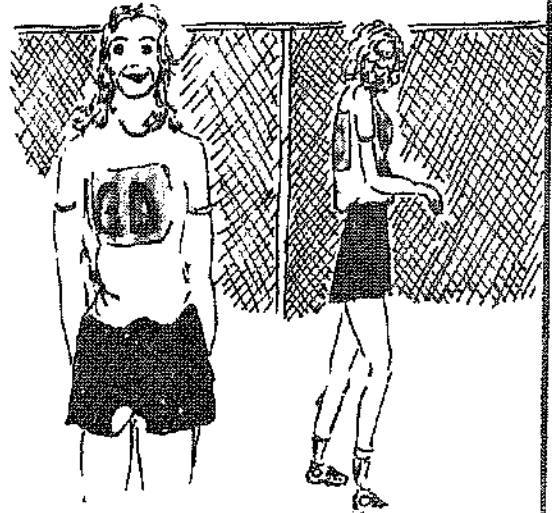

GK= Heni Oti

GS= Karen Bourke (captain)

Reserve= Lynette Kerr

We are all trying our best to represent our school. Our coach is Mrs Frith who helps us immensely over the weeks. We enjoy it especially when we get our goals. It is an enjoyable sport.

CONT'D

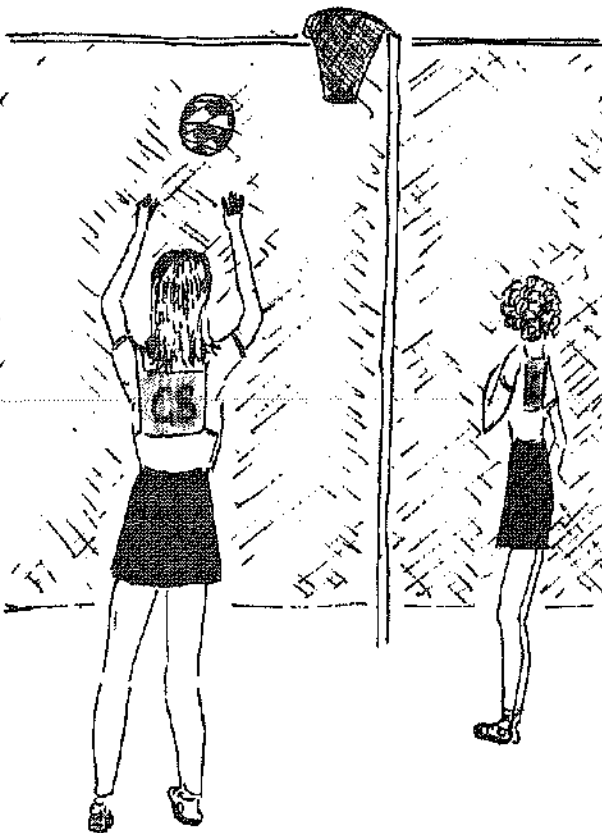

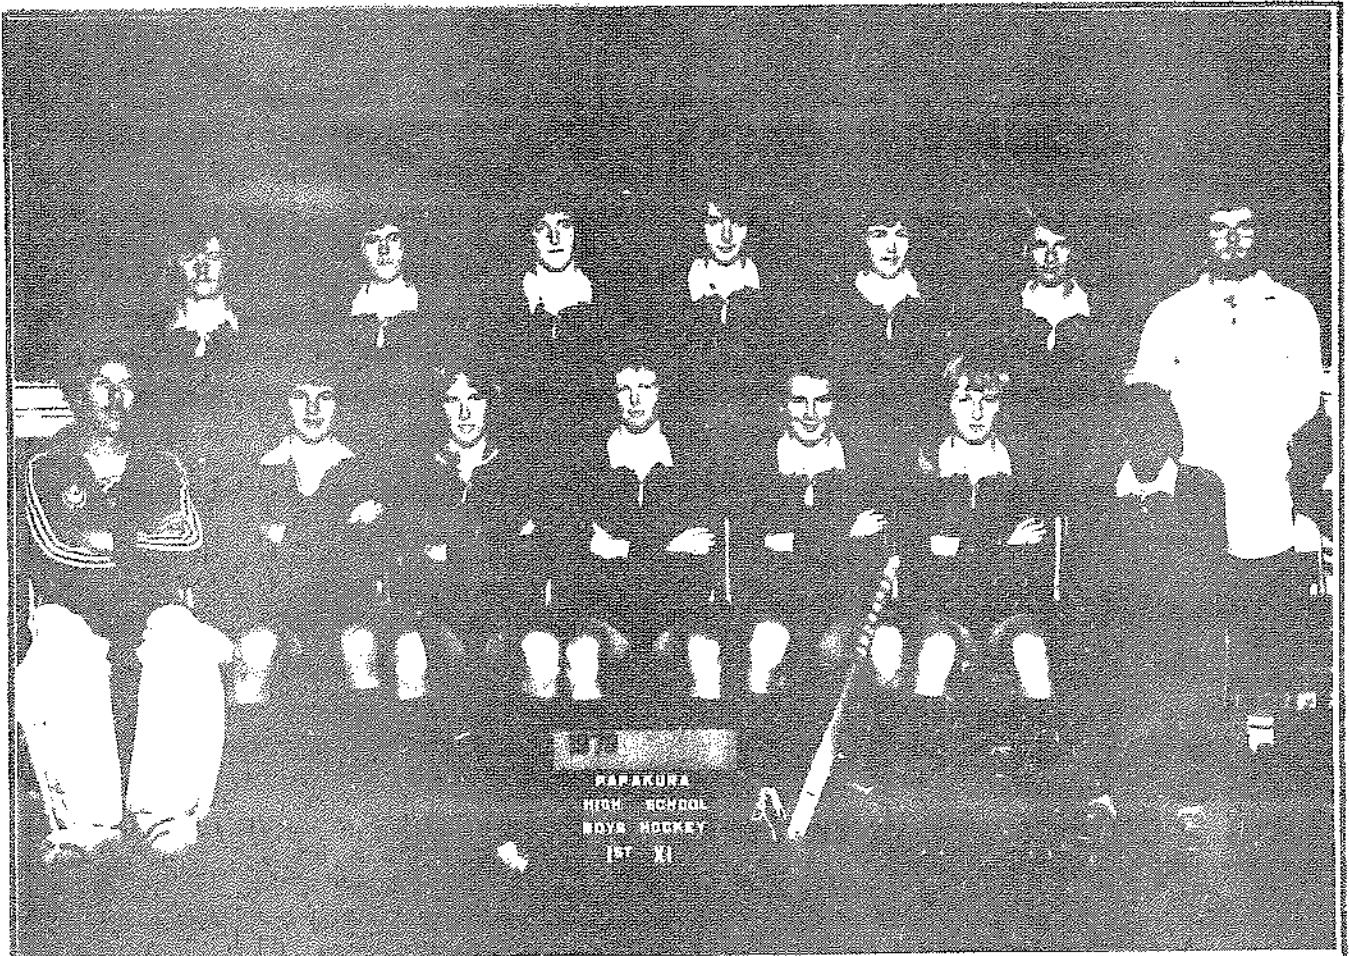

NETBALL 1978

There are 5 netball teams playing in the Saturday competition this year, which is an increase of 3 teams since last year. Our teams have not won all their games but the girls have developed a very good team spirit and attendance at practices has been very pleasing.

Linda Gasson of the A team was selected in the Secondary School Rep team - congratulations Linda.

My thanks go to Mrs Rodden, Mrs Sweetman, Mrs Frith, Mrs Davies, Moana Hudson and Sandra Marshall who have all turned out regularly to coach or support our school teams. Next year I hope to see many more girls playing in school teams.

BOYS FIRST XI HOCKEY TEAM

The first XI started the season strongly, with convincing wins over Rosehill and Manurewa. As the season progressed our record was not so impressive. We lost several games, most of which the score was by only one or two goals. However, although our standard of play was high, we could not finish off many of our moves. Many of the goals scored against us were the results of bad luck, not the results of the opposition's skill or our lack of it.

Midway through the season 6 players: G. Byron, P. Cooper, E. Motu, T. Bennett, R. Tala, and G. Bishop were in the trials for the Auckland Secondary Schools Rep Team.

Thanks must be given to Mr Frith who coached (?) us and gave us much advice during our games.

BOYS' SECOND ELEVEN HOCKEY

This year's second eleven hockey team is admired for its effort. It is not known for its brilliant wins, but the team always tries to turn out.

In the last month we have had three new members in the team; George Rooks, Mark Bilton and Simon Bilton.

From the beginning of the season until the 13 July the team had had; two draws, three wins and five losses.

We have seen lately good play by Ian Barker (goalie), Peter Keen (right back), Alan White (right inner), David Foley (left inner), George Rooks (reserve), Mark and Simon Bilton (reserves), and Stephen Hocking (captain).

WRESTLING

WRESTLING

Held on the 13th August this year were the Secondary Schoolboy championships.

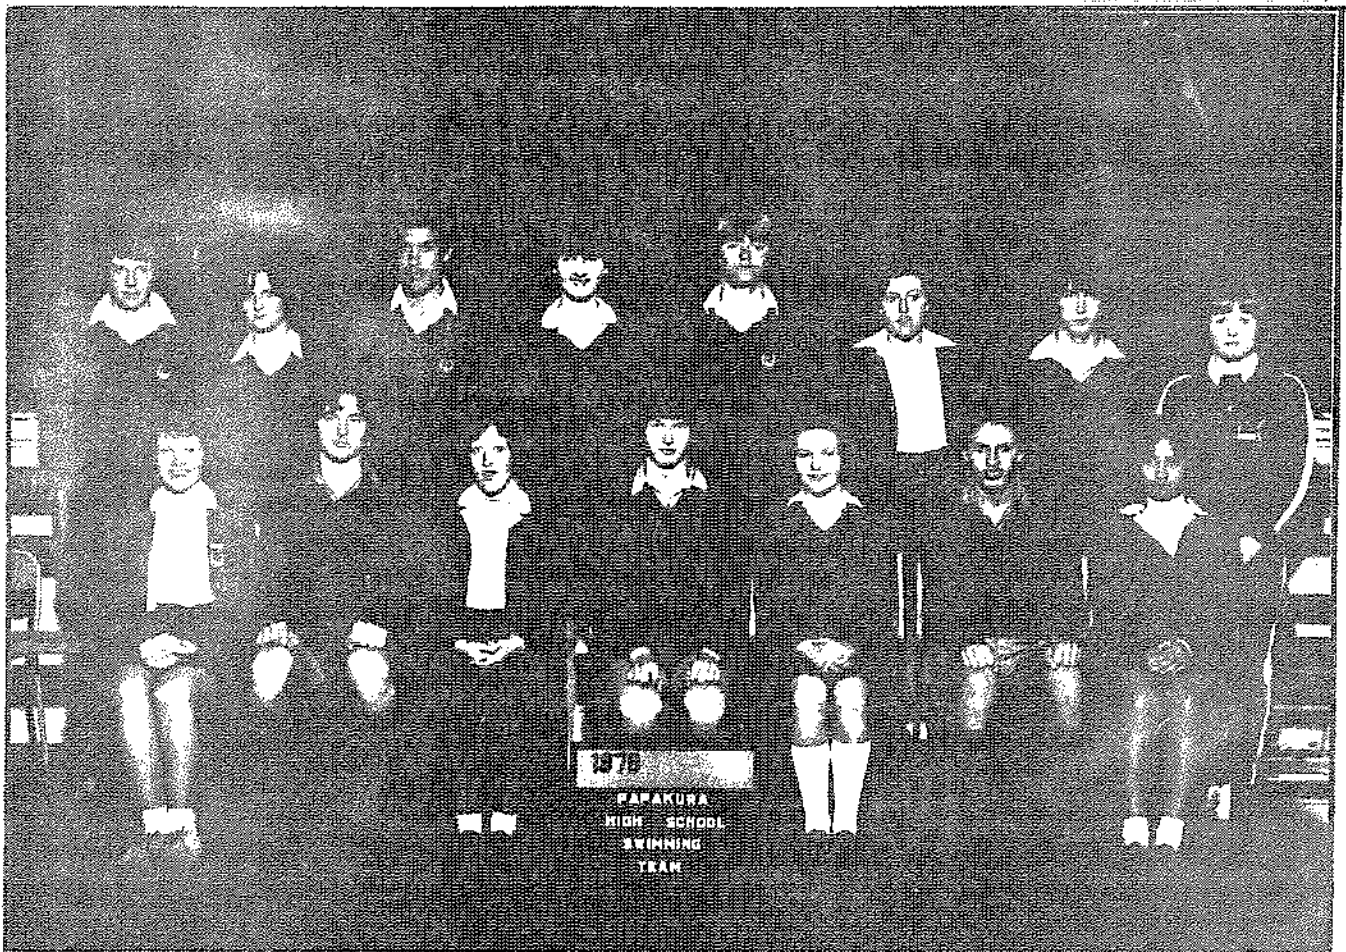

Papakura High School had a strong team with individual honours going to:

B. Pearson	- third	- 57 kg class
A. McClure	- runner-up	- 68 kg class
L. Patrick	- third	- 68 kg class
S. Phipps	- third	- 74 kg class
R. Barber	- third	- 82 kg class

Our team came in third place also (out of 17), so well done Papakura and let's see this reasonably new school sport increase in popularity even more next year.

SWIMMING :

SWIMMING SPORTS 1978

The School Swimming Sports, held on February 16th and 17th, were a damp affair this year.

The weather was fine for events on Thursday morning and the fervent hope was that it would continue for Friday. Form events on Friday morning were entered into enthusiastically (to say nothing of boisterously), and the weather held for the rest of the morning's events.

At lunchtime the heavens opened, resulting in prospective spectators remaining at school and competitors only returning to the pool for the afternoon. The rain, however, did not dampen the spirits of those present and the remaining events (in particular the House relays) were swum amidst enthusiastic cheering from the sudden spectators who were huddled under any shelter they could find.

It was disappointing that the school could not be present to watch the sports (particularly the form events) but it became clear earlier that there was no solution which would please everyone. For that, I do apologise. My thanks go to the officials who did their jobs efficiently and without complaint (especially those of us who had to stand for 2 hours in the teeming torrents!) and to the swimmers who kept on going regardless!!

Above all, congratulations to Mr Shirley who picked the only wet day in 2 months on which to hold the SWIMMING SPORTS!!

Auckland Secondary Schools
Swimming Championships - Girls

On Thursday, 2nd March, a team of 18 girls competed in the Auckland Secondary Schoolgirls Swimming Championships held at Newmarket Olympic Pool.

Team Members were;

Donna Bourke
Fiona Dalziel
Lynda Jarratt
Michelle Wynne
Pania Hudson
Leah Hura
Joanne Barriball
Sandra Junge
Jocelyn Solly
Joanne Van Dam
Christine Hohepa
Julie Duggan
Leonie Sandbrook
Linda Trebilcock
Christine Graham
Ilivani Kalivati
Letitia Van Noordt
Lynnette Steward

The competition was very stiff with schools like St Guthberts College and Diocesan dominating most of the events. Consequently Papakura did not manage to get into any finals despite a good effort from all members of the team. The girls deserve to be congratulated for the cheerful and enthusiastic way in which they contested their events.

Manukau Secondary Schools
Swimming Championships 1978.

On Friday 24th February a team of 26 competed at the Manukau Secondary Schools Swimming Championships. The results were as follows;

Tony Duggan - 1st in 150m Freestyle; 50 metres Breaststroke 5th; intermediate boys' grade
Stephen Wynne - 2nd in the 50 metres Butterfly. Third in 200 metres Freestyle: Senior Boys.
Gary McIssac - 2nd 50 metres Backstroke. Third 150 medley boys open.
Grant Rouse - 2nd 50m Butterfly Intermediate Boys.
Dean Brown - 3rd 50m Freestyle Junior Boys.
Christine Graham - 2nd 50 metres Backstroke Junior Girls.
Fiona Dalziel - 3rd 100 metres Freestyle Senior Girls.
Linda Trebilcock - 3rd 50m Breaststroke Intermediate Girls.
In the Intermediate Boys 4x50m relay our team gained first place.

WATER POLO RESULTS

Gary McIssac, Charles Lever and Tony Duggan were members of a local water polo team which competed in Wellington recently. The team won 3 out of 3 games, taking the National Title.

Gary McIssac (4h) and Tony Duggan (4h) together with Charles Lever (3j) were picked to play for the Auckland Representative Water Polo under 15 team in the National Championships held earlier in the year at Wellington. They won all their matches.

Fencing Club
1978

This year has proved to be a very successful one for the club. Membership has swelled to 35, of whom approximately 28 are 1st year fencers. The upsurge of interest from the junior school leaves coaches optimistic for the future.

The most notable performances this year have been those of Brett Harpur who reached the final of the Secondary Schools, Qualifying Tournament, gaining 6th place; and Raymond Malpas and Peter Keen who both reached the final of the visual Championships gaining 5th and 6th place respectively. Of the juniors, Mark Bilton, and Keith Fong have been the most impressive.

Results

<u>Junior Tournament-</u>	K. Fong	1st

	V. Harris	6th
<u>Novices Tournament-</u>	M. Bilton	1st
	K. Fong	2nd
	M. Bengé	5th
	V. Harris	6th

Most thanks for the success of the club this year must undoubtedly go to the strong support by staff and past pupils of this school. In this respect we must thank Mrs Boston, Mr and Mrs Robinson, Mr La Trobe and Mr B. Irvine.

Ultimately it is hoped that more adult fencers from the surrounding Papakura area can be incorporated into the club, but due to overwhelming support from the school children, the club's gear is stretched to a maximum; and with escalating costs of equipment in this sport and limited availability of funds no immediate solution to this problem can be seen. Some relief has been generously given by many past pupils who have lent or donated their own gear for which they have no longer any use.

I look forward to a promising start to the fencing season next year, and anticipate continued support from our experienced coaches.

The team played well this season, winning the majority of their games (almost). The team got off to a bad start early in the season but came right with an outright win against Wesley College, with Graeme Syme taking nine wickets for twenty six runs. Paul Phillips had the highest batting average of 19, with McKinnon and Syme closely trailing. Paul Phillips had the highest batting score of 67 not out. Graeme Syme and Lyle James were the fire power of the team, sending explosive balls down the batting crease and annihilating the opposing side. Altogether, the team played well and we all hope for a prosperous 1978 season.

One out on the field
and one in batting

The "in" side tries
to "keep the "out" side out
and the "out" side tries
to get in

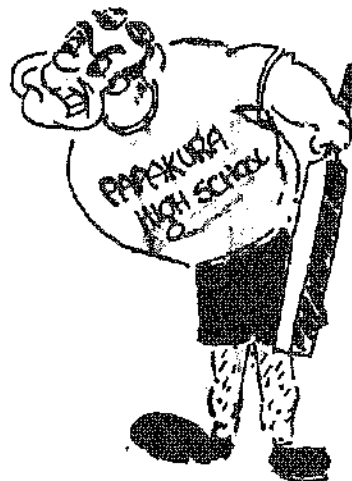

when the "out" side gets in
the "in" side gets out

so that the "out" side is in
and the "in" side is out

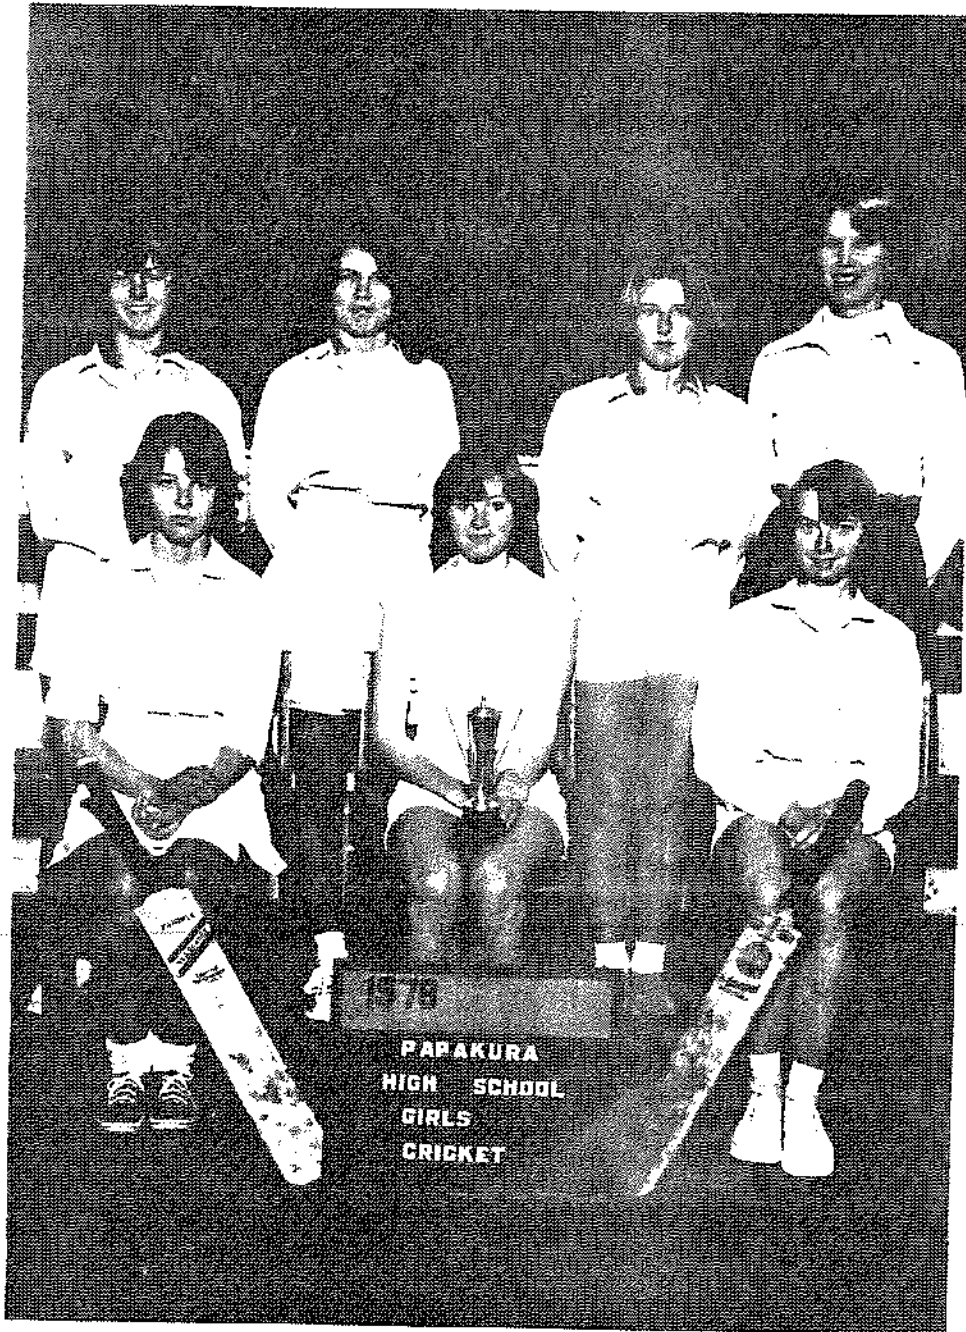

then the "in" side that is out
tries to get the "out" side
that is in... out!

that is how to play cricket...

GIRLS CRICKET

PAPAKURA HIGH GIRLS'

1st XI CRICKET

The Papakura Girls 1st XI cricket was this year represented by a group of united and enthusiastic players. Not only did we continue to improve collectively as a team, but individual performances were also of a high standard. Sharon Cately and Dorothy Dowden managed to play their way into the South Auckland representative trials an extremely impressive achievement.

This year the team has been grateful for the continued play of Sharon Cately and Lyn Dexter who, although have left school, still found time on a Saturday to come along and play. It has been good to observe the growing support given by friends, and family, particularly those who have helped with such details as transport. We especially thank Mr Elliot for his help as an umpire and coach, sacrificing his lunch hours and Saturday mornings to come along and assist.

At the end of the season we finished first in the Championships but after a disappointing game only managed to come second to Pukekohe Ladies in a knock-out series. However none of this could have been achieved without the continual guidance of Mrs. Cowlrick, our coach, and manager, also our best batswoman, gaining 181 runs in the 6 games she played for us. We commend the bowling of Dorothy Dowden and Kerri Williams who took 171 wickets between them.

This season has been altogether enjoyable despite the fact that our vice-captain has an average batting score of 0. However she made up for it in other ways. We hope next year's team will have just as pleasurable and successful time as we did this year and will always play with a good team spirit.

Tennis Championships 1978

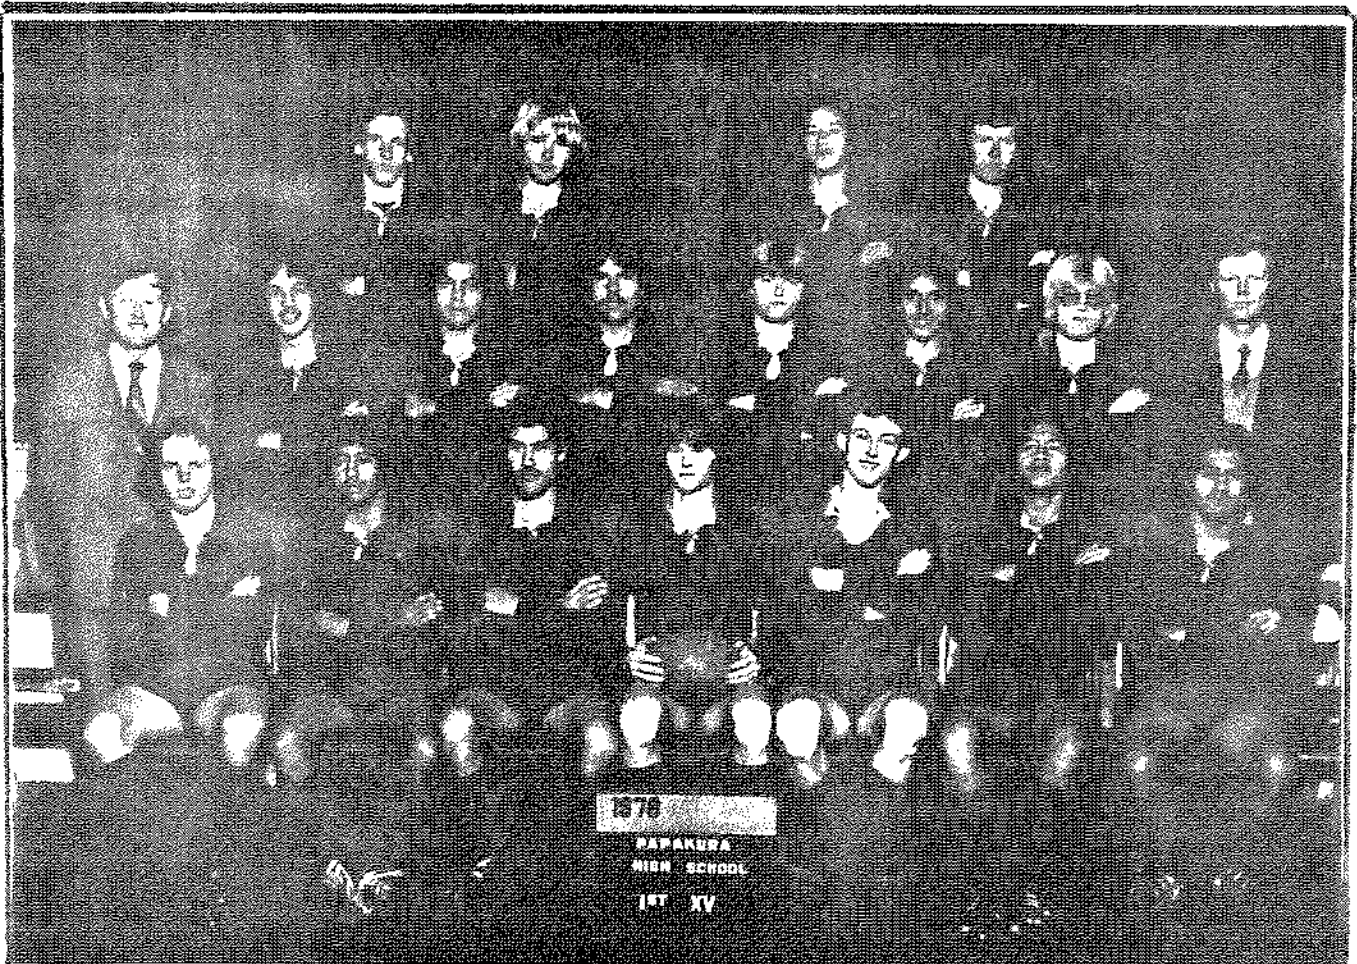

This year the P.H.S. tennis championships were held on two consecutive days early in March. It was felt that this way of running the championships was better for two main reasons.

1. The organisation would be easier over two days
2. Players would be at a peak - in comparison with early season form in October!

Play was of a high standard, particularly in the Boys' Intermediate Singles. Many games were closely contested, demonstrating the keenness that was evident throughout the championships.

The girls' entries were disappointing in the number that entered but nevertheless the standard of play was high.

In retrospect a successful two days of tennis.

RUGBY I st XV

FIRST FIFTEEN

Like last year, this year's team suffered from an extreme lack of experience, many of our players being fifth formers. Because of this the team took a long time to settle down. Consequently we lost a number of hard-fought matches through simple mistakes, narrowly losing (10-7) a relegation-promotion match against Waiuku in a curtain-raiser to the Counties-Manawatu game at the Pukekohe Stadium.

Playing in the second division we found our form and, against teams of our own size, our superior skills came to the fore. We took second place in this division, losing only the game against St Stephens. In all of these games we played open, entertaining rugby, much in the style of Counties.

For the first time, this year, we played against Morrinsville College 1st fifteen, in the mud. Though they were a big, hard-rucking, country team we went down by only a few points. By the time of the annual Thames encounter we were in top form, winning by 22 to 12. And in our annual trophy match against Rosehill we were unlucky not to draw or even win after being 13-all for most of the second half. A try right on full-time put Rosehill ahead by four points. This was certainly a vast improvement on our earlier game against this team when they won 24-6.

The most improved player of the year, Malcolm McKinnon, was awarded his trophy at the annual encounter, with Peter Morrison being highly commended.

First Eleven Soccer

This year's team was very much depleted from that of last year and this was reflected in some of the results. Towards the end of the season, however, the team started to combine better and some very good performances were recorded, the best being a 3-1 loss to the previous time we played them. We ended up third in the competition winners James Cook, compared to a 9-1 loss

in the competition behind Rosehill also. Our team showed promise in various ways though, with P. Grant always steady in defence killed many an attack, R. Hudson scoring many good goals, C. Lockwood, when he played, constituting much of our midfield, G. Neale always strong in both defence and attack, and W. Bower leading by example in general

3rd grade soccer

We had an average season in third form soccer, finishing 4th in the Manukau Secondary Schools Soccer League. I think this was a good performance because we weren't a very experienced team. Throughout the season I thank all the players who have stuck with us in our ups and downs. A few of our top players throughout the season were: Karl Morby (Top goal scorer), Adam Edwards (who pulled off a great save in Thames, spraining his arm in the process), Graham Farinon (our best fullback) Vern Harris, Geoffrey Tomkins, Lance Lark, David Whitburn, who are all good attackers.

Overall it has been a very good season and I thank all the players and our coaches, Mr. Stacey and Mr. Carter, and the parents who helped out with transport.

TAURANGA

EXCHANGE

THIRD ELEVEN ← SOCCER

Tauranga Exchange

This year our 1st XI soccer team travelled to Tauranga on our annual fixture. We travelled down with the second XI soccer and the first XI hockey team. We were received with a good lunch before our games. The actual game was one of the best the 1st's have ever played this year and our narrow defeat of 3-2 was not a clear indication of play. Good goals by Craig Lockwood, and Stephen Phipps proved good inspiration to the team for the rest of the game. Our school has never beaten Tauranga and this year's effort surely deserved a victory.

The second eleven also played well and won 3-1. Tauranga is noted for their very strong team and it was no surprise to us that they are six inches taller. However we played extremely well and came out the winners 3-1. It should also be noted it is the first time in many years that a hockey team has been sent to Tauranga. Well done all teams.

GIRLS HOCKEY

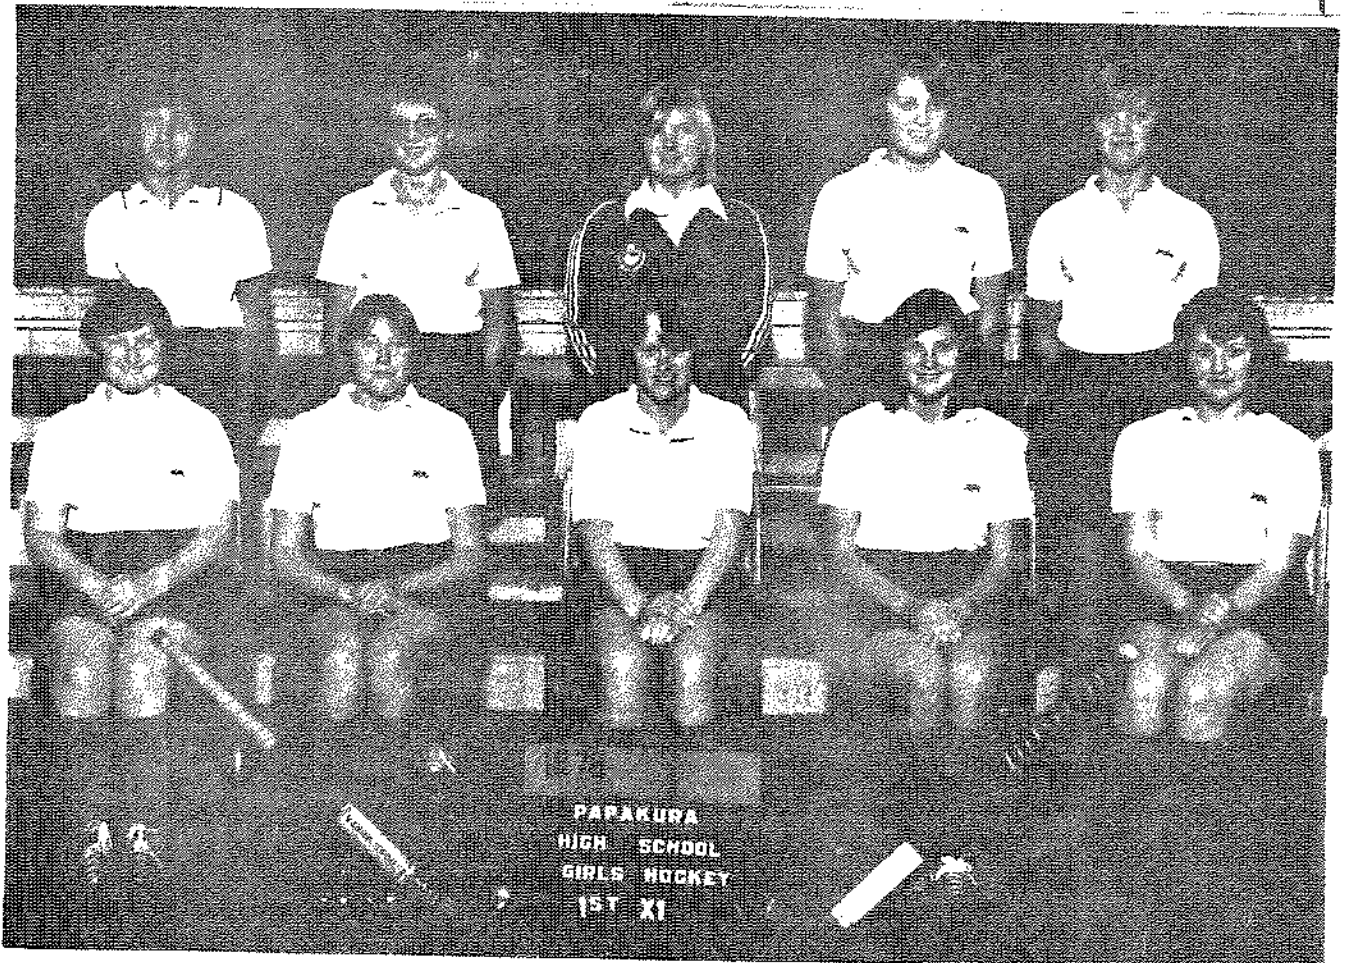

1st XI Girls Hockey

Although we did not have a successful season, the team played to its best ability with lots of enthusiasm and team spirit. We had tough opposition throughout the year but the girls' morale never faulted. Ground conditions were not to our advantage, both hindering practice and competition. Many of our games were played away from home ground.

Our thanks go to our coach, Mrs Rowsell, who had to put up with much frustration, and to the parents who supported us throughout.

2nd XI Girls Hockey

At the beginning of the season this team was quite inexperienced and for most of the girls it was virtually their first game of hockey. However, as time passed, a team spirit developed which was apparent both on and off the field. The team was fortunate indeed to have Savita Lala as its captain who took and coached the team and also took a personal interest in the girls.

Mid season a game was arranged between the 2nd XI girls and parents - the parents narrowly winning by seniority and a little bullying. This was a most enjoyable afternoon, culminating with afternoon tea in the pavilion.

The standard of play improved dramatically as the season wore on, and we were encouraged by parental support from the sideline each Saturday morning. We thank parents, too, for transport to and from matches.

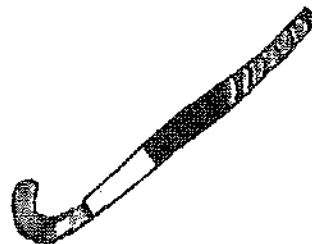

There are very promising players in the 2nd XI girls Hockey Team, but mention must be made Denise Betts whose talents as a goalie became immediately apparent and who is quite outstanding for a first year player.

Many thanks must go to our coach, Miss Sutton who had to put up with us girls. She always attended each practice, 3 times a week with out fail, and attended each match.

I'm sure all have enjoyed their competition this year and I hope to see them back in the hockey field next season.

Mrs E Godfrey and team have won the E. Grade competition the first school group to do so in many years.

Badminton 1978

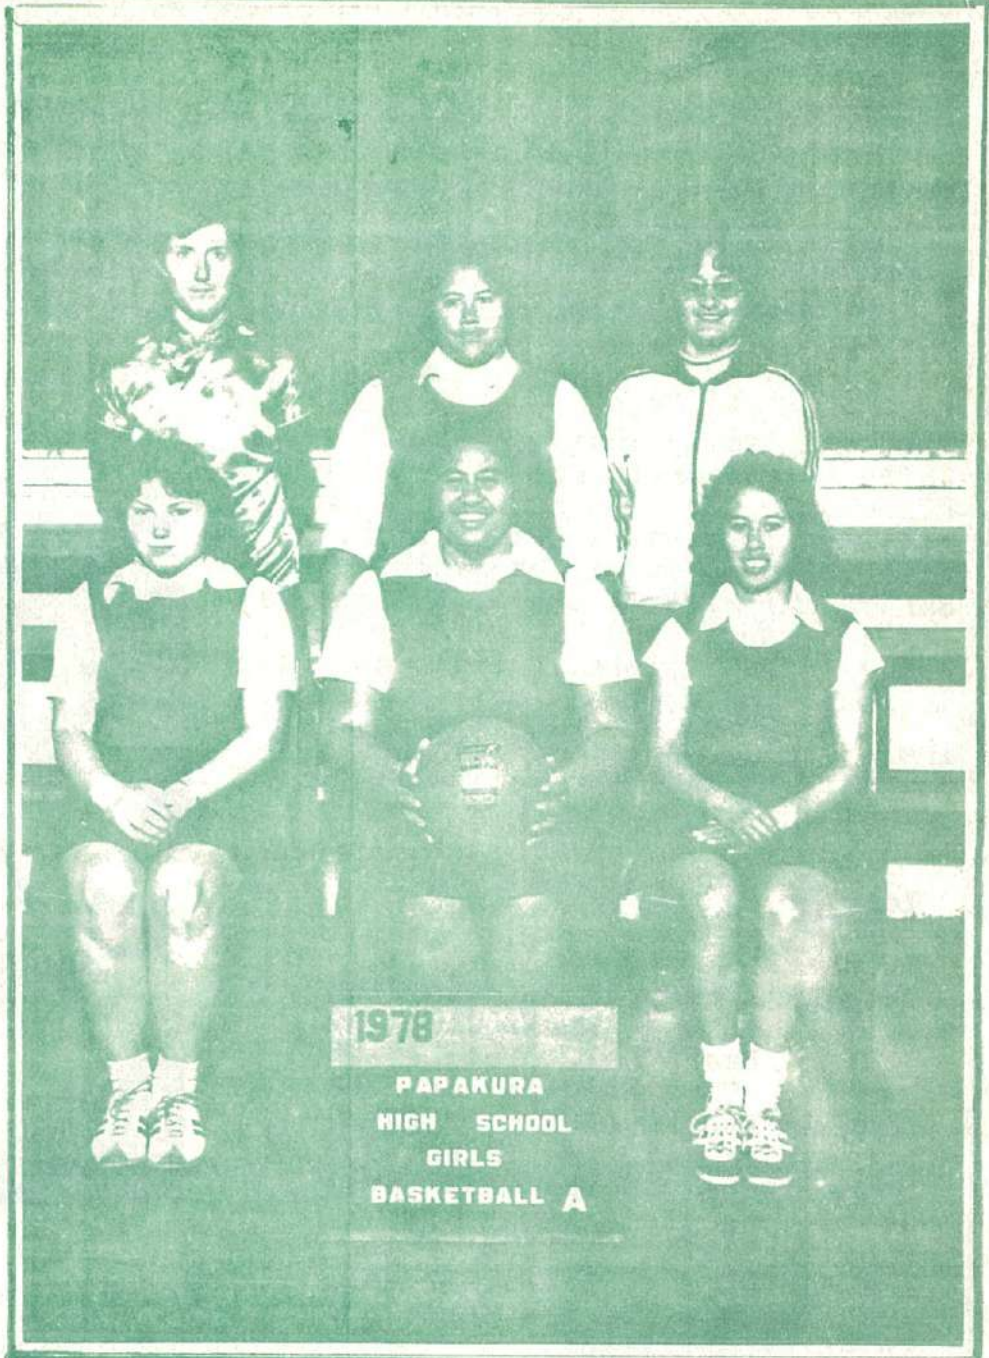

Papakura High School entered a team in the Counties E grade competition with most successful results. At the time of writing, this team is leading the competition. A most creditable performance for an enthusiastic, loyal team. The members of the team are Michael Kimberly, Jim Taia, Malcolm Wells, Malcolm McKinnon, Brent Nixey, Natalie Hellyer, Mrs Godfrey, Cindy Baker, Robyn Nixey, Kim Stanford-Davies, The team members have performed well in junior events both in Counties events and in Auckland, with Natalie Hellyer, Brett Nixey, Michael Kimberly, and Cindy Baker making the Franklin Reps in their age groups.

Jim and Kim won titles at the Counties open E grade, with Robyn and Natalie through to the finals, while Brett got through to the finals of the National Under 14 Boys finals. Both boys and girls teams were runners up in the South Auckland Secondary schools Tournament. The away trip to Thames this year saw a win to Papakura High School 11 - 15. Next year looks most promising with all the team returning and the prospect of two teams able to be entered in the competitions. A very informal club structure operates with all who are prepared to pay a nominal fee playing on Thursday lunchtime throughout the winter term. At the closed E grade champs Natalie Hellyer won the singles, Natalie and Kim the Ladies Doubles, Michael Kimberly and Mrs Godfrey the mixed doubles, and Michael Kimberly won the men's plate.

INDOOR BASKETBALL

General Report.

Girls Indoor Basketball this year was played on Wednesday afternoons in Papakura High School Gymnasium. Both teams were graded into the B grade and played other High Schools such as Rosehill, James Cook, Hillary and Tangaroa. Both teams improved greatly during the season, which started in April and ended on August 16th. This improvement was aided by the excellent attendance of the players.

TEAM A:

Mrs Robinson is our coach,
Short and sweet, without a croach,
But up the rear she's always there
Big and strong like mother bear.

In our gym awaits our court,
for we, the Pros, are dressed in shorts.

As our centre, Iti Joyce
Tall and lanky, what a choice!!
While on attack is Christine Atiga
Flies like a bird and shoots like a stinger,
And tagging along is Janet Lamb,
With muscles, as big as ham;
Sandra Marshall is one of the guards,
Big and strong and hits really hard,
While Anthia Marshall, the other guard,
is small and meek and soft at heart.

There's Miss Goodman on the side,
Marching up and down with pride.

Team B:

Hi there!
This is a recording, recording

but there is no Brian. The
other stars of the team are:
Cookie, who is Joanne Cook ,
Rosalie Smith, Eileen Kaio,
Kim Flavell, Mouari Terewi,
Ruth Davys, Angela Burns and
Kristine Griffiths.

When the opposite team is
coming up to get a goal they
need to throw the ball about 5
metres away from Robman
because she's a MEAN MACHINE!
(She likes to intercept the
ball and defend the goal.)
All the other players are
always around in support and
eager to score.

Thank you for your time.

Papakura High School
Orienteering

Orienteering only started in the school last year, but many pupils and a few staff have attended various events in the Auckland area. As a group we have travelled as far north as Waiwera, and as far south as the Maramarua State Forest to compete. The school entered in the N.Z. relays championships and won its class event from all over the country.

Orienteering is not only for the fast runners. Every event that is organised has four different grades, a wayfarers course for beginners, a novice course for more advanced beginners and two other courses for more experienced orienteers. These events are also divided into age groups so that you are always running against people your own age.

Orienteering is often called 'Cunning Running' or the 'Thought Sport' as you have to be continually thinking, which way is best to go, shall I go up or over, or take the longer route around the obstacle. In this way a slower runner, who plans his route, can often beat a quicker runner, who crashes through a lot of bush or takes a wrong turning.

But you don't have to come out and run fast. Many people just come orienteering so as to enjoy the outdoors, walking through bush, or over open farm land, enjoying the scenery, the fresh air and the open spaces.

It certainly is something different. It is a sport where you can compete against all sorts of people. There are not many sports in which you can compete against your whole family, or against your boy/girl friend.

Why not come and try it sometime. We compete almost every Sunday.

ORIENTEERING RESULTS

Michael Bell, Arnot Lafleur and William Hines, won the New Zealand Orienteering Relay Champions in their class, under 14 years.

An excellent effort by these boys who have only been Orienteering since May.

They were competing against teams from throughout the North Island.

Athletic Sports 1978

The Athletic sports started on the Tuesday afternoon and the whole school went over to watch. On Tuesday afternoon the hurdles were run, also other track events, including the longest race of the programme, the 3,000 metres, which was won by Ross Van Noordt.

The first afternoon went well and the events were all finished in good time. After the first afternoon of athletic events the house ahead on points was Bledisloe. The rest of the athletic events were held on Thursday, these events lasted the whole day and all the school went over for the day, except for a break for lunch. The events went well and the whole school reacted favourably; the events which received the most attention from the crowd were the relays and two teachers versus prefects races; teachers of course cheating by cutting corners etc, all in good fun, we hope.

The athletics were good fun mostly and should be kept that way.

Congratulations to the individual champions of each grade.

HOUSE SYSTEM

A history of the Houses by N.H. Thornton.

How the Houses were Formed and Named.

When I arrived at Papakura High School in 1963 I found a very keen, sporting student body. In order to put an edge to their enthusiasm and competitiveness, I felt that an inter-house competition would create interest. Consequently the school was divided into four houses, equal in numbers and with no particular system of selection.

A major problem was that of naming the houses. A competition was held but little was forthcoming until someone suggested that the names of prominent Governors-General be used. This was agreed upon and the four names now used, Bledisloe, Cobham, Fergusson, and Freyberg, were chosen. A magazine article a few years ago was written outlining the family history in each case, but briefly the reasons for choice were as follows.

Bledisloe: Lord Bledisloe served a double term as Governor-General in the early 1930's during the great depression. He was a man of the people whose sympathy for those in difficulty and his affection for New Zealand was widely recognised. He had a particular interest in farming. His generosity is shown by his gift to the country of the historical area of land at Waitangi where the treaty house stands.

Cobham: Lord Cobham had visited the school a year or two earlier. Like Lord Bledisloe he too had made a great impact on the community. He was a gifted speaker and what he said was listened to by all, with admiration.

Fergusson: Sir Bernard Fergusson was the third member of his family to have held the office in New Zealand. His military record in Burma was well known and much admired and while in New Zealand his forthright manner and his interest in the Maori people was widely recognised.

Freyberg: Sir Bernard Freyberg, New Zealand born, won the Victoria Cross in World War One and commanded the 2NZEF in the Middle East in World War Two. His achievements were much admired and it was a logical choice that he became Governor-General after the second World War.

Mr F. Graham designed and had constructed the house badges on display at the rear of the school assembly hall. Each shows the family crest of the Governor-General.

Colours were chosen at random, but the school colour of green was avoided as this embraces all houses.

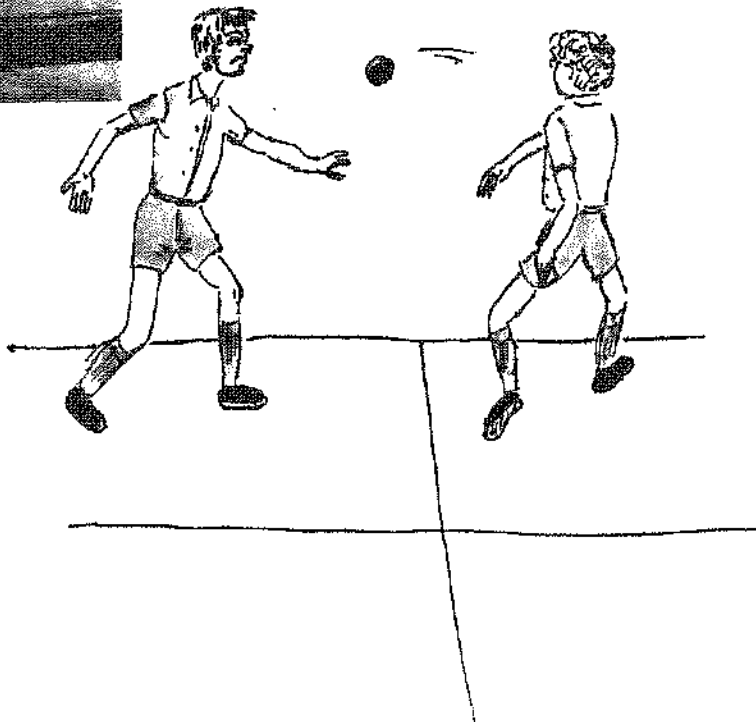

It was hoped that the house system would embrace all types of activities both on the sports field and indoors e.g. debating. In varying degrees this has from time to time happened, but the main development has been in athletics, swimming and cross country.

I shall never forget the hours dyeing boys' singlets prior to sports day to ensure that house representatives were easily distinguishable by their supporters.

INTENSIVES

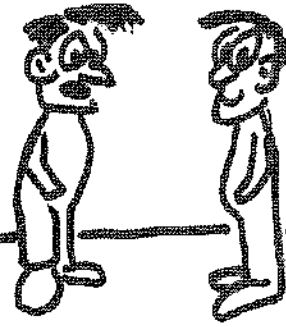

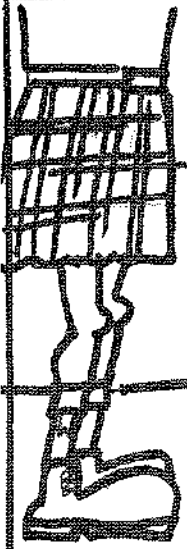

RELENTLESSLY OFF IN PURSUIT OF THE GREAT OUTDOORS..... FOR A WEEK. OR WORKING ON FEATS OF GREAT SKILL. OR NOT BEING BOTHERED AT SCHOOL, OR SOMEWHERE ELSE. GOING OFF INTO THE BUSH TO COMMUNE WITH NATURE, ANSWER ITS CALL OR SATISFY THE CRAVING FOR A QUIET SMOKE. ALL THIS AND POSSIBLY MUCH LESS ADDS UP TO....

intensives...

STRANGELY ENOUGH THEY'RE MOSTLY KEEN TO GET THE HECK OUT OF THE PLACE.....

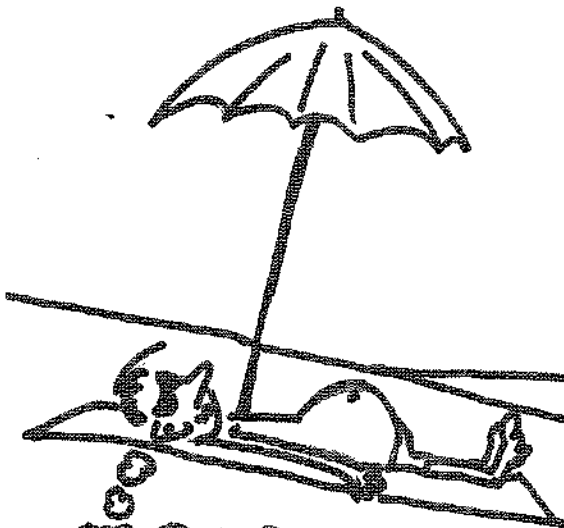

...INGRATIATING THEMSELVES...

GROVELLING? NO... THERE'S \$10 ON IT TO FIND OUT ONE WAY OR THE OTHER!

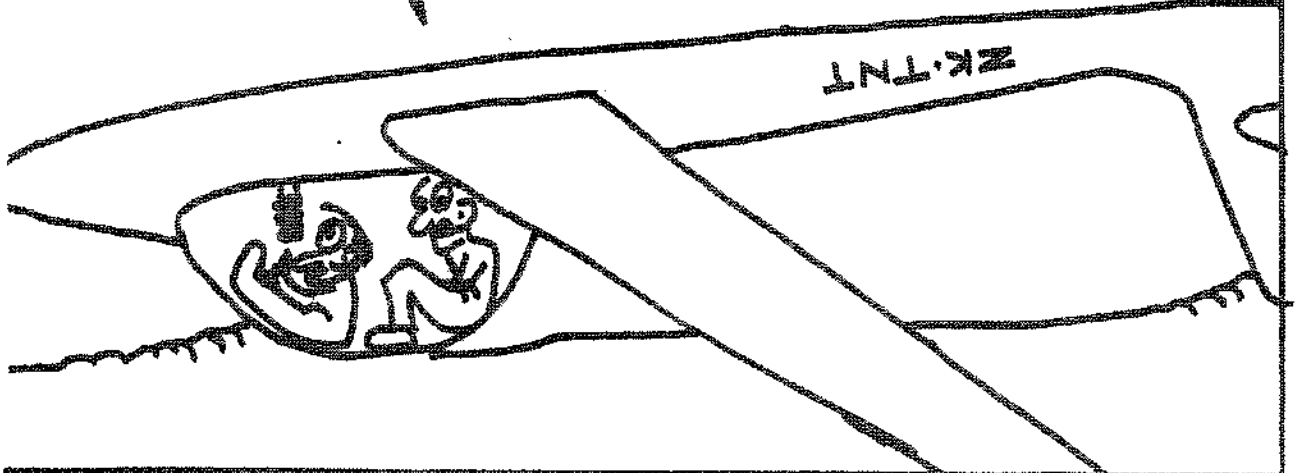

...RESTING IN THEIR PLACE IN THE SUN....

YEAH!

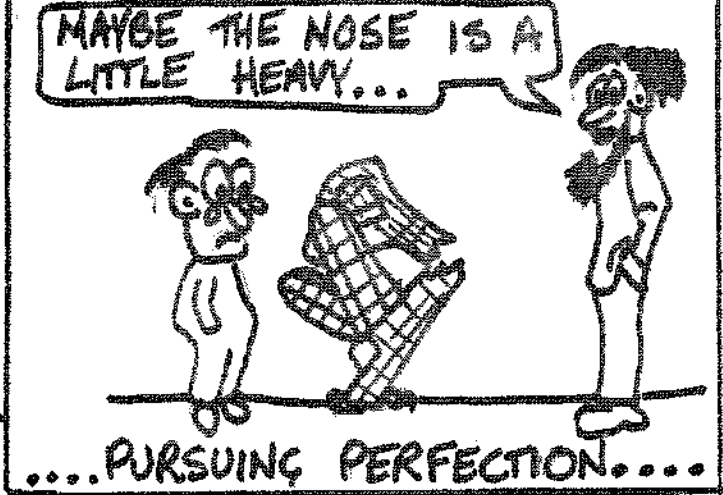

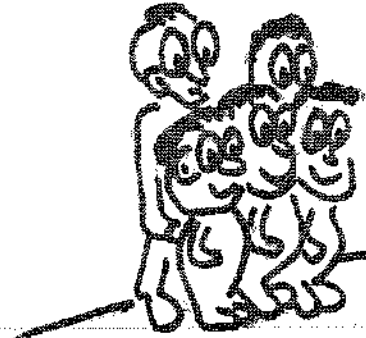

.. KEENLY AND CONSTRUCTIVELY SUPERVISED...

CLOSE! BUT PRAPS WE COULD TRY THAT AGAIN

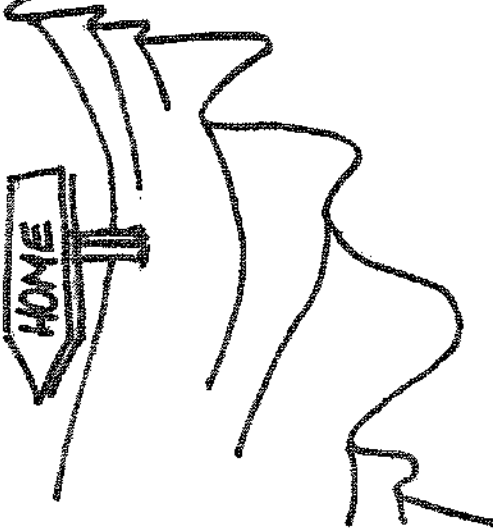

STRUGGLING FOR JOY

MAYBE THE NOSE IS A LITTLE HEAVY...

....A LITTLE FURTHER...

....AND RECOGNITION...

AND IN THE END, THERE'S ALWAYS THE POSSIBILITY
THAT SOME OR ALL MAY RETURN!!

NO ABSENCES, ROLLS, YELLING,
FIGHTING, DUTIES, MEETINGS,
TESTS, REPORTS, INSPECTORS.
IN FACT THE STAFFROOM'S A
MUCH QUIETER PLACE. MAYBE
THERE'S SOMETHING IN THIS
'OUTDOOR' STUFF!

END.
